OCTOBER PROSPERITY SALE

BANNION

PROMISES A THIRTY DAYS SELLING EVENT SUCH AS THIS COMMUNITY HAS EVER KNOWN

THE UNITED STATES IS THE RICHEST COUNTRY IN THE WORLD.—It is **Richer** than it ever was before.—The Banks are holding the heaviest deposits in their history—**SO WHY SHOULD WE NOT BE PROSPEROUS?**—Our City, Our State, Our Country!—No more illuminating evidence of the marvelous condition of this country could be imagined than an item recently appearing in a New York paper. The item told in ten lines the interesting fact that the new subways in course of building are being built with IMPORTED SAND. Ships coming from Europe have so little in the way of cargoes that they are filled with sand for ballast. When the ships arrive in this country the sand is given away and the ships are loaded with American products, that the people of Europe must have. Could anything more clearly show the astounding conditions that attend Americans?

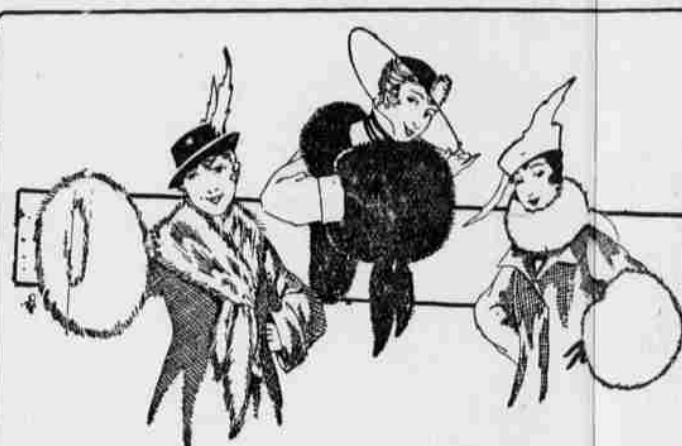

WHO CAN DOUBT THAT—

- With Americans obliged to spend their money at home and for American goods
- With Americans making goods for all the World
- With Europe sending her gold here as fast as collected
- With TEN BILLIONS of new wealth being garnered in crops
- With all these things in our favor, who can doubt that Americans today are the richest and most fortunate people on earth, and that we are on the verge of a period of tremendous prosperity.

The prophecy of American prosperity is written clear in the news of every day, and if only the average man and woman could free themselves of the depressing influence of the war news, confidence would be at once restored. Americans are at peace and with remain at peace—Americans are at work and will have more work—Americans are quietly prosperous NOW, and soon they will be **AMAZINGLY PROSPEROUS**. No longer is there need of a niggardly economy—No longer time for timorous fears, THIS IS WHY we announce

A PROSPERITY SALE

and why we invite every thrifty man and woman within the confines of Clackamas County to share during the next thirty days in the biggest and best value giving event this store has ever announced.
