TWENTY-TWO CITED FOR GOVERNMENT THEFTS

Lengthy Series of Pilfering War Stock Supplies Held Against Federal Employees.

NEW YORK, Dec. 20.—Twenty-two civilian employees of the Brooklyn naval base were arrested by department of justice agents today in connection with grand jury indictments charging more than \$1,000,000 worth of goods have been stolen from the base since the war.

Twenty-three men were named in the indictments. The arrests were made under supervision of William J. Burns, chief of the department at Washington.

Goods stolen from the naval base included clothing, oil and other materials, according to the federal agents. The 22 men are to be arraigned late today before Federal Judge Garity.

Arrest of the 23rd man indicted was declared to be expected soon, federal authorities also announcing that additional indictments and arrests are planned.

The arrests today were said by police who worked with the federal officers, to be only the beginning of the exposure of a huge conspiracy to defraud the government extending over the last three years.

Ninety more arrests are expected, it was disclosed.

Clerks, chauffeurs, laborers and others were among those arrested today. As they came to work they were lined up by guards and herded into trucks and taken to the federal building.

The federal agents said the thefts were worked through "doctored" requisitions. For instance, when an invoice was presented for shipment of 400 pieces of any article the number was raised to 1400. The extra thousand were sold to outside contractors and concerns by the "fraud ring," it is alleged.

FATTY ARBUCKLE GRANTED PARDON BY WILL H. HAYS

Comedian, Banned from Films Almost Year Ago, Returns To Silversheet January 1; Movie Czar Changes Order.

ACTION IS PROMPTED BY CHRISTMAS SPIRIT

No Pictures to Be Put Upon Market Until Fall of Next Year; Roscoe Is Grateful.

LOS ANGELES, Dec. 20.—Roscoe "Fatty" Arbuckle today was given a Christmas "pardon" by Will H. Hays, movie mentor, who banished him from filmdom almost a year ago.

In announcing the "pardon," Hays declared that he believed the spirit of Christmas and of Christ's teachings would serve as a guide, both for Arbuckle in his future conduct and for the public in its attitude toward him.

No attempt will be made, however, to release Arbuckle's films for a number of months, and although the "fat man" may go back to work on the Hollywood "lots," none of his new pictures, if he makes any, will be released before the fall of 1923.

Hays gave out the statement on the eve of his departure to spend the holidays at his home at Sullivan, Ind. The statement said:

"Every man in the right way and at the proper time is entitled to his chance to make good. It is apparent that Roscoe Arbuckle's conduct since his trouble merits that chance. So far as I am concerned, there will be no suggestion that he should not have an opportunity to go to work in his profession. In our effort to develop a complete cooperation and confidence within the industry, I hope we can start the new year with no yesterday's. 'Live and let live' is not enough; we will try to live and help live."

"I believe Arbuckle has learned his lesson—and no one can demand more than that of a man who has made a mistake."

Effective January 1

"I will play the game square with Mr. Hays and with the public, if it is the last thing I ever do," declared Arbuckle when the news was carried to him.

Arbuckle was deeply moved by the pardon, and the Christmas spirit in which it was given.

The pardon takes effect January 1.
