EXHIBIT TO COME HERE**

A traveling industrial and power farming exposition is soon to visit Oregon City upon a tour embracing approximately 150 points in Oregon and along the Columbia on the Washington side. The caravan will cover about 4000 miles, as it is intended to leave the paved highways and main traveled roads whenever necessary in order to thoroughly cover the entire country.

This vast enterprise, the first of its kind ever undertaken in this territory, will cost many thousands of dollars. About 40 trucks, tractors, lighting plants, water system and miscellaneous appliances and utilities will be shown, and approximately 50 drivers, mechanics, operators, lecturers and power farming and industrial specialists will participate in each demonstration.

The project is being conducted by a number of world-famous manufacturers, notably the Ford Motor Company, Standard Oil Company, the DeLo Light people, Oliver Chilled Plow Works, American Seeding Machine Company, Roderick Lean Manufacturing Co., Wehr Company and many others. Associated with them are a number of the great Northwest's own industrial concerns exhibiting such products as the Ersted tractor hoist, the Tralmobile, the Casey tractor appliances and attachments and other farm and industrial equipment.

It is proposed to hold a Town and Country Day in Oregon City upon the occasion of the caravan's arrival and a comprehensive program is being prepared. This will embrace many features that will be entertaining, instructive and educational, including lectures, motion pictures and a radio concert, the caravan carrying a complete and powerful radio apparatus. The exact date and the program in detail will be announced later.

**Poultry Specialist
To Give 3 Lectures
Upon Culling Work**

H. E. Cosby, extension poultry specialist of the Oregon Agricultural college, will be in Clackamas county Tuesday and Wednesday and will give three poultry demonstrations.

The first demonstration will be at 9:30 o'clock a. m. Tuesday, at the Welch farm on the corner of the Otfield and Hill roads. The second will be at the E. Schwelmer farm Tuesday afternoon in Damascus. Both of the demonstrations will deal with poultry culling, and are part of a series being conducted here.

County Agent W. A. Holt, who has arranged the meetings, advises farmers not wishing to drive to the Otfield ranch to take the electric from Oregon City, getting off at Courtney station and walking east to the Otfield road.

A culling demonstration will also be held at the poultry farm of W. H. Thompson, of Canby, on Wednesday, August 9, the demonstration to begin at 2 o'clock. Cosby will have charge of the affair.

**Road Work Forces
Big Indebtedness;
Taxes Not Yet Due**

According to report of the county treasurer, total warrant indebtedness of the county is now \$373,425.39. All of this indebtedness is chargeable to the road fund, in which there remains but \$17,729. Cash on hand in all funds is \$195,816.39. The apparent heavy indebtedness is due to the fact that while road work is undertaken largely in the summer, the second half of the current taxes is not due until October.

**GOPHER PEST CONTROL
IN COUNTY IS SAID HERE**

Control of the gopher pests, which have threatened a large portion of the Clackamas county crops is expected to be possible as the result of experiments conducted here by the U. S. Biological Service, according to County Agent Walter A. Holt. An expert from the department has been in Clackamas county for some days and the work here is complete. Due, however, to the fact that it is harvest season, no attempts to place before the farmers the method to be used.

**Anarchists Jailed
For Alleged Plots
to Murder Poincare**

PARIS, Aug. 5.—Four anarchists were arrested today at Saarbrücken on the suspicion they were connected with the alleged German monarchist plot to assassinate Premier Poincare. The police at Saarbrücken believe that the four prisoners are members of the German monarchist organization consuls. The two assassins of Dr. Walter Rathenau, former German foreign secretary, were members of this organization.

(Saarbrücken is on the Franco-German border. Formerly it was on German soil. Now it is part of France.)

**CLACKAMAS COUNTY
PAVING PLANT SAID
BOON TO ROADS HERE**

If the members of the Clackamas county court were asked what is the best investment the county ever made, the reply would be "The county paving plant." The plant is located at Bell station, on the Estacada line, where a supply of gravel is easily obtainable. A derrick operated by electricity loads the gravel on a small electric car running direct from the pit to the plant. The roads constructed by the county wherewithal own plant has been used have been of the asphalt-concrete type, or what is known as the Worwick pavement. It is composed of gravel, sand, asphaltum and silica, cooked until it reaches a temperature of 250 degrees Fahrenheit. The mixture is laid as a surface on a crushed rock foundation. The "hot stuff" is drawn into a vat, a truckload is called a batch and is hauled in some instances a distance of eight miles before being applied.

