

OREGON CITY ENTERPRISE

FIFTY-SIXTH YEAR, No. 12.

OREGON CITY, OREGON, FRIDAY, MARCH 24, 1922.

ESTABLISHED 1866

APPORTIONMENT OF MARKET ROAD FUNDS IS MADE

\$90,000 Distributed Among Different Highways for 1922 Improvement; Large Amount Comes from State.

SILVERTON SECTION TO RECEIVE \$20,000

Macadam Construction to be Used Entirely; Abe Gilbert Is Named as Supervisor.

The market road fund for the year of 1922 has been apportioned by the Clackamas County court. A total of \$90,000 has been distributed for the improvement of eight roads in the county, representing the state apportionment and the county's match money for this year.

The largest single appropriation is made for Market Road 5, which will receive \$20,000 to be expended on the Silverton section between Butter Creek and Liberal. A movement to have this road made into a federal post road has been started but the market appropriation this year will provide for the improvement of a 1.1 mile section.

The market program in Clackamas county involves only the improvement through macadamizing. Funds are not sufficient for the laying of pavement, and the policy of the county court has been to provide as much road in mileage as is possible with funds on hand.

The second largest appropriation this year is \$18,000 which will go on Market Road 2, from Estacada to the Eagle Creek bridge. Two apportionments of \$15,000 each have been made. This amount will be spent on Market Road 1, from Colton to Wright's bridge and a similar amount will go for the improvement of Market Road 6, from Wilsonville to the Yamhill county line.

An appropriation of \$10,000 will be made for Market Road 3. This is divided into two sections, \$6,000 to be spent to grade and finish the road from the top of Gibson hill and \$4,000 to be spent on the section known as the east end of the road.

Market Road number 4 will receive \$5,000. Market Road 7, from Carver to Barton will get \$3,000.

A double appropriation has been made on Market Road 8, from Fishers Mill to Redland. It totals \$9,000 of which \$7,500 is appropriated by the county and \$1,500 raised by the people in that district through subscription.

The county also appointed Abe Gilbert as roadmaster at a salary of \$175 a month. He has been in charge of the county road work for the past year.

SENATOR HAWLEY SEEKS PARTY RENOMINATION

SALEM, March 20.—More millions for the development of waterways, national aid in road building and exclusion of undesirable immigration are planks in the platform of W. C. Hawley of Salem, representative in congress, who today filed with the secretary of state his declaration as a candidate for renomination by the Republican party.

Mr. Hawley uses the slogan that has served him for many years: "No interests to serve but the public interests." The first congressional district, served by Representative Hawley, comprises the counties of Benton, Clackamas, Clatsop, Columbia, Coos, Curry, Douglas, Jackson, Josephine, Lane, Lincoln, Linn, Marion, Polk, Tillamook, Washington and Yamhill.

GET-TOGETHER PLANNED BY LOCAL BUSINESS MEN

The Clackamas County Business Men's association is planning to give a dinner and entertainment as a special feature March 28. Business houses from over the city will invite their clientele to attend.

Frank I. Jones, a noted photographer and explorer will deliver an illustrated talk, following a banquet. According to present plans, the Moose hall will be used for the entertainment.

The purpose of the affair, according to the committee, is to promote the acquaintance of the merchants among themselves and with their customers. About 500 are expected to attend.

BANDITS TAKE JEWELRY

CHICAGO, March 20.—Three bandits raided the pawnshop of Marcus Nierman today and escaped with \$100,000 in jewelry.

STATE REPORT FAVORS SCHOOL CONSOLIDATION

Cost of Education In County Shown In Data Gathered by Superintendent Churchill.

SALEM, March 20.—It cost the taxpayers of Clackamas county \$576,991 to operate the public schools during 1921, according to a report prepared by State Superintendent J. A. Churchill. The report is based on reports received from county superintendents over the state and shows that the total cost for Oregon during the year was \$14,783,698. The cost for Clackamas county was the third largest in the state, ranking the same as the school census, as Clackamas has the third largest number of school pupils, being exceeded only by Multnomah and Marion counties.

