BANDON BOY HELD TO GRAND JURY IN GIRL MURDER CASE

MARSHFIELD, Aug. 5.—Harold Howell, aged 15 years, after a preliminary hearing before County Judge C. R. Wade at Coquille, Monday, was bound over to await the action of the grand jury on a charge of being responsible for the death of Lillian Eenthold, 15-year-old Bandon girl, whose body was found a week ago, where she had been shot and killed.

Carroll Waden, aged 18 years, who had been hunting with the Howell boy the Sunday afternoon on which the girl was killed, and who was arrested, was released. The charges against him were dismissed before he was given a hearing, as the only reason he was arrested was because he had been with the Howell boy on that day.

District Attorney John F. Hall conducted the prosecution and Attorney C. F. McKnight appeared for the defense. The latter did not present any testimony.

"Where will Mrs. Dobs go now that both her daughters are married? To her son-in-law's house in Birmingham, or to that of her son-in-law in Leeds?"

"One wants her in Birmingham and the other wishes she would go to Leeds."

"What dutiful sons-in-law!"

"I beg your pardon. The one in Birmingham wants her in Leeds; the one in Leeds wants her in Birmingham."

Bailey raised the hog on buttermilk and mill feed principally. An experienced hog raiser has set a valuation on the animal of \$1000.

Quit Laxatives, Purges; Try NR

NR Tonight—Tomorrow Feel Right

It is a mistake to continually dose yourself with so-called laxative pills, cathartics, oil purges, and cathartics and force bowel action. It weakens the bowels and liver and makes constant dosing necessary.

Why don't you begin right today to overcome your constipation and get your system in such shape that daily purging will be unnecessary? You can do so if you get a 25c box of Nature's Remedy (NR Tablets) and take one each night for a week or so.

NR Tablets do much more than merely cause pleasant easy bowel action. This medicine acts upon the digestive as well as eliminative organs—promotes good digestion, causes the body to get the nourishment from all the food you eat, gives you a good, hearty appetite, strengthens the liver, overcomes biliousness, regulates kidney and bowel action and gives the whole body a thorough cleaning out. This accomplished you will not have to take medicine every day. An occasional NR tablet will keep your body in condition and you can always feel your best.

Try Nature's Remedy (NR Tablets) and prove this. It is the best bowel medicine that you can use and costs only 25c per box, containing enough to last twenty-five days. Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.

WORK OF GRADING LOWER HIGHWAY IS NEAR COMPLETION

SALEM, Aug. 1.—The last stretch of grading on the lower Columbia highway, between Portland and Astoria, is now being completed, according to Herbert S. Nunn, state highway engineer, who has returned from a tour of inspection over the highway. With the completion of this grading, some time in September, the last gap of this stretch of highway will be closed, he stated. With five paving plants in operation on this highway, paving is being laid at the rate of two thirds of a mile each day, and the entire road will be surfaced this year, with the exception of a stretch 10.4 miles between Seapooose and Deer Island. Sixty-nine miles of paving are now under course of construction on this road, Mr. Nunn stated.

If tomatoes are not to be pruned and tied to stakes, it is well to scatter straw or dry lawn clippings on the ground so that the fruit will not come in contact with the soil; this mulch will keep the fruit clean as well as prevent rotting in damp weather. It should be put in place as soon as the vines cover the ground so that cultivation is no longer possible.

LIVERPOOL IS SCENE OF RIOTS AND IS LOOTED

LIVERPOOL, Aug. 4.—Following a night of rioting in the general strike, soldiers, armed with fixed bayonets, and policemen restored order early today.

The damage in Liverpool alone was estimated at \$1,250,000, not counting the sabotage in the suburbs.

Liverpool literally became "a city of dreadful night." After "darkness fell, the business section was a tumult of noise. It was described in one newspaper as "the most distressing night ever passed in a civilized city."

One of the rioters, who was shot in a clash with soldiers, died during the morning.

Most of the rioting and looting was done by young hoodlums who broke into stores and smashed the fixtures while crowds looked on.

Many Australian soldiers and blue-jackets joined the police and helped them subdue the mobs. Numerous individual battles of fists and clubs between the soldiers and hoodlums took place.

The situation is serious and martial law exists in the business and residential districts. The trouble has been aggravated by the strike of part of the policemen, about one half of the force being out.

Pillaging spread across the Mersey river to Birkenhead, where many shops were wrecked. Woman led mobs that broke into jewelry shops. Before the looters were subdued \$200,000 damage had been done.

Ex-Kaiser Would Have Yank Lawyer As His Counsel

DETROIT, Mich., Aug. 1.—It became known today that if William Hohenzollern, ex-kaiser of Germany, is ever brought before an international or international court for trial for his war crimes, Charles F. George, a Detroit lawyer, has been retained to give opinions on the knotty questions of international law that have arisen and will arise through the proposed extradition of the ex-kaiser. Two other Americans have been engaged to journey to Holland with Mr. George to assist in the defense of the deposed emperor.
