WILHOIT NEWS

Sunday morning, Aug. 10.

We were awakened out of our slumbers this morning by the noise of autos coming in. We got up, had our breakfast, went down in front of the hotel to hear the band (Mt. Angel band) which was playing in the hotel porch, and we watched the cars coming in by the dozens and old St. Peter standing at the gate taking toll, and "hither a wan did he miss."

We regret very much losing the Fortunes, who went home Saturday. Mrs. Ed Fortune was surely a good booster for Wilhoit, and her smiling countenance and jovial manner will be missed by all who know her.

Dr. and Mrs. Louie Morris and son, Rob. Mr. and Mrs. Joe Goodfellow and children, Dorothy, Margaret and Bobbie, Mrs. Lizzie Goodfellow, and Mr. and Mrs. Dunning of Portland, formed a party Sunday.

Mr. and Mrs. John Sfrus, niece, Ethel Younger, Mr. and Mrs. Irving Rau and children, Mr. and Mrs. Pete Vernie and children formed a party to picnic at the Springs Sunday.

Henry Udell, having taken the contract to build a new bridge across Eagle Creek at the Eagle Creek Falls, with the help of Mr. Suster and Webb Roberts, has been making fairly good progress in the work. Last Friday about noon the bridge fell into the creek. They had left the old bridge to work on and had the new bridge cabled to the old bridge, which was very old and the timbers were rotten and, after they took out some of the rods from the old bridge, it was so weakened that with the weight of the new timbers, it gave way and fell. Mr. Suster had just stepped off the bridge a few moments before. Mr. Roberts had about two steps to take,

BOY SCOUT TROOPS ENJOY COMMUNITY AND CAMP ON RIVER

The Boy Scouts of this city returned Sunday evening from a community hike. The destination of the boys and the Scout Masters, C. F. Blake and Graydon Pace, was Rock Island.

The boys left here Saturday afternoon at 4:30, arriving at Rock Island at 5:30. After New Era was reached the boys went to Rock Island in row boats, and pitched camp. Each boy and Scout master had his own cooking outfit and prepared his own meal, and some of the boys, as well as the Scout masters, proved artists in the culinary line. Revell was sounded at 6 o'clock the next morning and found the boys ready to take up their day's program as outlined by the Scout masters. Breakfast was prepared and partaken of at 7 o'clock and the remainder of the day was spent in fishing, swimming and diving, with dinner served at 11:30.

There were 25 boys making the trip, the camping outfits being carried in a cart drawn by the boys, who took turns in conveying their load to their camping place. A large American flag adorned the cart. The boys marched through Oregon City on Main street like soldiers and attracted much attention as they passed by.

There are four organizations of the Boy Scouts in Clackamas county. These are Clackamas Valley Troop, Troop 1, recently re-organized, Troop 2 and Troop 3 recently organized.

The Scout masters of the organizations are C. F. Blake of Willamette Valley troop, and Graydon Pace, who was in the military service during the recent war.

Arrangements are being made for the meeting of the Great Council of the Improved Order of Red Men to be held in Oregon City August 19 and 20. There will probably be about 175 or 180 delegates in attendance.

A banquet is to be held at the Electric hotel on the evening of August 19, with Judge Grant B. Dimick as toastmaster. This will be in honor of the Great Incochine, James T. Rogers, the highest officer of the order in the United States, and whose home is in New York.

Wacheco Tribe, Improved Order of Red Men, No. 13, is to royally entertain the visitors.

The committee arranging for the session and the banquet is composed of W. M. Little, chairman; D. E. Frost and George Marley.

Dr. Kenneth Latourette, professor of history of Denison University at Granville, Ohio, and recently of New Haven, where he has been securing data for a new book, has arrived in Oregon City to spend his vacation with his parents, Mr. and Mrs. D. C. Latourette, and other relatives.

Dr. Latourette has written a number of books, among these being "The Development of China," "The Development of Japan." This professor and writer is arranging to bring out the correspondence of Ezra Fisher, an old Oregon pioneer known by many Clackamas county pioneers of the early days.

When a Siberian bride enters her husband's house for the first time she must be prepared to show her skill in cooking. She is expected to give a dinner prepared with her own hands as a test of her education in the culinary art.

One of the world's greatest scientists says that more than 90% of all human life can be traced directly or indirectly to constipation. How many sufferers realize this?

Most of them continually dose themselves with so-called laxative pills, calomel, oil, purges and cathartics and force bowel action. To do that is a mistake. It weakens the bowels and liver and makes constant dosing necessary.

Why don't you begin right today to overcome your constipation and get your system in such shape that constant dosing will be unnecessary? You can do so if you get a 25c box of Nature's Remedy (NR Tablets) and take one each night for a week or so.

NR Tablets do much more than merely cause pleasant, easy bowel action. This medicine acts upon the digestive as well as eliminative organs—promotes good digestion, causes the body to get the nourishment from all the food you eat, gives you a good, hearty appetite, strengthens the liver, overcomes biliousness, regulates kidney and bowel action and gives the whole body a thorough cleansing out.

And NR does this without a sign of griping, pain or unpleasantness. It works gently, but promptly and thoroughly. In a few days you notice the real result. You begin to feel that you are living again, with new strength, new energy, vim and pep and vigor. You soon find your bowels acting regularly without help. Try Nature's Remedy (NR Tablets) and prove this. It is the best bowel medicine that you can use and costs only 25c per box, containing enough to last twenty-five days. Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.