Mr. Churchill's report deals in part with the subject of consolidated schools, a movement which is being carried on in a number of different projects in Clackamas county. Regarding the consolidation program in general Mr. Churchill says:

"In nearly every county in Oregon there is now being carried on a campaign for the consolidation of rural schools, either for high school or grade purposes or both. Sixty-one consolidations have been effected, 22 of which are in the open country, 23 in rural villages and six with larger towns. The number of teachers in the consolidated elementary schools totals 86 with a total enrollment of 2819. The number of teachers in the consolidated high schools is 86 and the total enrollment 1466.

"Transportation of pupils is growing in popularity since it operates very satisfactorily, both from the parents' and teachers' viewpoint. Forty-one conveyances are now transporting 2029 pupils, at an average daily cost of 25 cents per pupil.

"There can be little argument for the consolidated school on the ground that the plan means an immediate saving in school expenditures. The cost of transporting pupils from the district consolidated usually equals the amount formerly paid to the teacher. However, if we consider the saving made through the more rapid promotions of the children, the consolidation of schools is economical.

Advantages Extolled

"The best argument for the consolidated school is that it provides a far better school since its advantages are many. Larger classes result in keener rivalry among the children and cause the subject matter of recitation to be more fully developed, because of different viewpoints. There is better grading and classification, a larger number of recitations for each pupil and more personal instruction from the teacher. There is longer time for each recitation and the enrollment and attendance are increased.

"The consolidated school also returns many advantages to the parents and community, since the better, closely graded school often prevents the breaking up of the home circle by having the mother and children move to town, while the father remains on the farm to make a living for the family. Consolidation has led to better roads, better homes, increased land values and pride in community and civic improvement."

OAK LAWN MEETING IS FOR UNION HIGH SCHOOL

CANBY, March 18.—A meeting was held in the Oak Lawn schoolhouse on Wednesday evening when the subject for discussion was the proposed union high school at Canby.

Owing to the weather conditions the meeting was not largely attended, but those in attendance were enthusiastic over the movement, and the result of the meeting was that it went on record as in favor of establishing the union high school, although it was ten miles away from Canby. This district is the farthest from Canby to be included in the union high school district.

J. W. Exon, chairman of the school board, presided over the meeting, and spoke in favor of the establishing the new union high school district. Others taking part were County School Superintendent Brenton Vedder, of Oregon city; M. J. Lee, of Canby; P. A. Webber, of Union Hall.

NANCY GRAY SUCCEUMS AFTER BRIEF ILLNESS

Miss Nancy Gray, of Mulino, died at the family home Sat. afternoon at 4:30 o'clock, after a brief illness.

Miss Gray, who was a native of Indiana, was 71 years of age, and is survived by a brother, Samuel Gray, also of Mulino.

The remains were brought to Oregon City and are at the Holman and Pace undertaking parlors. It is probable that funeral services will be held on Monday afternoon.

Egypt Gets Freedom

Cairo, March 16.—The independence of Egypt was officially proclaimed here today.

19 APPLICANTS FOR CITIZENSHIP TO BE EXAMINED

Court Sets March 27 as Day For Hearing; Germans and Austrians Head the List of Those Asking for Papers.

SEVEN NATIONS ARE TO BE REPRESENTED

Removal of War Restriction Is Still Felt; Continued Cases Will be Presented.

Nineteen applicants for citizenship will be examined at the naturalization hearing which has been set by the Clackamas county circuit court, for March 27. In the list there are eight Germans, four Austrians, two Danes, two Russians and the remaining three are natives respectively of Sweden, Switzerland and Norway.

Several of the examinations will be applicants who were continued from the term of court in December, 1921. At that time, 27 applied for citizenship and 16 were granted their papers. During the past nine months, the hearings have been crowded, largely due to the removal of restrictions on admittance of natives of the central power nations. The opening hearing after these restrictions were removed set a new record for applicants, when 49 were examined. The succeeding hearings have had a large number of held over applications which were not able to qualify for the first examination.

