TEAM GOES TO BEND

Local Eleven Meets Star Aggregation from Eastern Oregon

The football team of the Oregon City Athletic association will play the star aggregation of Bend, Crook county on Sunday, December 17, and will leave here the Saturday night before. The team will play the Columbia Park eleven here this Sunday and next week will be devoted to strenuous practice for the game east of the mountains.

The Bend team, which has invited the Oregon City boys to contest, with all expenses paid, is rated high by sporting writers. It is an eleven of husky men, whose knowledge of football is tempered by brawn that has upset the hopes of several good teams east of the mountains. The reputation of the opponents for Sunday's game has caused Coach "Red" Rupert to put in several extra hours of practice with his men, and he believes

GAME PROTESTED

Coach Says Opponent Welcome to Empty Honor of Forfeited Game

Complications entered into the sport of the football game between the Oregon City and James John high schools at Canemah field Thursday, when the local team discovered that it had taken the field with only 10 players. The 11th player was provided in the person of Ernest Mass, Jr., a member of the Oregon City Athletic association team, and he played most of the game for the local team. Oregon City boys say that Mass went into the lineup with the knowledge of the James John boys, but he was protested after the game had been won by Oregon City by a score of 14 to 0.
