

Talking machines have advanced in price.

The NEW EDISON

"The Phonograph with a Soul"

is not a "talking machine"

This wonderful instrument is made in the Edison Laboratories in accordance with specifications established by Mr. Edison personally.

Although the New Edison sells at a somewhat higher price than talking machines, it is manufactured and sold at a smaller percentage of profit. Furthermore, owing to the superlatively fine materials used in the manufacture of the New Edison, the Edison Laboratories have felt the increasing cost of materials more acutely than any of the talking machine manufacturers. Nevertheless, although the talking machine people have quite generally raised their prices, the Edison Laboratories have stood steadfast in the maintenance of their long-established prices.

They now find, however, that it is imperative for them to increase their prices, but it is quite characteristic of Mr. Edison that, instead of making the increase immediately, the Edison Laboratories give the public ample warning. The increased prices will not become effective until January 1, 1918. Meanwhile the New Edison, "the phonograph with a soul," will be sold at the old price. As you probably know, there is now a Government tax on phonographs and records. The Edison Laboratories are absorbing a part of this tax, and only a portion of it is being passed on to the consumer. There is no increase on Edison Re-Creations.

You will want to buy your New Edison prior to January first. Owing to the uncertainties of transportation, it is difficult for us to maintain a complete stock. It will therefore be well for you to make your selection now.

"JINX" RIOT OF FUN

Elks See "Three Star" McGregor from Highlands of Parkplace

The great "Three Star" McGregor, hero of the Highlands, was the big amusement feature at the Elks' annual Halloween jinx in the lodge rooms Friday evening. But "Three Star" was a surprise in more ways than one, for he appeared in the person of William Lillie, well-known resident of Parkplace. Mr. Lillie gave several selections from Harry Lauder's repertoire. Amateur talent from Portland, including a negro musician who filled the part of the Hawaiian dancing numbers, made the program for the evening complete. In spite of the negro's attempt at Hawaiian dancing, the program contained several sterling numbers. A Hooverized banquet was served after the program and the only foods that were not consumed were "hot dogs" and war bread, coffee and cider. The committee in charge, including Thomas A. Burke, Harry Draper, Charles

DIVORCE MILL GRINDS OUT FAVORABLE GRIST

The divorce mill in Judge Campbell's court this week has received several new cases and turned a number of couples out all nicely single again after careers in matrimony.

Elizabeth Schwartz, married to Conrad Schwartz, at Vancouver, Wash., on April 11, 1917, charges her husband with cruelty, non-support and desertion within four months after the wedding, in a complaint filed Friday. The husband left their home on July 17 last, she says.

Mrs. Schwartz asks for the restoration of her maiden name, Elizabeth Helzer. Desertion and non-support are the charges brought against Albert B. Marlow in a complaint filed Saturday by Mae Marlow. The couple was married at St. Joseph, Mo., on July 3, 1904, and it is alleged that Mr. Marlow deserted his wife on April 9, 1913. She asks for \$30 a month alimony.

By default of Alvina Fike, her husband, Jay V. Fike, who is well-known as a teacher in the Wichita school, Friday secured a decree in Judge Campbell's court. Mrs. Fike, by the terms of the order signed by the judge, is to retain the custody of a minor child, for the support of which the father will contribute \$20 a month in addition to \$20 a month as alimony. The financial support for the child is to stop when it is of age or has married and Mrs. Fike will lose her alimony when she remarries.

Three decrees were signed Saturday by Judge Campbell. Those separated are Etta and Herbert H. Hayden, whose maiden name, Etta Verville, was restored; Nellie and Robert E. Lawler, Lawler getting custody of a child, property interests and \$25 alimony and Lydia H. and Harold L. Gordon. Mrs. Gordon was given custody of Jean Lucile Gordon, a minor daughter.

THAT DULL ACHING

Don't worry and complain about a bad back. Get rid of it! For weak kidneys and aching backs, your neighbors recommend Doan's Kidney Pills. Read this statement: J. F. Montgomery, West Linn, says: "I had been troubled for some time by kidney and bladder annoyances and a dull ache in my back across my kidneys. I used one box of Doan's Kidney Pills, which I bought at Huntley Bros. Co.'s Drug Store, and the pains soon left me. The kidney and bladder troubles were relieved too. (Statement given April 4, 1913.)"

On April 18, 1916, Mr. Montgomery said: "I am still strong for Doan's Kidney Pills and whenever I can I recommend them to my friends. They never fail to do me good when I have occasion to take a kidney medicine."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Montgomery has twice publicly recommended. Foster-Milburne Co., Mfrs., Buffalo, N. Y.

MISS FORD ENGAGED

Popular Musician and Gladstone Soldier Surprise Many Friends

At a prettily appointed reception last Thursday afternoon, in honor of Mrs. Charles Leonard of Seattle, the engagement of Miss Sadie Evelyn Ford, daughter of Dr. T. B. Ford and Garland E. Hollowell of Gladstone was announced. Miss Ford, talented musician and popular in Oregon City and at Salem, her former home, was the center of attraction in the beautifully decorated Ford home and during the day scores of friends came in to pay their compliments. Miss Ford and her sister, Mrs. Harold Swafford, were hostesses. The engagement was announced on tiny American flags bearing the names of the hostess and her fiancé.

Miss Ford is well known in musical circles and at one time was an instructor at the University of Oregon school of music. Her father, Dr. T. B. Ford, was formerly pastor of the local M. E. church. Garland E. Hollowell is a member of the national army and is stationed at American Lake, Wash. He is a son of J. M. Hollowell of Gladstone and was graduated from the O. A. C. at Corvallis. He is well known for his singing. The wedding date has not been set.

FUND PAST DUE

Red Cross Committee Needs Money from Campaign Pledges

In the Red Cross campaign in June, Clackamas county subscribed to the Red Cross war fund \$15,232.77. This was a fine tribute and indication of patriotism. The acid test, however, is what we actually do and it appears that there are a number of unpaid subscriptions to this fund which were supposed to have been paid on or before October 1.

This state campaign chairman, Henry L. Corbett of Portland, says the national office in Washington is "pounding me on the back every week for more funds and I am becoming embarrassed because so much money is still uncollected out in the counties." All pledges which were due on or before October 1 should be paid at this time to the county treasurer.

REDLAND RED CROSS

Dr. Mount Speaks at Social in the Bethel School House

The members of the Red Cross auxiliary of Redland gave an entertainment at the Bethel church Saturday evening and the proceeds were given to the Red Cross society for the relief of soldiers in France. The members of the Red Cross society of that section worked diligently preparing for their entertainment. Boxes containing lunches for two were sold by weight. There was a cafeteria lunch also.

The early part of the evening was devoted to a musical and literary program, and a home talent play was a surprise feature of the program. Dr. H. S. Mount, chairman of the local auxiliary, was the speaker.

A program committee was composed of Mrs. Casswell, Mrs. W. H. Bonney, Mrs. A. I. Hughes, Rev. Rugg, Miss Clara Funk. The entertainment committee was Mrs. Belle Funk, Mrs. Annie Fullam, Mrs. George Heinbotham, Mrs. Albert Altman and Mrs. W. H. Brown.

TO RE-EDUCATE MEN

War's Victims Are to be Trained in New Lines by State "U"

The re-education of men crippled in the war is a problem which the University of Oregon is anticipating and one for which preparation is already being made. A committee comprising representatives of the departments of psychology and education has been appointed to make a careful study of the most practical methods of re-education and to make recommendations for the establishment of such courses as they deem advisable.

The special problem of this committee is to devise means of educating for new pursuits men who have been crippled in such a way as to make their former occupation impossible.