The list of applicants for the coming hearing, prepared by County Clerk Fred J. Miller, follows:

Germany—John William Sauber, Milwaukee, Rt. 1; Charles Emil Shubert, Milwaukee; Wilhelm Koennecke, Sandy; Albert P. Hoop, Oregon City; August Karl Kater, Estacada, Rt. 3; Paul Hopp, Oregon City; Henry Steiner, Hoff, George Teske, Oregon City, Rt. 4.

Austria—Karl Bigel, New Era; Rudolph Bigel, New Era; Adam Hodel, Oregon City, Rt. 6; John Bogynske, Oregon City.

Russia—Jonas Ruskis, Oregon City; Gustav Ratke, Parkplace.

Denmark—Carl Albert Borglin, Oswego; Carl Christian Paulsen, Borling, Rt. 3.

Switzerland—Xavier Widmer, Oregon City.

Sweden—Andrew John Meyer, Canby.

Norway—Maurice Johnson, Mt. Angel, Rt. 1.

CITY OUTLINES POLICY UPON SOUTH END ROAD

No Announcement to be Made Prior to Conference With State Commission Today.

At a conference of members of the city council held yesterday afternoon it was decided to send a representative of the city to the meeting of the Highway Commission in Portland today which is to consider the question of improving the South End road outlet. O. D. Eby, city attorney, who is also chairman of the Live Wires Committee and Dr. H. S. Mount, chairman of the street committee, will represent the municipality and several of the councilmen also will attend the hearing.

The policy to be followed by the city in the negotiations was outlined at the meeting, but no announcement is made of just what action will be taken or what concessions can be made to the demands of the commission for the improvement of the road. The hearing is to be held at 3 o'clock this afternoon.

Nancy Gray Dies at Her Brother's Home

The funeral services of Miss Nancy Gray, held at the Holman and Pace chapel on Monday afternoon at 1:30 o'clock, and conducted by Rev. A. H. Thompson, pastor of the Methodist church.

Many friends of the deceased attended, and the G. A. R. and Women's Relief Corps were largely represented. Samuel Gray, brother of Miss Gray, a Civil War veteran, is a member of the Meade Post, G. A. R. A large number of friends came from Mulino, where Miss Gray resided. Interment was in Mountain View cemetery.

Miss Gray, who made her home at Fourteenth and John Adams street in this city for several years, before taking up her residence at Mulino, was 71 years of age. She has made her home with her brother for many years.

LOCAL MAN TO RUN FOR STATE TREASURER JOB

Announcement Made By Thos. F. Ryan Of candidacy for Position.

Official announcement of his candidacy for the office of state treasurer, is made by Thomas F. Ryan, at present

THOMAS F. RYAN

ent state senator from Clackamas county.

Mr. Ryan for two terms was judge of the county court here. He is the president of the Bank of Commerce of this city and several years ago held the position of state treasurer.

In outlining his views regarding retraction in governmental affairs, Judge Ryan makes his first statement regarding his candidacy in his home county. His official statement follows:

"I shall be a candidate in the primaries for the Republican nomination as state treasurer, and in the near future will submit to the public a platform embodying what I shall advocate and endeavor to promote.

Reduction Is Pledged

"I do not favor a lot of general statements by candidates, believing it much better to present definite and concrete statements and promises; every citizen realizes at this time, the necessity of retraction in governmental expenses, and we should require that all whom we place in public service should pledge reduction, whenever and wherever it can be made; several years experience as Deputy state treasurer, has given me an intimate knowledge of the duties and requirements of the treasury department, and with that knowledge and in the firm belief that it is time to return to normal practices in state as well as in private business, I promise and pledge, that if I am elected as state treasurer, that I will reduce the present cost of maintenance of the department at least thirty per cent, and at the same time, will replace the treasury department of the state of Oregon, in the proud position that it occupied five years ago, when it was regarded as one of the best and most economically conducted departments in the United States.

