

Bulletin No. 1

A Mistake in the Policy of the Bethlehem Steel Company

To the People:

The Senate of the United States has passed a bill to spend \$11,000,000 of the People's money to build a government armor plant. The measure is now before the House of Representatives.

It is said that manufacturers of armor have "gouged" the country in the past, and that a government plant is necessary to secure armor more cheaply.

The mistake of the Bethlehem Steel Company has been that it has kept quiet.

We have allowed irresponsible assertions to be made for so long without denial, that many people now believe them to be proven facts.

We shall make the mistake of silence no longer.

Henceforth we shall pursue a policy of publicity. Misinformation will not be permitted to go uncorrected.

It is and has been the policy of our Company to deal with the American Government fairly and squarely.

We shall henceforth place the details of our relations with the Government before the American People.

The United States has for twenty years obtained the highest grade of armor and has paid a lower price for it than has any other great naval power.

Figures officially compiled for the Senate Committee on Naval Affairs from the Naval Year Book show that under conditions prevailing just before the European war, the chief naval powers of the world were paying these prices for armor:

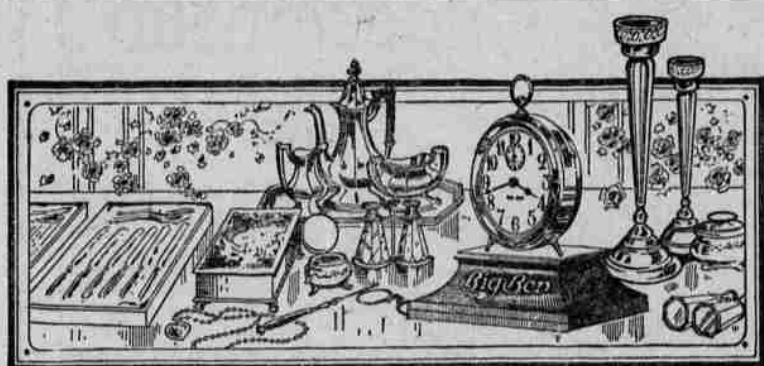

England, \$503 per ton; France, \$460; Germany, \$490; Japan, \$490; UNITED STATES, \$425.

A government plant cannot make armor any cheaper than we can do it; and—

We are prepared to manufacture armor at any price which the Government itself shall name as fair. THAT BEING SO, SHOULD \$11,000,000 OF THE PEOPLE'S MONEY BE WASTED TO BUILD A GOVERNMENT PLANT?

CHAS. M. SCHWAB, Chairman
EUGENE G. GRACE, President

Bethlehem Steel Company

Gifts for the Bride and the Graduate

Too much thought cannot be given to the careful selection of gifts for the bride or graduate.

Oftentimes a gift is judged by the name of the store it bears. Our reputation for high quality goods is a positive proof of the gift's worth.

If you make your selection here, you are not only assured that your gift will be appreciated, but you are certain that the style and quality are right.

This year's assortment of gifts is just a little bit larger and better selected than ever before.

When may we show you?

Burmeister & Andresen

Oregon City Jewelers

Suspension Bridge Corner

COUNTY AND CITY LOCALS

LOST—Child's Red Sweater.—Phone Pac. 335-J.

Mrs. Evan Williams and son, of Portland, are visiting the former's mother, Mrs. Fred Ely.

Miss Verle Trimble, accompanied by Mrs. Jack Davis, of Portland, visited the former's parents, Mr. and Mrs. J. M. Trimble, over the week-end. Miss Trimble will return to her studies in Portland after a 10-day visit with her parents.

John Dambach, of Reed college, was a week-end visitor at the home of his parents, Mr. and Mrs. Geo. Dambach.

Electrician Sergeant Jackson, from Fort Flagler, Wash., and family, are visiting his parents, Mr. and Mrs. E. W. Jackson of this city, and will leave June 4 for his station at Honolulu.

Mrs. Wm. Bunch and three children of Portland were week-end guests at the home of the former's sister, Mrs. Bert Morgan.

Mrs. Fred Bullard is very ill at her home on May street.

Miss Dora Jackson will leave soon for Morrow county, where she will take up her school work in the fall.

Thomas Davis, of Beaver Creek, was a Booster day visitor.

Mr. and Mrs. Fred Kamrath, of Beaver Creek, were Booster day visitors.

Mr. and Mrs. Wm. Swach have returned to Oregon City and are occupying their cottage at Eleventh and J. Q. Adams streets.

Mrs. R. Schoenborn, who has been visiting her daughter, Mrs. Nat. Smythe, at Seaside for the past two months, is at her home on Seventh and J. Q. Adams streets for a few days.

Mr. and Mrs. H. A. Heater, from Maple Lane, were in Oregon City on Booster day.

Mr. and Mrs. Arthur Scott, of Meadow Brook, are visiting Mr. and Mrs. H. H. Gregory of Seventh and Jackson streets.

Mr. and Mrs. Bert Morgan and family have taken up their residence at Sixth and Madison street.

George Swafford is building a fine residence at Ninth and Jackson street, which will be ready for occupancy in about 90 days.

William Stone spent the week-end with his brother, Claude Stone, at Dallas. A fishing trip on Polk county streams was one of the pleasant features of the visit.

Come out and have one of the best times you ever had—Excellent Music and fine entertainment

STORES CHANGE ABOUT

General Shifting of Main Street Stores Caused by Enlargement

Because the business of the Burmeister & Andresen jewelry store has outgrown its present location it will be necessary for seven stores in the Andresen building on Main street to change location so that the jewelers will have room for their increased business demands.