The life of an asphaltic concrete road depends on the base, and the county is now profiting from expensive experience obtained when the road program in the county was commenced.

The county purchased the plant ten years ago from the Worwick company, which had completed a contract in Oregon City. While the original plant has been made over several times, the county now has a plant at Bell station estimated at a conservative figure to be worth \$15,000, and any costs incurred by the county have been saved many times.

The county will construct three miles of this type of road this year, a total of fifty-eight miles of this kind in the county. One feature that appeals to road makers is the ease with which these roads can be repaired or an additional coat can be laid. Thirty-four men are employed at the plant. J. W. Schulz is plant manager. Henry Henrich is in charge of the road construction.

**2000 Violations of
Vehicle Laws Are
Listed By Officers**

SALTEM, Aug. 4.—There were 2000 violations of the traffic laws reported by the 17 officers of the state traffic division during the first six months of 1922. Seven hundred fifty-three of the traffic law violators were arrested by the state officers and paid fines aggregating \$21,239.13, according to the semi-annual report made public yesterday by T. A. Rafferty, state traffic chief.

Multnomah county headed the list for violations with 659, while Washington county came second with 254. Polk was third with 171, Yamhill fourth with 168, Columbia fifth with 147, Jackson sixth with 92, and Marion seventh with 87.

Multnomah county courts, the report indicates, are more lenient with the offenders than are some of the other counties. With 659 offenders the Multnomah courts collected but \$4218.58, while Washington county, with but 254, received fines totaling \$3381.50. Columbia county, with 147 violations, assessed the offenders \$2,006.85, while Marion county, with but 87, made the motorists pungle up \$1,460.50.

It was for speeding, as usual, that the greatest number of arrests were made. Two hundred and ten motorists were taken into custody for this offense. Switching license plates brought 129 persons into the courts, while 90 were arrested for operating cars with improper lights. Reckless driving was charged to 21 and six were arrested for driving while intoxicated.

**FINAL PETITIONS IN FOR
UNION SCHOOL ELECTION**

Petitions have been filed in the office of County School Superintendent Brenton Vedder from a number of districts in the southern and southeastern part of the county, asking that a special election be held for the purpose of voting on the union high school question.

The petitions received by Mr. Vedder are from District No. 18, Mundorff; No. 20, Macksburg; No. 22, Oak Lawn; No. 38, Mark's Prairie; No. 63, Central Plains; No. 73, New Era; No. 81, Union Hall; No. 86, Canby; No. 91, Ninety-One; No. 97, Barlow; No. 110, Loney Elder.

The district boundary board, at its meeting on Thursday, held in the court house in Oregon City, ordered the special election. This will be held on Monday, August 21, from 7 p. m. to 9 p. m. Each district will have its voting places.

As it will be necessary to elect directors for the union high school district, if one is to be established, each district will be represented by a candidate. These will also be voted upon at the special election. Among those having sent in petitions bearing candidates' names are District No. 22, Oak Lawn, nominating W. H. Lexington; District No. 38, Mark's Prairie, J. Coleman Mark; District No. 81, Union Hall, P. A. Weber.

**DRIVER OF DEATH CAR
ADMITS LAW VIOLATION**

SEATTLE, Aug. 4.—Anthony E. Crane, Auburn bus driver, was to be grilled today by prosecuting Attorney Malcolm Douglas and Sheriff Matt Starvick on the wreck of his auto stage yesterday when it was struck by a Northern Pacific train at Kent. Quizzed by Deputy Sheriff George A. Bundy, Crane is said to have admitted that he did not stop at the crossing as required by law.

**COUNTY AGENT ISSUES
PLEA TO CONTROL PEST**

An appeal to all owners of cherry trees to protect them against the encroachments of small maggots or worms, complaint against which has come from all parts of the county, has been issued by Walter A. Holt, county agent.