Business Methods Favored

"I will make it a state department conducted strictly under business rules and methods. No press agents shall be employed, no personal or political propaganda, nor misleading reports and statements, shall be prepared, printed or distributed; no person connected either with the treasury department or the weights and measures department will be allowed to receive gift, present or commission or collect any but lawful fees from any person, firm or corporation doing business with the state of Oregon or any of its departments or institutions. The knowledge I have acquired during years of experience in business and banking, will insure safe and intelligent investment of state funds held in trust for the benefit of the widow, the orphan, the injured and disabled, as well as our brave service boys, and I guarantee that there will be no loss or depreciation in the investment of these funds through lack of financial knowledge or ability.

As a member of the Board of Control, I shall demand the highest efficiency and the strictest economy in all departments and institutions under the control and supervision of the board.

Born in Rhode Island, I came to this county in early manhood, and all that I have, all that I ever expect to have, is here, and if elected to this state office, I pledge every citizen of Clackamas county that I will devote all my time, ability and knowledge to the promotion of the interests of Oregon and in such a manner as will make the State realize that no mistake is made when they place a citizen of Clackamas in a position of trust.

CANDIDATES FAVOR BEER

CHICAGO, March 16.—Beer and light wines were advocated today by candidates on the tickets of the Citizens' Democratic organization, an insurgent group. A statement issued from their headquarters stated the candidates believe the prohibition law is a "moral failure" and an un-American act.

CITY HALL BOND RECALL AT MAY ELECTION, PLAN

Initiative Petitions Will be Placed In Circulation by First of Next Week; Action Will be Taken Immediately.

INJUNCTION AGAINST TENTH STREET LOOMS

Movement to Purchase Site On Hill May be Referred To People for Decision.

An initiative petition to recall the \$35,000 bond issue voted May 21, 1920 for the building of a city hall in Oregon City is to be launched in a few days. The petitions are expected to be in circulation by the first of the coming week and an effort is to be made to place the measure upon the ballot at the May election.

The movement it is understood, is the outgrowth of the fight between the people on the hill and the advocates of the location of the building in the downtown district.

The bond issue is at present tied up with a lawsuit, which was brought to prevent the building of the structure in McLoughlin park. A decision as to the legality of the use of this site is to be reached in the circuit court at a final hearing this coming Saturday.

It is understood that the advocates of the hill site have prepared for the two other moves to prevent the location of the hall below the bluff. There is considerable agitation at present for the use of the foot of 10th street, and it is regarded as certain that an injunction will be issued to prevent its erection there.

A petition, though not yet prepared, is being considered, to place before the people the question of purchasing a site on the hill. Several sites have already been considered but no action has been taken by the city, pending the settlement of the case now in court.

J. L. SPRINKLE TO HEAD NEW RAILROAD CONCERN

Carver Line Changes Name to "Viola Company;" Timber Territory Will be Opened.

Proposed extension of the Portland and Oregon City railway company's line from Carver to Viola in Clackamas county, a distance of nine miles, will place that line on a paying basis through the development of large holdings of timber in the Clear creek area, which will be penetrated by the new line, said Stephen Carver, vice president of the company, in an announcement made Wednesday.

Carver announced that the name of the company would be the Viola Railway company and J. L. Sprinkle has been named president and that the total cost of constructing the new extension would be \$180,000, of which approximately \$90,000 has already been expended in grading and bridges.

Although the company does not have a trackage connection with the Willamette river, log movements will be made over the line as well as milled lumber movements. Since opening to operation eight years ago the Portland and Oregon City railway line has not been a paying proposition, but with the extension completed, Carver points out that heavy milling operations will supply traffic in addition to the present suburban passenger business.

