CANBY AND SOUTHERN CLACKAMAS

ANNIVERSARY IS CELEBRATED BY WILLIAM KNIGHT

William Knight, one of the best known residents of Clackamas county, and an early pioneer, celebrated his 80th birthday anniversary at his home in Canby Thursday evening. The affair was in the form of a family reunion, planned by the members of the Knight family and was a complete surprise to Mr. Knight. Although there have been many family reunions held at the old home of Mr. Knight, where he has resided for over 40 years, this was one of the most enjoyable affairs ever held there. The rooms of the home were artistically decorated with purple and white lilacs and many other spring flowers that are growing in abundance on the old place.

The evening was spent in games and Mr. and Knight and his only brother now living, John Knight, of Portland, related a number of interesting reminiscences of Canby, when it was but a wilderness. Delicious refreshments were served during the evening.

During the evening gifts, letters and telegrams of congratulations found their way to the home of Mr. and Mrs. Knight. Among these were messages from Mr. and Mrs. Albert Knight of Portland, who were unable to attend, and also from D. C. Herren, grand master of the A. O. U. W. lodge, Mr. Knight being a member of the Oregon City order for many years and later organized the lodge at Canby. Mr. and Mrs. Albert Knight's telegram was as follows:

"Dear Uncle Will:

"Today is the four-score mile-stone in your life, and in public life you have been honored, trusted and have been successful, and in private life life you have been loved by all. Your life has been so free from corruption that it has been a true inspiration to all who know you, and great credit to the name of Knight.

"We wish you continued good health, peace and happiness."

The telegram received by Mr Knight from Mr. Herren, was as follows:

"Today you have reached another mile-stone in life's journey, and with the though that post morten flowers cast no fragrance on the desert air, I wish now to offer to you my congratulations and best wishes while you are here to enjoy them, and I hope that your days will be brightened by the memory of the kindly deeds you have rendered to your fellowmen as you have met here by the wayside through life's journey."

These messages were read to those in attendance at the party, and were among the pleasing events of the evening. The messages received by the pioneer are highly prized.

William Knight was born in Pine Creek, Alleghany county, April 17, 1839, and was the son of the late Joseph and Sarah Knight. He came across the plains by ox team in 1863 with his father and settled first at Willapa, Wash. He remained there for two years, and then went to Butteville, Marion county. After residing there for three years he moved to what is now Canby. At that time there were but three little houses at Canby, while the remainder was nothing but a forest. This was in 1869, and Mr. Knight took up a preemption claim of 145 acres, the old home now located on a part of this claim.

In 1875 Mr. Knight married Miss Martha Elizabeth Birtchet of Marquam. To this union the following children were born: Mrs. Bertha E. Lee of Canby, Miss Josie Knight of Canby, Arthur Knight of Portland, Mrs. Martha Veva Bradtl of Aurora, Mrs. May Vesta Clark of Molalla, all of whom were present at the reunion, as were also the following grandchildren: Martha Frances Bradtl, Arthur Malcolm Clark and Miss Lorraine Lee. Mrs. Mary Birtchem, a sister, residing at Cottage Grove, was unable to attend. John and William Knight are sons by the first marriage of their father, and Mrs. Barchem is by the second marriage. There were ten children of the first marriage of Joseph and Sarah Knight, and five of the second marriage of Joseph Knight. Only three of the children remain out of 15.

William Knight has the distinction so far as known, of holding the office of school clerk longer than any man in the world, having held that position at Canby for 49 years, and is still in office. When not holding the position as clerk of School District No. 86, he was director for a number of years. Mr. Knight was elected sheriff of Clackamas county in 1884, and served two terms, much to the satisfaction of the people of the county. After the expiration of his second term he returned to his former home at Canby. He has been justice of the peace for many years, and still holds the position.

Among those attending the anniversary were Mrs. Adam Knight, Sr., mother of Postmaster Adam Knight of Canby, who is 82 years of age, Mr. and Mrs. Roy Knight, Mr. and Mrs. S. T. Fisher, Mr. and Mrs. W. H. Bair, Miss Anna Knight of Canby, Mr. and Mrs. John Knight of Portland, Miss Anna K. Knight of Portland, Miss Catherine Berkholder of Aurora, Mr and Mrs. Adam Knight, Jr., Mr. and Mrs. M. J. Lee and Miss Lorraine Lee of Canby, Mr. and Mrs. D. G. Clark of Molalla, Mike Joyce, Mr and Mrs. John Eid of Canby, Mr. and Mrs. Edward Bradtl and daughter, Frances Bradtl of Aurora, Mr. and Mrs. H. WHITE WILL ERECT BUILDING

Grant White, one of the well known automobile dealers, has had the building on the north side of his garage removed, and is planning to erect a modern garage of tile. The location has not yet been decided upon, this depending upon the location of the new highway. Mr. White and several others, including Dr. H. A. Dedman, W. H. Bair, Mr. Robinson, made the trip to Portland a few days ago going before the highway commission regarding the location of the highway. Little satisfaction was secured by these men regarding the location, but they are in hopes that it will be close to the business section of the city, and if so would require very little grading and could be completed in less time than going in a round about manner as some have suggested.

