CHAIRMAN STREIB CALLS MEETING FOR VICTORY LOAN DRIVE

Philip Streib, who has been chairman of the local committee in the four Liberty Loans in which Milwaukee has been among the first communities to go over the top, will have charge of the Victory Loan Drive. Mr. Streib has sent the following letter to each of his co-workers, on the executive board:

Dear Sir:

I have called a meeting of the Executive Board of the Victory Loan Drive for Friday, April 18th, 8 o'clock p. m. at which meeting we wish to form our organization into a working plan to make the Loan a speedy success.

"The Victory Loan is a challenge to the patriotism of every American. It is something more. It is a test of the willingness of the individual to sacrifice in greater or less degree for the satisfaction of 'finishing the job'—the war job. We the executive board of the local district are expected to make the local drive a success.

I urge upon you to be present at the meeting so that you may be prepared to do your full duty, so that your community will not go down in history as having failed in their patriotic duty.

Respectfully,

PHILIP STREIB,

Chairman of Local Victory Loan Drive.

The members of the executive board are Philip Streib, chairman; John F. Risley, C. G. Millard, Carl Johnson, John Wise, R. Y. Appleby, S. L. Mullin, C. E. Battin.

LOCALS.

Palm Sunday was fittingly observed at the Catholic church where a large congregation attended the services. Easter Sunday there will be an impressive service.

Several of the young people from Milwaukee attended the benefit dance given by the Oregon Field Artillery auxiliary to Batteries A and B at the Moose hall, Portland, Friday evening. They report a good time.

Walter Koenig of Paisley, Oregon, visited at the home of his aunt, Mrs. Dora Quont. Mr. Koenig has been in the aviation branch of the service and served under Major Roosevelt, who was killed in action. Mrs. John Broetje another aunt gave a party and dinner Sunday in honor of the young soldier and his chum at her home at Courtney station. Mr. Koenig left Tuesday for his home.

Mr. and Mrs. L. W. Warren, of Portland, visited their daughter, Mrs. Toates Tuesday.

Mrs. Sarah Ming has friends from Ohio visiting with her this week.

Mrs. Jones has her parents, Mr. and Mrs. Baxter visiting with her. They spent the winter in California.

H. G. Starkweather, T. R. A. Sellwood, Mr. and Mrs. W. A. Sellwood and Mrs. Johnson went to Springfield last Wednesday to attend the Pomona Grange meeting at that place. They report a good meeting with a large attendance.

A resolution favoring the mill market road bond was passed. Mrs. Johnson was elected delegate to the state grange which meets at Hillsboro in May.

Mr. and Mrs. Van Ham have moved to Sellwood where they purchased a home on 15th and Leo streets.

The Oak Grove and Milwaukee So-

cial Service club held a delightful meeting last Thursday afternoon when a good program was given.

H. G. Starkweather was in Milwaukee on business Wednesday.

The state historian is gathering all the data possible regarding the soldier boys. County School Superintendent, J. E. Calavan, has taken up the record of Milwaukee boys, with Mr. Barker and Mrs. Johnson and they will be very glad to get the data of each man in service. Friends or relatives are urged to call or write Mr. Barker or Mrs. Johnson any data they may have.

SALEM, April 16.—Governor Olcott's right to resign as secretary of state and name his successor to that office rests with the Oregon supreme court for final decision, following arguments presented to the court, sitting en banc today by Attorney-General Brown, representing the governor, and Joseph G. Richardson, deputy state treasurer, representing

State Treasurer Hoff, who was named as defendant in a friendly suit instituted by the governor for the purpose of having this legal question definitely determined by the state's highest tribunal.

In his presentation of the case Attorney-General Brown pointed out the provisions of the state constitution which state that upon the death or resignation of the governor, the office devolves upon the secretary of state.

WASHINGTON, April 11.—Wage advances aggregating \$65,000,000 were ordered today by Director General Hines for 400,000 railroad engineers, firemen, trainmen and conductors in both passenger and freight service—members of the big four railway brotherhoods—retroactive since January 1, 1919. The brotherhood demand for time and a half pay for overtime was granted only for men engaged in yard service and for the others this question was referred to the railroad administrator's board of adjustment.

The average advance in pay per man per year will be about \$150.

SMALL PERCENTAGE OF RETURNED TROOPS RETURN TO OLD JOBS

WASHINGTON, April 16.—Out of 703 returning soldiers and sailors interviewed at random in New York City last week, only about 10 per cent. had gone back to their former jobs. The inquiry was made by representatives of the emergency employment committee headed by Colonel Arthur Woods.

Of the men interviewed 162 were passing through New York on their way home, 107 were on passes from nearby camps, 74 stated that they had obtained their former positions, 27 that they could have their former places but wanted something better, 41 had obtained new positions, 37 had been unsuccessful in obtaining any kind of employment, 54 had made no effort to secure work, 54 had positions but were taking a vacation before taking them.