FARM BUREAU MEETING AT MOLALLA IS SUCCESS

A live meeting of the farm bureau was held at Molalla, March 15, at which plans were made for the work to be carried on the coming season. The grange is actively cooperating with the bureau to put over four distinct farm bureau projects in that section this coming season. Another meeting will be held at the open session of the Molalla grange on Saturday afternoon, April 1. Discussion of potato production will be one of the main topics at this meeting.

Death of Lyons Baby Caused by Accident

Oscar Lyons, four-days' old infant of Mr. and Mrs. Oscar Lyons, of 15th and Harrison street, was accidentally smothered while in bed on Wednesday afternoon.

The remains of the child were laid to rest in Mountain View cemetery, Wednesday afternoon.

NEW ELECTION SYSTEM IS INAUGURATED HERE

Clackamas County to Have 77 Counting Boards; Precincts Second Largest In State.

A total of 77 of the 83 voting precincts in Clackamas county will be provided with counting boards, provision for which is made under the new election laws. Outside of Lane county, Clackamas has the largest number of precincts in the state. The figures are taken from a report submitted by County Clerk Fred A. Miller to the secretary of state.

The law providing for counting boards was enacted at the 1921 session of the legislature, at the instigation of Colonel Mercer of Lane county, chairman of the senate.

The so-called counting board will consist of two judges and three clerks and may be appointed by the county court for service in any voting precinct in which were cast 100 or more votes at the last general election, or in which the county court believes that many ballots will be cast at the next general election. Appointment of the second board is in the discretion of the county court and is not compulsory.

The counting board shall occupy a room separate from that of the receiving board and shall enter upon its work one hour after the polls are formally opened. The count shall continue uninterrupted until the tabulation is completed and the results of the election are ready for posting.

In case the second board does not complete the count of the votes by 8 o'clock in the morning following the day of the election then the receiving board shall reconvene and continue the count.

Officials who have been in close touch with past elections in Oregon expressed the opinion that the appointment of counting boards will greatly relieve the confusion attending political contests in Oregon, and in only a few precincts will the count proceed far into the night following the day of the election. In most of the precincts the results should be ready for announcement within two hours after the last ballot is received and recorded. In some previous elections the count has proceeded for two or three days.

Under the law, strict privacy will govern the activities of the counting boards, and no information will be given out with relation to the standing of candidates until the count is complete. Failure to comply with the law may result in the arrest and prosecution of the judges and clerks entrusted to count the ballots.

William Etters Dies After Brief Illness

The funeral of the late William Etters, born April 19, 1838, in Lemoine, Pa., and who died at his home near Parkplace on the Clackamas river Saturday night at 11:45 o'clock after a three days' illness from pneumonia, was held at the Holman & Pace chapel Monday afternoon, with Rev. H. G. Edgar, pastor of the Presbyterian church, officiating. As Mr. Etters was a member of Meade Post No. 2, G. A. R., having fought in the Civil War, this organization was largely represented, as was also the Women's Relief Corps. At the grave in Mountain View cemetery the Post had charge of the impressive burial service. The remains were laid to rest beside those of his wife, who died March 28, 1918.

Etters on May 31st, 1870, married Sarah C. Helise in Center county, Pa. Mr. Etters came to Oregon City with his family many years ago, and later moved to his place near Parkplace, where he had since resided.

Deceased is survived by three children: Mrs. M. M. Cross, of Oregon City; Mrs. W. A. Cross, of Parkplace; Mrs. Frank Lambert, of Jennings Lodge. He is also survived by a granddaughter, Miss Ella Cross, of this city; two brothers, Andrew Etters, of Skamania, Wash.; David Etters, of State College, Pa.; a sister, Mrs. George Boyer, of Boyne City, Michigan.

SIX PLEAD NOT GUILTY; DATES OF TRIALS FIXED

Five men, charged with statutory offenses, pleaded not guilty Tuesday. Barney Hultas, arrested Tuesday on indictment returned by the last grand jury, was included. Trials of the others were set as follows: Francis Harney, April 18; Jess Poyser, April 19; Frank Smith, April 25, and Art Ferris, April 29. H. A. Smith, arrested on an indictment charging theft of a horse, pleaded not guilty and his trial was set for April 27. Frank C. Decker was arrested on charges of non-support of his wife and the nine of his eleven children under age. He is awaiting a hearing.