"The cherry fruit maggot," explains the county agent, "occurs as a small, white maggot inside the ripe fruit. If the regular leaf arsenate sprays are applied for cherry slug control they will usually serve to check the maggot. However, the standard spray, as applied in the form of a poison bait for the adult fly is: sodium arsenate, one-half pound; syrup or molasses, two quarts; water, eight gallons. Three applications should be given: the first, when the adult flies appear. This will be about the time the Royal Annes show good color, or about June 20 to 25. A second application should follow ten days later, and a third one week after the second. Two applications will probably suffice if carefully timed and no showers of rain interfere. Rains will discount the effect of previous applications and necessitate a repetition of the spray.

"The spray should be applied at the rate of about one pint to the tree, applying the solution as fine droplets to the upper surface of the outer leaves. Seeding trees and adjacent foliage should receive the treatment, as well."

It is suggested that next Spring this matter be taken up with the county agent in Oregon City, who will supply the necessary information for control of this pest.

**FARM BUREAU PLANS TO
STOP BOVINE DISEASE**

The Clackamas County Farm Bureau has completed arrangements whereby all cattle in the county may be tested for tuberculosis by Federal testers. Buyers of dairy cattle everywhere are demanding that the animals be examined for tuberculosis, and the county that does not take advantage of the opportunity to clean up can be classed as a back number, according to County Agent W. A. Holt.

Under the plan worked out for Clackamas County there will be the very small charge of 15c (fifteen cents) per head for all animals examined, the fee to be paid at the time the test is made. Any animals that the tester finds to be tuberculous will be subject to slaughter or quarantine. They will be appraised by the examining veterinarian at values not to exceed \$50 for grades and \$100 for purebreds. The meat value of the animal is also taken into consideration. This means that the owner will be partly or wholly paid for any cat he may lose and at the same time remove the disease from among his healthy cattle and greatly reduce the danger to his family and others.

"This will be an excellent piece of work for the cattle owners of Clackamas county," says Mr. Holt, "and every effort should be made to effect a thorough cleanup, every dairy animal in the county should be tested."

Examinations will commence August 7th in the territory west of the Willamette River. There are approximately 10,000 head of dairy cattle in the county and the program will necessarily consume a large amount of time, but will be carried to a satisfactory conclusion.

The examining veterinarian will be under the direction of the Bureau of Animal Industry of the United States Department of Agriculture. Further details can be explained from the County Agent office at Oregon City.

**RICH WOMAN RECLUSE
IS MYSTERIOUSLY SHOT**

MILLERS PLACE, N. Y., Aug. 4.—The mysterious death by a bullet wound of Mrs. Mabel Nelson Trowbridge, a beautiful, wealthy recluse, last Sunday in her home near here, was revealed late today.

Separated from her husband, Francis B. Trowbridge, of a prominent and wealthy family of New Haven, Conn., for over a decade, the woman, it was said, had been living in fear of death and always barricading her doors against intruders.

While the report of Coroner Gibson of Port Jefferson, L. I., says that Mrs. Trowbridge "had shot and killed herself with a revolver while suffering from an attack of insanity," stories among the neighbors gave evidence of death by violence.

**Four Strikers Beat
Chicago Shopman to
Death; Riots Loom**

CHICAGO, Aug. 3.—Robert Johnson, Illinois Central employe, was beaten to death here today by four unidentified men.

Johnson was on his way to work when four men approached him. Persons driving by saw the men knock Johnson down and beat him. When police arrived Johnson was dead.

Johnson was employed in the Burnside shops and refused to go on strike, police said.

Widespread violence broke out today following the failure of President Harding's intervention to bring peace in the railroad shopmen's strike.

Fifteen strikers were under arrest in Jackson, Mich., following a riot at the Michigan Central shops.

Carl Spradley was killed and one other injured in an exchange of shots at Van Buren, Ark.

Strikebreakers were kidnaped in a raid on shops at Des Moines.

**New Restaurant to
Open in Oregon City**

The Paramount restaurant in the Hogg Brothers building at 8th and Main street, formerly occupied by the Style Shop, will be opened to the public this evening from 7:30 to 10:30 o'clock. The Oregon City band will play several selections at the new restaurant following the band concert at the court house lawn.

