BOOZE IS BANNED FROM ALL UNITED STATES VESSELS

Taboo On Intoxicants With- in Three-Mile Limit On Foreign Ships

HARDING IS FIRM

Injunction Threatened By Foreign
Ship Interests—Lasker Sobs
Eloquently

Those who thought the administra-
tion would do nothing about the sale
of liquor on American vessels on the
high seas, are now ready to think
some more. The President has directed
that the transportation and sale of
intoxicating liquors on all ships flying
the American flag must cease immedi-
ately, and has given instructions prohib-
iting vessels of other nations from
bringing liquor inside the three mile
limit.

The attorney-general has held that
the transportation of intoxicating
liquor in the territorial waters of the
country is a violation of the clear in-
tent of congress and the judgment of
the United States supreme court. And
since ships are "constructive territory"
for all legal purposes of the nation
whose flag they fly, sales of intoxicat-
ing liquor on them outside of the three
mile limit is a strict violation of the
law.

In the course of his instructions the
President directed Chairman Lasker
of the U. S. shipping board to notify
the masters of all vessels leased, own-
ed or operated by the government, to
discontinue at once the service and
the transportation either as cargo, or
ship's stores, of intoxicating liquors.
The prohibition is to begin at once on
American vessels in home ports and on
ships at sea or in foreign ports im-
mediately after docking in home ports.

Notices will be issued to all Ameri-
can ships under private operation by
Secretary of the Navy Mellon, who is
also directed to formulate regulations
for the enforcement of the law.

Information has it that a suit for
injunction will be filed very soon in
behalf of certain foreign shipping in-
terests.

Lasker, chairman of the U. S. ship-
ping board, paints a sorry picture of
the effect of cutting off booze. And
one thing more is needed for common
decency and to encourage the spirit of
obedience to the prohibition law—a
new shipping board chairman.

Mrs. Jack and Mrs. F. J. Toose were
joint hostesses.

A delicious one o'clock luncheon
was served, after which the business

cations echoes by the members. Mrs.
Charles Gratzke was an invited guest.

Charles Griesbach Passes.

On Sunday, at the Oregon City hos-
pital, Charles Griesbach passed away,
after a long siege of illness. For six
years the deceased was employed by
the Oregon City Enterprise as press-
man, in which department he was un-
usually proficient.

The deceased was 47 years old. He
is survived by five brothers and a sis-
ter. The funeral was conducted by
Rev. H. G. Edgar from the Holman &
Pace chapel. Interment was in Mt.
View cemetery.

Bridge Worker Hurt

When his auto was struck by a
passing car on the 82nd street road,
Andrew Carlson was hurled against the
windshield and severely injured.

City-West Linn bridge, and was on his
way to his home in Portland when the
accident occurred.

CLACKAMAS COUNTY W. C. T. U. MAKES FINE PROGRESS

Children's Home Will Be Opened Jan-
uary First—Local Unions Doubled
In Year In County

The Clackamas County W. C. T. U.
meeting at Clackamas, Friday, Sep-
tember 29, was attended by 66 dele-
gates. The following officers were
elected: President, Mrs. E. B. An-
drews; rec. secretary, Mrs. Eberly;
cor. secretary, Mrs. Childs; treasurer,
Mrs. Jennie Smith; vice-president, Lot-
te Hanna.

In the report of the Children's Farm
Home it was shown that there are 2-
400 children ranging from 3 to 18 years
old in need of such home; that \$2,400
of the \$3,200 allotted to Clackamas
county in the drive for funds is in
sight and that the opening will oc-
cur about January 1st.

The number of local unions in the
county have increased from 7 to 15
during the year and prospects for fur-
ther progress are very bright.

The following resolutions were vot-
ed unanimously:

1. That the women of Clackamas
county W. C. T. U. in convention as-
sembled, do heartily commend the ef-
forts of the officers in bringing law-
breakers to trial and resolve to aid
them in every way and earnestly peti-
tion that the courts exercise greater
care in parole of said lawbreakers.

2. Be it further resolved that the
women of this convention strongly
favor creating a stronger public senti-
ment against lawbreaking and recom-
mend that every woman practice and
preach the gospel of law abiding citi-
zenship in their communities.

3. We express here our thanks to
our county president, Mrs. E. B. An-
drews, for her untiring efforts in pro-
moting the welfare of the W. C. T. U.
of our county and pledge her our co-
operation this coming year.

4. Having enjoyed the hospitality of
our hostesses, we thank them. We
also thank the church authorities for
the use of the church.