LIFE TERMER IS SHOT

SALEM, March 21.—James Ogle, lifer at the state penitentiary, was shot dead this morning by Guard John Davison. Ogle had thrown a rock about the size of a baseball at Davison and made a move as if to cast another.

LONG NAMED AS TRAFFIC OFFICER BY COUNTY COURT

Two Commissioners Over-ride Action of Judge Cross and Reappoint Cop; Squabble of Months' Standing Ends.

LOADOMETERS HELD BY FORMER OFFICIAL

Salary Fixed at \$166 Month; Appointment Is Made thru Request of Sheriff Wilson.

By returning to duty the same man whom they removed from office eight months ago, the county court today ended the controversy over the position of traffic cop. By a majority vote, the court appointed Carl J. Long at a salary of \$166.66 a month. County Judge Cross, firm in the stand taken against the employment of Long last July, voted no. Commissioners W. W. Harris and W. A. Proctor voted yes.

The appointment was made upon the recommendation of Sheriff W. J. Wilson, following the agitation for the appointment of a traffic cop after the court removed R. E. Wagy, its own appointee.

Pay Is Claimed

Wagy was removed a month ago, and a disagreement between him and the county court is still unsettled. Wagy is in possession of two loadometers purchased at a cost of \$400. Wagy has refused to turn them over to the county upon the ground that they owe him for expenses, over an extra bill allowed in February, the last month which he worked. Wagy claims that he purchased a motorcycle and that when he was discharged by the county he lost what payments he had made on it, and is holding the loadometers on this ground. He has declined to turn them over to the county even on written order of the court.

Authorities Clash

Wagy was originally appointed last July after Long was removed as traffic cop, by the court. Wilson, however refused to discharge him and also refused to deputize Wagy, the court's appointee. State authority for Wagy was secured and for some time the two men served. Long's pay was held up for two months, but then through the two commissioners an order for his salary was made. He was then retained as a special deputy and the commissioners o. k. 'd the bills for his service.

Wagy was discharged by the court on January 31, and for the past two months there has been no traffic protection other than that afforded by state officers who have come through here.

ANGLERS' CLUB FORMED; OFFICERS ARE ELECTED

The Salmon Club of Oregon City was formed here Monday night at a meeting of local anglers. The club which is to encourage the fishing for salmon with light tackle, will be independent of any other organizations and is to confine its scope entirely to the promotion of angling of the one type.

S. Chambers was elected president of the club. Other officers named last evening were: Dr. L. G. Ice, vice-president; R. R. Friedrich, secretary; George Bannon, treasurer; Bob Krueger, L. A. King, C. Alldredge, and E. E. Gabriel, directors.

Arrangements have been made with local merchants to offer a series of prize for the best salmon caught. These prizes will be awarded during the month period from April 1 to May 1, and will be given to members of the club in a series of contests based upon rules yet to be formulated. The club has limited the classification of light tackle to a seven ounce rod and 12 thread line. No other form of tackle or fishing will be considered in the contests.

Membership in the club has been set at \$1, and the secretary has been instructed to prepare necessary applications for all who desire to affiliate. Some 50 or more local anglers are expected to embrace the membership of the organization.

DRUG AGENTS JAILED

TACOMA, Wash., March 16.—An echo of the sensational \$100,000 cocaine raid on the Japanese steamer Sensei Maru at Aberdeen a few days ago was heard in federal court here today when Judge E. E. Cushman sentenced A. Watanabe to eighteen months, and M. Maeda, Japanese, to three years in McNeil Island penitentiary. These two were characterized by J. E. Brown, federal narcotic agent as members or one of the biggest and most powerful narcotic rings in the United States.