The Paramount restaurant is to be operated by Mrs. L. E. Pizer and son, W. H. Pizer. Walter Pizer, another son, will also be associated with the business.

The dining room, 65x30 feet, is newly furnished with linoleum on the floor, while the kitchen is 25 feet square. A large two-oven range, 1500-pound refrigerator work tables, are among the furnishings. A rest room for the help is at the side and at the rear is the big pantry and store room.

A lunch counter has been installed. Saturday morning the new restaurant will serve meals beginning at 10 o'clock.

**OREGON WHEAT CROP IS
SIXTY PER CENT SHORT**

THE DALLES, Aug. 5.—Following a survey of the wheat harvest all over Eastern Oregon, E. R. Jackman, extension specialist in farm crops at Oregon Agricultural college, declared Friday that the production will be only 60 per cent of normal.

In the United States 50 bushel section, Jackman said, the best being harvested this year is yielding 35 bushels an acre, and in Sherman and Morrow counties, where the production last year was 30 to 35 bushels, the yield this year is from 15 to 25 bushels.

In one of the strong Union county sections, Jackman added, this year from 10 to 12 bushels is being realized. Two-thirds of a normal crop in Wasco county was his estimate for this locality.

Hard federation wheat, the new spring grain being distributed from the government station at Moro, is doing exceptionally well, Jackman said.

**STREET CAR MEN END
SHORT CHICAGO STRIKE**

CHICAGO, Aug. 5.—Chicago's army of workers hopped jitneys or walked to work for the last time in the street-car strike today.

Monday morning at 4 o'clock service on both streetcars and elevated trains will be resumed, under a compromise settlement which provides for a 10-cent an hour wage reduction. The men retain the right to overtime after eight hours and all other working conditions.

The old wage scale was 75 cents an hour for the first three months, 78 cents for the next nine and 80 cents thereafter. The new wage scale will be 65, 68 and 70 cents an hour, which is 10 cents an hour more than the company's proposed cut in wages. Tomorrow there will be a referendum of traction employes to approve the settlement.

**Bank Head Missing;
Other Woman Said
Cause of Downfall**

TACOMA, Aug. 5.—Love for another woman was believed responsible for the downfall today of Spencer Conrow, assistant manager of the Bank of California, who is alleged to have absconded late Tuesday night after embezzling \$6000 of the bank's funds. Conrow deserted his wife, the "other woman" accompanied him, local police were unable to ascertain. Conrow was socially prominent and an amateur golfer of note.

Conrow's pecuniations covered a period of 90 days and were in petty sums, despite his \$500 monthly salary. Following his disappearance \$1500 in Liberty bonds and cash were found in Conrow's desk. The bank suffered no loss, being protected by a surety bond.

**Final Settlement
Of Coal Strike By
Monday, Expected**

PHILADELPHIA, Aug. 4.—The nationwide coal strike will be settled Monday, it was predicted today.

Operators and miners of the central competitive fields are to meet in Cleveland.

A majority of the central tonnage will be restored. Operators speaking for at least 65 per cent have accepted John L. Lewis' invitation to a peace parley. This was said at miners' headquarters to be a conservative estimate.

The Pittsburgh Vein Operators' association accepted, it was announced, adding considerably to high hopes for settlement.

Philadelphia, Aug. 4.—The nationwide coal strike will be settled Monday, it was predicted today.

**Do You Remember?
Stories of the Old Pioneers and
Yarns from Old Newspapers.**

Do you remember when the teachers used to "board around" among the patrons of the school?

Do you remember when the Indians used to come here from all sections of the northwest to catch and dry fish for winter use?

Remember anything about the old "Chinook canoes" that they had in those days? They were marvels of skill and it is said that the "liners" across the Atlantic are modeled after the old time Chinook canoes.

Do you remember when most of the old-timers used to keep hounds and no doubt some of your readers will remember having participated in many an exciting chase after deer, bear, or some other wild game.

Do you remember when you could leave home, without locking it, and all used to dip out of the spring?

Do you remember anything about the road to Molalla and to the Springs at that time? And yet they say we have no roads in Clackamas county.

Do you remember when you could feel that everything would be safe when you got back? Do you feel that way now?