MILDRED EISERT,
MRS. J. C. IMMEL,
MRS. S. A. CHILDS,
Committee.

RECALL MOTIVES ARE ENUMERATED

Editor Banner-Courier:

Last week I tried to fully meet the
accusations made in the recall peti-
tion, which unmistakably bore on its
face, the earmark of one man, who,
no doubt, was employed as an attor-
ney at so much per. I wish in this
article to mention a few things that
are talked about in the street, and
which are not understood. I may also
mention the names and motive of
some of the known promoters of the
recall. After reading this article,
please have in mind, however, that all
the parties who are promoting this
movement will never be known, nei-
ther will all the selfish interests be ex-
posed. It is mostly an underground
matter.

I now take up and answer some of
the street talk made by people who
don't know the facts.

The Suspension Foot Bridge at Ore-
gon City.—In answer to some loose
remarks about the cost of this struc-
ture, the record will show that the
cost of the bridge was \$18,000—of which
amount West Linn paid \$5,000, Oregon
City \$4,500, the mills at Oregon City
\$4,500, Clackamas County \$4,000. This
was a rush job. The plan and bids
were passed upon and approved by
the city councils and engineers of
both cities, by the corporations and
their engineers, and by unanimous ac-
tion of all the above parties the con-
tract was let for the sum named.

The Health Officer.—No member of
the court had any thought of offending
Dr. O. A. Welsh when Dr. Hempstead
was elected to fill both positions—
county health officer and county phy-
sician—at a salary of \$1,800, includ-
ing medicine. The cost of these two
offices was running over \$3,200 annu-
ally. The change effected a saving of
over \$1,400 a year. The action of the
court was unanimous. Dr. Welsh had
the office for six years at a cost to the
taxpayers of \$9,591.94. The law
says he can only hold this office four
years. He now refuses to give up the
office and the commissioners are will-
ing that the matter shall drag along.

The first real friction began, in the
Doctor's case, when I asked him per-
mit me to itemize his bills so the court
could intelligently audit them. Take
the bill of Jan. 1, 1921:
Dr. O. A. Welsh, salary \$58.20
Postage 2.00
Phones 1.80
Trips—Boring, Milwaukie, 82d
St., Sandy, New Era, Glad-
stone, Jennings Lodge, Willa-
mette, Liberal 70.60
Total \$132.00
Notice that the number of trips or
mileage is not given. When the item-
ized bill came in, the mileage charged
was 25 cents per mile—since which

FIRST BAPTIST CHURCH CELEBRATES SEVENTY-FIFTH ANNIVERSARY; REPORTS OF DEPARTMENTS SHOW VERY SATISFACTORY CONDITIONS; MANY TITHERS

Church Will Hold Law Enforcement Mass Meeting

W. J. Herwig of Portland will de-
liver a law enforcement address at the
First Baptist church at Oregon
City, Sunday, October 15th, at 7:30
p. m. Perhaps no person is more cap-
able to speak upon the subject than
Mr. Herwig. He is known throughout
the country as a fearless leader and is
not afraid to attack lawlessness
whenever found. It is expected that
his message will be "red-hot." Mr. Her-
wig insists that the people who believe
in law and order have a duty to per-
form and must thoroughly back law
enforcement officers in the enforce-
ment of the law. Every citizen of
Oregon City should attend this meet-
ing.

A three-reel motion picture "Safe-
guarding the Nation," will be shown at
the close of the address. The picture
has a strong law enforcement appeal.
The highly educational value cannot
be over-estimated and no citizen can
see the picture without having his civic
conscience stirred.

As the appeal is for law enforce-
ment and on account of limited seat-
ing capacity, only adults will be ad-
mitted.
Remember it is 7:30 o'clock sharp.
Come early and get a seat.

Candidate Pierce Is Tender- ed Banquet By Admirer

The banquet tendered Walter M.
Pierce, Democratic gubernatorial can-
didate, and the members of the Oregon
press, by Jesse Winburn, at Albany,
Wednesday night, was well attended,
over 100 being present.

Following a fine banquet at the
Hotel Albany, Jesse Winburn spoke
briefly, after which several leading
Democrats of the state, among them,
Elton Watkins, J. K. Weatherford and
Samuel Garland, set forth the merits
of Democracy and predicted a certain
victory at the coming election.

