Rheumatism, aches and pains in back, puffiness under eyes, stiff joints and sore muscles, biliousness, headache and various other symptoms give warning that the kidneys need help. Foley's Kidney Pills bring a sound, healthy condition and help the kidneys eliminate uric acid and other poisons from the system, which, when permitted to remain, cause dangerous disease.—Jones Drug Co.

HITTING HEAVENS ARE BIG HELP

Pitcher Should Be Able to Aid In Winning His Game.

WAS HOBBY OF ANSON'S.

Old Chicago Leader Insisted on Getting Fingers Who Could Take Regular Turn at Bat Without Weakening the Club.

Nothing is half so useful, after all, as a pitcher who can hit—a pitcher who can bat 'em out and even win his own games by stepping into that old ball when hits are badly needed. Such a pitcher gives the team employing him advantage over a team with a hitless hurler—it amounts to matching nine men against eight and, in addition, handicapping the eight with a drag on their machinery—a ninth member who not only cannot smite, but will insert a strikeout or a double play into whatever rallies the eight are trying to spring.

Long ago it was one of Uncle Anson's hobbies to have pitchers who could hit. He maintained that the game was played by nine men on a side and that the whole nine should be able to crack that pellet when required. Many a time Uncle turned away some clever pitcher simply because he could do nothing but pitch.

Nowadays that's all most managers ask of a pitcher—that he shall be a fancy specialist in his own particular

RAY CALDWELL, NEW YORK AMERICANS' HEAVY HITTING PITCHER.

Ray Caldwell, the New York Americans' star pitcher, is the best batting twirler in any league today. Many times Ray is sent in as a pinch hitter and generally makes good. When his arm begins to weaken Caldwell expects to be given a regular place in the outfield. Top Anson states that Caldwell is his ideal of a real star hitting pitcher and that other twirlers should try to follow in his footsteps.

line, leaving the batting to the other fellows. Not so with Anson. He never in all his long career could see things that way and to the very last insisted that his pitchers must do their share of the whacking. And Uncle seemed somehow or other to get pitchers who could do it, too, and not fall away in their own department either.

When Luby won the twenty straight in 1890 the fact that Luby also led the league in batting helped materially along the road. Ad Gumbert, another of Anson's pitchers, was a terrific hitter. John K. Tener, now president of the National league, could bat with royal vigor. Seldom did Uncle have a pitcher who fell below .220, and a pitcher who can hit .220, comparatively light as that may seem, is going to help win a lot of games that would be lost by some fellow hitting only .120.

Australia Has New "Hope."

"Snowy" Baker, the Australian boxing promoter, announces the professional debut of Harold Hardwick, a versatile antipodean athlete, who won the amateur championship of the British empire at the empire games in London. His record is such as to cause him to be regarded in England, Australia and elsewhere as a most promising candidate for the heavyweight boxing championship of the world.

English Shell For Yale.

Cochran Nickalls of the Yale university crewmen has a new English eight oared shell and English made oars for his varsity crew. The boats are equipped with the thole pig rig. The seats, however, are rigged in a straight line instead of being adjusted in zigzag fashion along the keel, which is the English style of rowing.

Turning the Tables.

Larry Cheney of the Chicago Cubs, known last year as a relief pitcher, has this year had to call for help more than any other pitcher in the National league. He has been yanked something like a dozen times in the twenty games he has started.

A WORD FOR MOTHERS

It is a grave mistake for mothers to neglect their aches and pains and suffer in silence—this only leads to chronic sickness and often shortens life.

If your work is tiring; if your nerves are excited; if you feel languid, weary or depressed, you should know that Scott's Emulsion overcomes just such conditions.

It possesses in concentrated form the very elements to invigorate the blood, strengthen the tissues, nourish the nerves and build strength.

Scott's is strengthening thousands of mothers—and will help you. No alcohol. Scott & Bowne, Bloomfield, N. J.