Can you tell why this great change in the people? E. C. H.

Do you remember when Oregon City had only one school conducted in the old Seminary building and was in charge of the City Council? M. R. C.

Do you remember the time that W. A. Huntley held the lucky number 811 in a suit drawing contest, and the preceding week number 829 was held by James Mann? The drawing took place at the Holman & Warner store.

Do you remember the backwater flood in February, 1907, when a lake formed on Washington and Fourteenth and Fifteenth streets, covering the east side of John Gleason's fence and the residents of that vicinity tied their wooden plank walks to fence posts and telephone poles to keep from floating away and took up their carpets after carrying their furniture up stairs and had to travel in boats as far as Center street while the small boys enjoyed themselves sailing around on rafts? A. M. S.

Do you remember the 3rd, 4th and 5th of July, 1905, which Mayor Somner declared three legal holidays in Oregon City, and the paper and woolen mills were shut down, on account of a grand firemen's tournament being held here, the fire departments of St. Johns, Astoria, Ranier, Gresham, McMinnville, Hillsboro and this city participating? A. M. S.

THIRTY YEARS AGO

Taken from the Oregon City Enterprise, August 5, 1892.

THE TWO ALLENS

William Allen White of Emporia, Kansas, thinks he has a right to think about the railroad strike, to put his thoughts into words, and to place the words upon paper. He printed a placard sympathizing with the strikers, and the fight for "living wages and fair working conditions." His friend, Governor Allen, issued orders for his arrest. All governors are funny; the governor of Kansas is quite ridiculous. As a governor he would make a Pantages headliner.—Albany Democrat.

IT'S STILL TRUE

Einstein's relativity stuff leaves one good, old-fashioned truth as true as ever: and that is, that if you don't flatter across the railroad track until after the train has passed you won't get run over.—Portland Journal.

OLD STUFF

The man who makes two blades of grass grow where one grew before is considered a poor simp these days when one can buy a ladies' suit for \$15 and sell it for \$45.—Medford Clarion.

HORSE SENSE

The reason there were fewer wrecks in the old horse-and-buggy days was because the driver didn't depend entirely on his own intelligence. There was a little horse sense mixed in.—Salem Statesman.

LADY NICOTINE

We are not in favor of a new law prohibiting cigarette smoking; there is entirely too much of it being done now.—Sherman County Observer.

NEITHER!

Still the chap who said skirts were coming down, hit it about as well as the chap who said prices were.—Medford Mail-Tribune.

SOFT SOAP

"Three thousand cases of soap shipped to Russia." Shaving soap?—Portland Journal.

**Heavy Rain Storm
Does Big Damage to
Baker Fruit Crops**

BAKER, Aug. 5.—A heavy hail and rainstorm, accompanied by lightning, visited Baker and south of here last night about 8 o'clock, causing considerable damage to gardens and fruit on trees. In the vicinity of the county poor farm in Powder valley the storm was especially severe, grain and hay in some fields being reported completely destroyed. Some of the hailstones were an inch in diameter.

LEGAL NOTICES

NOTICE TO CREDITORS
Notice is hereby given that the undersigned has been duly appointed administrator of the estate of Sarah J. Larson, deceased, and any and all persons having claims against the said estate are hereby required to present said claims, duly verified as by law required, at the office of my attorney, Gordon E. Hayes, Oregon City, Oregon, within six months from the date of this notice.

Dated July 13th, 1922.
CHARLES W. LARSON,
Administrator of the estate of Sarah J. Larson, deceased.

NOTICE TO CREDITORS

Notice is hereby given that the County Court of the State of Oregon, for the County of Clackamas, has appointed the undersigned, administrator of the Estate of B. Maffei, deceased. All persons having claims against the said decedent, or his estate, are hereby given notice that they shall present them to the undersigned administrator at the office of Gilbert L. Hedges, Bank of Commerce Building, Oregon City, Oregon, within six months from the date of this notice, with proper vouchers duly verified.

SAM MAFFEI,
Administrator of the Estate of B. Maffei, deceased.

GILBERT L. HEDGES, Attorney.
Date of first publication, August 4th, 1922.

Date of last publication, September 1st, 1922.