At the conclusion of these prelimi-
naries, Walter M. Pierce addressed the
meeting. Mr. Pierce stressed "lowered
taxation," as his campaign slogan,
and declared that the tax reduction is-
sue is the only issue involved in the
present gubernatorial campaign.
He called attention to the present
enormous bonded indebtedness, admin-
istration expense and the high per
capita tax in the state of Oregon, these
financial obligations greatly exceeding
those of other states, and declared that
because of the high tax rate Oregon
land will soon come to either the auc-
tion block or to a communistic form
of ownership.

As a remedy for this condition of
affairs, Mr. Pierce advocates the adop-
tion of a graduated income tax, a tax
on the utilization of natural resources
by corporations, and other indirect
taxes, and also favors a reduction in
the number of state employees and the
establishment of industries at the vari-
ous state institutions, which will make
them self-supporting.

Mr. Pierce also promises to oppose
all unnecessary appropriations and to
oppose extravagance in the affairs of
state at all times.

FORMER EDNA ZWICKER NOW LIVES IN SEATTLE

The mystery surrounding the disap-
pearance of Miss Edna Zwickler, Ore-
gon City girl, who dropped from sight
nearly two years ago, was cleared up
yesterday when her aunt, Mrs. John
Eichson, with whom she made her
home, received a letter from Seattle,
announcing the birth of a baby boy in
Seattle to Mr. and Mrs. W. H. Winse-
man. The couple were married Aug-
ust 3, 1921.

Miss Zwickler was 18 years of age
when she dropped from sight here.
She was last seen at the electric sta-
tion at First and Alder streets, Port-
land. A diligent search was made for
her by relatives and friends, but they
failed to find trace of her or hear of
her marriage.

Mrs. Eichson, upon receipt of the
letter, left for Seattle to visit her
niece.

COUNTY REGISTRATION IS BIG THIS YEAR

The registration books for this coun-
ty closed on Saturday night last. The
exact number of new registrants will
not be known for some time, but there
is reason to believe that the number
will be higher than ever before. The
registration in May of this year was
15,747. Of course it is always heav-
iest before the presidential campaign.
There are special issues agitating
the public mind this year and the es-
timate of Clerk Fred Miller is that the
total registration this year will be
near 18,000. Two hundred and forty-
seven registered on the last day the
books were open.

That the First Baptist Church of
this city has, thru its efforts during
the seventy-five years of its existence,
been a strong, helpful factor here and
thruout the county, was shown by re-
ports of her efforts and accomplish-
ments, at the anniversary rally on
Friday evening. The meeting was at-
tended by nearly four hundred of the
members and friends of the church.
The beautiful regatta and short, but ex-
cellent, program were thoroughly enjoyed.

Conditions Are Good
The reports of financial, Sunday
school, missionary and other commit-
tees showed a very satisfactory con-
dition of the various departments of
the church. There are 240 members,
40 of whom contribute to the resources
by the system of tithing.

Budget Is Strong
During the year just closed all costs
had been met and over \$700 laid aside
in a building fund. The budget of
\$5,000 for next year, including increase
in pastor's and county missionary's
salary, \$900 for the building fund, and

Canby Will Operate Her Own Lighting Plant

Because no reply has been made to
the city by the Molalla Power Com-
pany in regard to the offer made by
the council to purchase the old com-
pany's local equipment for \$7,500, the
council, at its meeting recently, au-
thorized the employment of a compe-
tent engineer to design a distribution
system for the municipal power and
light plant. The city will get its power
from the Portland Railway, Light
& Power company.

Some months ago the council re-
fused to renew the franchise of the
Molalla Power company here because
of the alleged exorbitant rates charged.
Subsequently it offered to buy the
company's equipment and after some
dickering fixed \$7,500 as the maximum
it would pay.

Authorization for preparing com-
plete plans for a municipal system is
regarded here as assurance that the
city will secure a brand new plant.

Sunday School Teacher Meet

The banquet which was held at the
Congregational church, Tuesday eve-
ning, October 3, for the purpose of
organizing a Sunday school teachers'
training class, was largely attended.
J. L. Gary of Willamette was toast-
master and a number of interesting
talks were given. Among those were
Rev. Willis Pettibone, Rev. C. Morgan,
Mrs. Geo. Eberly, Daniel Jones of
Jennings Lodge, Mrs. Georgia Parker,
state Sunday school worker, Vern
Cross and Rev. A. J. Ware. The mat-
ter was left for the ministers to put
before the teachers of their Sunday
schools and report later to the com-
mittee.

A splendid supper was served by the
Girls' Reserve of Oregon City, and was
enjoyed by all.