The building Mr. White expects to erect will be 50x100 feet.

The Last Great Hunch

The guarantee by the banking districts of Oregon City and Wilsonville that the quota for the Victory Loan will be subscribed in these two districts does not mean that the public is absolved from buying bonds. Not at all. It means simply that the Wilsonville and Oregon City districts are now pledged to reach their respective quotas when the opening day comes, and it follows that the several banks of the county will have the machinery ready for the reception of subscriptions up to the quotas assigned.

"England expects every man to do his duty," said the famous Admiral Nelson. America expects every citizen to do his or her duty in subscribing for the Victory Bonds, commemorating the victory so dearly bought with the blood of fifty thousand of the young men of this country.

As an investment feature these securities rank first. The bonds are dated May 20, 1919, and run four years. They are in two classes, 4¾ per cent notes, exempt from all state and local taxes except estate and inheritance taxes and normal federal income taxes, and 3¾ per cent notes, exempt from all federal, state and local taxes, except estate and inheritance taxes. At any time during the life of these two classes of these Victory Notes, each is convertible for the other.

The Victory Bond campaign opens formally next Monday and closes May 10. Clackamas county in former Liberty Bond drives, has won for herself a star in Oregon's banner, and The Enterprise predicts that every patriotic citizen will be eager to become possessor of a Victory Bond. Installment payments are provided as follows: 10 per cent with application; 10 per cent July 15, 20 per cent August 12, 20 per cent September 9, 20 per cent October 7, and 20 per cent November 11.

So be ready Monday. Let every man and woman rally to the financial support of our government in the last big drive that marks the termination of the war in which we licked the Hun. Our boys from Clackamas offered their lives. We are asked only to lend our dollars.

Mr. and Mrs. Badger Dispose of Farm and Plan Eastern Trip

R. L. Badger

Mother" Badger

Mr. and Mrs. R. L. Badger, prominent residents of Clackamas county, who have resided for the past eleven years at Beaver Creek, a few miles from Oregon City, and who are known to hundreds of soldier and sailor boys as "Father and Mother Badger" have sold their farm, the deal having been closed Thursday afternoon. The purchaser is Henry Campbell of Portland. The farm consists of 50 acres, half of this being under cultivation, and is one of the best little dairy farms in the county.

All farming machinery, horses and one of the favorite Jersey cows, "Brinelda," which is a registered animal, goes with the farm. Mr. and Mrs. Badger, who have been conducting a dairy since taking up their residence in that part of the county, have 23 head of registered Jerseys and are to hold a sale at the farm May 7. At that time Dr. L. G. Ice of this city, who also owns a number of registered Jerseys at his farm in the Beaver Creek valley, and also A. D. Gribble, a Jersey breeder in the southern part of the county, are to have registered cattle on sale. This promises to be one of the largest dairy herd sales ever held in Clackamas county.

Mr. and Mrs. Badger came to Clackamas county eleven years ago, from Weiser, Idaho, and before taking up their residence at that place, they were residents of Iowa. They have always taken an active interest in the welfare of the county and state since coming to Clackamas county. At every county and state fair and livestock shows Mr. Badger has shown some of his prize stock. Besides being in the dairying business he has also carried on, as a side issue, the swine industy. Some of the best herds of O. I. C. swine have been raised by him and have always won prizes wherever shown. Even in Portland at the livestock shows, where competition has been strong. Mr. Badger's swine have always come out of the show ring with flying colors.

In patriotic affairs they have always taken an active interest also, and have been among the first to respond to the country's call in the selling of bonds, stamps, and have assisted all patriotic organizations. Mrs. Badger has been among those at the head of the Red Cross of Beaver Creek, and has also assisted the local branch. She is a writer of note, and recently had published a booklet of poems of her own composition entitled "Happy Homeland Echoes." The proceeds from this booklet went towards the Red Cross.

Many a package of delicacies has gone from the Badger home to the hospitals, where were confined sick soldiers and sailors, and these delicacies have made many a sick lad happy. Even gifts have been sent to the boys overseas, many of the boys being strangers to the big-hearted couple. By this patriotic work they have won their name of Father and Mother Badger. They have made hundreds of friends in Clackamas county, and no one is held in higher esteem in the community.

Mr. and Mrs. Badger, after disposing of their stock, will leave for a visit East with relatives and friends. They expect to visit their old home in Idaho, and will also visit in Missouri. They will take with them one of their family pets, "Gyp," a dog they have had for eleven years, and who accompanied them overland to Clackamas county, from Idaho.