SUMMONS

In the Circuit Court of the State of Oregon for Clackamas County.
Mary A. Smith, Plaintiff,
vs.
H. Q. Smith, Defendant.

To H. Q. Smith the above named defendant,
In the Name of the State of Oregon; You are hereby required to appear and answer the complaint filed against you in the above entitled suit on or before the expiration six weeks from the date of the first publication of this summons, which date of expiration is fixed by order of the above entitled Court as September 8th, 1922; if you so fail to appear and answer plaintiff will apply to the Court for the relief prayed for in her complaint.

This summons is published by order of Geo. R. Bagley, Judge of the above entitled Court, on the 25th day of August, 1922.
The order is dated July 25, 1922.
Date of first publication July 28, 1922.

Date of last publication September 8, 1922.
JOHN P. HANNON,
Address, 311 Consolidated Securities Building, Portland, Oregon, Attorney for Plaintiff.

SUMMONS

In the Circuit Court of the State of Oregon for the County of Clackamas.
Mable L. Cox, Plaintiff,
vs.
Harvey E. Cox, Defendant.

To Harvey E. Cox, defendant:
In the Name of the State of Oregon, you are hereby notified and required to appear and answer the complaint of plaintiff in the above entitled Court on or before Saturday, the 8th day of September, 1922, and if you do not so appear and answer, the plaintiff will apply to the Court for the relief prayed for in the complaint, to-wit:

For a decree dissolving the marriage contract heretofore and now existing between plaintiff and defendant; that she have the care, custody and control of the minor child of plaintiff and defendant, and that she have such other and further relief as to the Court shall seem equitable in the premises.

This summons is published by order of the Honorable J. U. Campbell, Judge of the Circuit Court for the Fifth Judicial District of Oregon, which order was made July 24th, 1922, directing that the summons be published once a week for six consecutive weeks, the date of first publication, July 28th, 1922, and the date of last publication, September 8th, 1922.

JOS. E. HEDGES,
Attorney for Plaintiff, Bank of Commerce Bldg., Oregon City, Ore.

SUMMONS

In the Circuit Court of the State of Oregon for Clackamas County.
Winnifred M. Brown, Plaintiff,
vs.
Charles R. Brown, Defendant.

To Charles R. Brown, the defendant above named:
In the Name of the State of Oregon, you are hereby required to appear and answer the complaint filed against you in the above entitled suit on or before the expiration six weeks from the date of the first publication of this summons, which date of expiration is fixed by order of the above entitled Court as August 11th, 1922; if you so fail to appear and answer plaintiff will apply to the Court for the relief prayed for in her complaint, to-wit: a decree of divorce and the right to resume the use of her maiden name.

This summons is published by order of J. U. Campbell, Judge of the above entitled Court.
The order is dated July 7, 1922.
Date of first publication July 14th, 1922.

Date of last publication August 11th, 1922.

SHERIFF'S SALE

In the Circuit Court of the State of Oregon, for the County of Clackamas.
D. C. Latourette, Plaintiff,
vs.
M. M. Chase and E. C. Chase, Defendants.

State of Oregon, County of Clackamas, ss.
By virtue of a judgment order, decree and an execution, duly issued out of and under the seal of the above entitled court, in the above entitled cause, to me duly directed and dated the 11th day of July, 1922, upon a judgment rendered and entered in said court on the 5th day of June, 1922, in favor of D. C. Latourette, Plaintiff, and against M. M. Chase and E. C. Chase, Defendants, for the sum of \$1179.87, with interest thereon at the rate of 8 per cent per annum from the 5th day of June, 1922, and the further sum of \$100.00, as attorney's fee, and the further sum of \$23.00 costs and disbursements, and the costs of and upon this writ, commanding me to make sale of the following described real property, situate in the county of Clackamas, state of Oregon, to-wit:

Beginning at the Southwest quarter of the Southwest quarter of Section nine, Township two, South, Range three East of the Willamette Meridian, and running thence North 25 rods and 3/4 feet thence West 41 rods 3/4 feet—thence South 17 rods 3/4 feet—thence East 1 rod 3/4 feet—thence South 8 rods, thence East 40 rods to place of beginning, containing 6 1/2 acres of land more or less.