C. E. Society Elect Officers.

The senior Christian Endeavor so-
ciety of Jennings Lodge held a busi-
ness meeting at the home of their
leader, Carl Starker, and elected the
following officers for the ensuing year:
Mary Rush, president; Naomi
Wilcox, vice-president; Mary Stevens,
secretary; Mary Kessi, treasurer.
Plans were discussed for activities of
the coming year.

Call Extended Rev. H. G. Crocker.
Grace Community church of Jen-
nings Lodge has extended a call to Rev.
Herbert G. Crocker, formerly pastor of
the First Congregational church of
Oregon City, who is now residing on
his farm near Newberg. Mr. Crocker
is considering the question of accept-
ing the call and will give an answer
in the near future.

Mammoth Cucumbers Shown

Mrs. F. H. King of Logan left at
the Banner-Courier office on Satur-
day, two cucumbers noted for their
enormous growth. They were grown
in the King garden and measure 19
and 18 inches in length and 3 inches
in diameter.

No fertilizers were applied to these
plants. They are a testimony to the
productiveness of Logan soil and cul-
tivation.

These specimens are now on exhibi-
tion in the Banner-Courier window.

Growers Test Spuds

Out of 2535 acres of potatoes raised
by Clackamas county growers only
73.5 acres passed the test required for
certification. From the continued ef-
forts of the growers, however, there
will result improvement until this
county will be recognized as the home
of pure potato seed.

Democrats Plan Mtet

Precinct committeemen and workers
of the Democratic party will meet G.
Y. Harry, from the state central or-
ganization, on Friday evening of this
week, and discuss plans for the re-
mainder of the campaign. The meet-
ing will be held in O. D. Eby's office.

appropriations for music and calendar,
was passed unanimously.

Speaker Reviews Personnel

Present at the meeting was Mrs.
A. M. Brayton, one of the organizers
of the first missionary society of the
church, in 1876. Rev. E. A. Smith
spoke enthusiastically of the county
work done by Rev. A. J. Ware, the
church missionary, and of the contribu-
tions of the church in the personnel
of Christian workers, who had gone
out from it, including Dr. Kenneth
Latourette, now professor of missions
at Yale University. Dr. Hinson de-
livered a splendid address from the
text, "My God shall supply all your
needs according to his riches in glory
by Christ Jesus." Greater accom-
plishments thru faith and under Divine
direction was the keynote of the
speaker's effort.

Officers of the church elected, are:
Dr. Ross Eaton, financial secretary;
clerk, Mrs. Wm. Anderson; asst. clerk,
Mrs. Arthur Rugg; general treasurer,
Dr. Freese; benevolent treasurer, Dr.
Ruth Eaton; Sunday school supt., Vi-
ctor Barney.

FIRE PREVENTION WEEK IS OBSERVED IN OREGON

This annual fire prevention week is
being generally observed thruout Ore-
gon. The losses from fires which, in
most cases, could have been prevent-
ed by the exercise of ordinary care
and prevention methods are appalling.
In Oregon during the five years from
1915 to 1920, fires caused the tremen-
dous loss of \$10,395,236, a sum suffi-
cient to build 2,079 five thousand dol-
lar homes.

In order to reduce the number of
fires and fire losses to the minimum,
the governor has issued the following
proclamation:

Therefore, I, Ben W. Olcott, Govern-
or of the State of Oregon, by the au-
thority in me vested, do designate and
proclaim the period from October 7th
to 14th, 1922, as Fire Prevention Week,
and I earnestly request that the proper
city departments, co-operating with
the chambers of commerce and other
civic organizations, shall arrange in-
teresting and educational exercises
that will impress the importance of
the occasion upon the public mind. I
hope that every resident of the state
will actively take part in the observ-
ance and that they will remove rub-
bish and litter and other hazards about
their homes and places of business;
that they will inaugurate the personal
habit of carefulness; that our
churches by means of sermons and ad-
dresses, and the newspapers, by edi-
torial mention, shall help to spread
the doctrine of carefulness; that our
schools shall adopt systematic instruc-
tion in fire prevention, to the end that
our state may be made a safer and
better place in which to live.

Only by arousing the public to the
appalling situation created by our ex-
cessive fire waste can the evil be cor-
rected.

Given under my hand and the seal
of the great State of Oregon, this 14th
day of September, in the year of Our
Lord, One Thousand Nine Hundred
and Twenty-two.

BEN W. OLCOTT,
Governor.