The Burmeister & Andresen stock will occupy the present location, in addition to the store room now occupied by the Jones' drug store. The latter will move into the room now occupied by the Portland Railway, Light & Power company offices and by Dr. Schilling. Raasch & Lamb will vacate the pool hall next to the entrance of the Andresen building and the P. R. L. & P. offices will move into that room. Raasch & Lamb will occupy a basement room, permission for which move has been granted by the city council. The occupants of the basement room are Greaves & McNeil and E. P. Elliott & Sons. The former will occupy offices in the Barclay building and the latter is seeking a new home.

Extensive changes in the floor plan of the building are necessary because of the moving and the firms that will change locations will each spend much money in fitting up their new rooms. The Burmeister & Andresen company will spend approximately \$5000 in arranging the large space it will acquire by the change.

TO HOUSE TEACHERS

Lumbermen Behind Move to Build Homes for Rural Teachers

A nation-wide social service scheme one affecting every village in the land, is being promulgated by the National Lumber Manufacturers association, of which many Oregon lumbermen are members. The principal of the plan is to cause the erection of home cottages for teachers in the rural schools of the United States, and Oregon will be one of the first states to undertake the plan.

The association has not as yet formulated its plans for pushing this new department of public service by actually assisting the schools of the nation to build homes for teachers, but work on this philanthropic enterprise is already under way and plans will be announced within a few weeks.

E. B. Hazen, F. C. Knapp and E. T. Allen, of Portland, all leaders in the National Lumber Manufacturers' association, are among the most ardent advocates of the project, and the success of the building of such structures in a few isolated portions of their home state has convinced them that it is a good social movement for the entire nation, as well as for Oregon.

The plan to spread the gospel of homes for school teachers over the land was first broached only a few weeks ago at a conference of the directors of the association. It proved instantly popular.

The national association has taken up this social service work in the belief that the education of the nation will be immensely advanced if the teachers of the nation's young are properly housed. The theory is that if teachers are provided with proper homes, the country districts will be able to secure better teachers, avoid the constant changes by which the schools are always in a torn-up condition.

MORE MONEY TAKEN

Maximum of Postal Savings is Doubled by Department

An amendment to the postal savings act of which Postmaster Cooke has recently been advised, makes it possible for the local postoffice to accept savings deposits up to \$1000. The former maximum was \$500. The governmental saving stations have proved very popular but the low maximum was troublesome to many depositors, who had to transfer all funds over the limit to the private banks.

Another feature of the new act, which is replacing the old restrictions in the local office, is the fact that a depositor can put as much in the bank at one time as he sees fit. Heretofore it has been against the rules of the department to accept more than \$100 during any month for deposits.

Band at Gladstone

Musicians at Gladstone have completed the organization of a brass band and twenty-two have enrolled as members. The first meeting of the new organization was held on Thursday evening and Ed. Raugh was elected president. Lyle Gault will be treasurer, Guy Smith, secretary and A. D. Paddock, manager. The organization plans to take part in the Rose Festival and in the chautauqua.

What Is Uric Acid?

THE CAUSE OF BACKACHE, RHEUMATISM, GRAVEL AND SUDDEN DEATH.

Ever since the discovery of uric acid in the blood by Scheele, in 1775, and the fact it had upon the body, scientists and physicians have striven to rid the tissues and the blood of this poison. Because of its overabundance in the system it causes backache, pains here and there, rheumatism, gout, gravel, neuralgia and sciatica. It was Dr. Pierce who discovered a new agent, called "Auric," which will throw out and completely eradicate this uric acid from the system.

"Auric" has proved to be 37 times more potent than lithia, and consequently you need no longer fear muscular or articular rheumatism or gout, or many other diseases which are dependent on an accumulation of uric acid within the body. Send to Dr. Pierce, of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., for a pamphlet on "Auric," or send 10 cents for a trial package of "Auric Tablets."

If you feel that tired, worn-out feeling, backache, neuralgia, or if your sleep is disturbed by too frequent urination, go to your best drug store and ask for Dr. Pierce's Auric Tablets. They are put up in 50-cent packages. Doctor Pierce's reputation is back of this medicine and you know that his "Golden Medical Discovery" for the blood and his "Favorite Prescription" for the life of women have had a splendid reputation for the past fifty years.

Doctor Pierce's Pellets are unequalled as a Liver Pill. One tiny Sugar-coated Pellet a Day. Cure Sick Headache, Bilious Headache, Dizziness, Constipation, Indigestion, Biliary Attacks, and all derangements of the Liver, Stomach and Bowels.

Big Type Poland Chinas

The farmers' greatest utility hog; quick growers, big litters, more pork on less feed. Best imported stock, all sizes. GEO. W. BUCK, Importer and Breeder, Oregon City, Rt. 1.

NOT ENOUGH CHILDREN

ever receive the proper balance of food to sufficiently nourish both body and brain during the growing period when nature's demands are greater than in mature life. This is shown in so many pale faces, lean bodies, frequent colds, and lack of ambition.

For all such children we say with unmistakable earnestness: They need Scott's Emulsion, and need it now. It possesses in concentrated form the very food elements to enrich their blood. It changes weakness to strength; it makes them sturdy and strong. No alcohol. Scott & Bowne, Bloomfield, N. J.

next month. With these things in view the members are putting in as much time as possible in perfecting their work. Most of the players are experienced musicians.

Gladstone C. E. Entertainers

The Christian Endeavor society of Gladstone was host at an entertainment at that place on last Friday

evening in honor of the Oregon City Christian Endeavor union. An interesting program was held at the Gladstone Christian church and a number of prominent C. E. workers addressed the large gathering. Among the speakers were Evert Baker and Clarence Sprague of Portland.

\$50 Reward

This association offers a reward of fifty dollars for the capture and conviction of any one person stealing poultry from a member of this Association. If more than one person is concerned in the stealing, an additional reward of ten dollars shall be paid for each conviction after the first.