Ernest Wynne

Ernest Wynne, nine year old son of
Mr. and Mrs. Albert Wynne, of Ore-
gon City, route 6, died of pneumonia
at the Oregon City hospital, on Tues-
day, October 6th.

Funeral services were held from the
Holman & Pace chapel, with Rev. H.
G. Edgar officiating, and interment
was in Multnomah cemetery at Port-
land. Six schoolmates of the deceas-
ed acted as pall bearers.

The lad was loved by all who knew
him and besides his many friends he
leaves to mourn his passing, his par-
ents, Mr. and Mrs. Albert Wynne,
three sisters, Mrs. Irene Nussbaum,
and Ruth and Blanche Wynne, and
two brothers, David and Albert Wynne.

Jury Disagrees in Olson Case

August Olson was arrested at Damas-
cous, July 5, charged with illegal
possession of liquor. He was tried
and convicted in justice court, but

ed in discharge upon disagreement of
the jury, which deliberated four hours
over the case.

Caulfield, E. C. Brown, Adam Bell, Fred
Lais, Maggie Johnson, Louise Kan-
rath, Charles Horstman, Mary Norris,
Robert Appleby, Aurie Draper and
Nellie C. Alldredge.

Leach Is Acquitted

Gus Leach of Redland was tried in
the circuit court on Saturday, on a
charge of assault and battery. His
sister, Mrs. Smith, was the complain-
ant. The jury deliberated over the
case about an hour and brought in a
verdict of not guilty.

Moore Sentenced

James Moore, convicted last week
Wednesday by a jury, in Judge Camp-
bell's court, on a statutory charge,
was sentenced to serve two years in
the penitentiary at Salem. The jury
recommended extreme leniency.

was drawn on the soldiers' bonus and
loan fund against the state of Oregon.
Up to October 1, the amount distribut-
ed has been \$2,849,253.79 in loans and
\$4,193,098.61 in bonus payments. The

ing a grand total of \$8,178,256.31. The

and the number of bonuses 18,926.

MANY CANDIDATES FOR CITY OFFICES

With the approach of the limit of
time for filing the lists of candidates
for city offices is pretty well filled.

The lineup as now constituted is:
James Shannon, for mayor; Charles
Kelly, John Morris, John Lieberg and
R. E. Woodward, recorder; C. H.
Roake, councilman, second ward; R. J.
Hodgson and A. L. Beattie, first ward;
Jack Cameron, third ward, and R. L.
Greaves and F. H. Cross, fourth ward.
The hold-over councilmen are: Fred
Metzner, first ward; William Krassig,
second, and Ed. VanAnten, third.

Opposition has not fully developed
against O. D. Eby for city attorney,
though there have been other men-
tioned.

The age-old "scrap" in regard to the
location of the city hall has put on
new armor and has entered the politi-
cal fray for a fierce and gory finish.

REPORT OF TREASURER SHOWS FUNDS ON HAND

W. Everhart to the county court shows

BIRTHDAY OF THOMAS MILLER MADE MERRY

Thomas Miller, veteran bailiff of the
circuit court, celebrated his eighty-
third birthday anniversary, Tuesday.
After the jury returned its verdict in
a criminal case they remained in their
seats. Judge Campbell called the
aged bailiff before the court and in
behalf of the members presented Mr.
Miller with a box of his favorite cigars.
Friends of Mr. Miller also remem-
bered him with birthday cakes and on
returning to his apartment he found a
table laden with a birthday dinner, in-
cluding venison.

Mr. Miller has served as bailiff of
the Clackamas county court nearly
fifty-four years.

with the Grange at Beaver Creek yester-
day, elected M. C. Glover of Boring
worthy master; Louis Kohl, overseer;

ling of Tualatin Grange was chosen

didate for governor, addressed the
meeting on the problems of taxation.
J. R. Herman of the single tax league,
spoke in favor of the measure to be
submitted to the voters at the coming
election.

OREGON CITY YOUNG MAN WINS HONORS

Herbert Harris, formerly an Oregon
City lad, graduating from the high
school, completed a course in engineer-
ing at the O. A. C. last spring. He
was one of two seniors of the college
to be appointed to a position with the
General Electric at Schenectady, N. Y.
His mother, Mrs. V. Harris, now of
Portland, will join him at Schenectady
in the spring. Miss Lillian, his sister,
is a senior at O. A. C.

Ernest Winnie

Ill from pneumonia but a few days
ago, Ernest Winnie, the nine-year-old son
of Mr. and Mrs. Albert Winnie, died
at his parents' home in
