The special school election was held on Tuesday. The budget lost by nine votes, only 69 votes were cast, 30 for the budget and 39 against. It is reported that a citizen's meeting will be held to ascertain the needs of the district, so another election can be held in order to keep the corps of teachers now employed and pay them a living wage. Many people were out of town and the small vote cast shows that many people neglected a very important duty.

ANTI-TRUST FIGHT WILL BE STARTED IN SENATE

WASHINGTON, Aug. 7.—Members of the sub-committee appointed by Attorney General Palmer to make recommendations for measures to reduce the high cost of living were summoned to the White house today by President Wilson.

WASHINGTON, Aug. 7.—Developments in the government's drive on the high cost of living popped out so fast today that they tumbled over one another.

Attorney General Palmer announced the bringing of anti-trust suits against the five great packing concerns—Armour, Swift, Wilson, Morris and Cudahy.

At the same time the attorney general ordered all agents of the department of justice to arrest profiteers, hoarders and other contributors to soaring food costs. The first arrests came in Pittsburg, where a concern was wholesaling sugar at 14 cents a pound. Food boards may be confiscated by the government.

New Zealand has a railway that runs in a perfectly straight line for one hundred and thirty-six miles. In a certain section of Persia there is a race of pigmy camels five feet in height and snow-white in color.

Leftover Coffee—Some morning save the leftover coffee. Dissolve gelatin and add the coffee and sugar to it and you will have a good luncheon or dinner dessert.

FRUIT HARVEST IN ROGUE DISTRICTS IS REPORTED UNDER WAY

MEDFORD, Aug. 9.—The harvest of fruit in the Rogue River valley is now well under way and the picking of Bartlett pears is general throughout the valley. The first two carloads of fruit to be shipped were from the Bear creek orchard and Hamton orchard, and they were started on their journey to the Eastern market on July 30, the same date that the first car of fruit left this district in the 1918 season.

Considerable cash buying has been done by the local fruit firms this year, both on the ton basis and the packed box basis, with exceptionally fine prices prevailing. It is estimated that 225 carloads of Bartlett pears will be shipped East from the Rogue River valley this year. The Hardwell Fruit company alone has contracts with the growers for more than 100 carloads, and to date 20 cars of Bartlett pears have been shipped through this firm to the Eastern market.

DUNGEON IN AMERICA SOUGHT BY DOUGHBOYS BETTER THAN SIBERIA

SAN FRANCISCO, Aug. 8.—A black dungeon in America rather than the vast white silence of Siberia. Prison fare on the "home lot" for a year in preference to reindeer steaks and cutlets in upper Asia. Hard labor on Alcatraz Island instead of chilly ease on the sub-Arctic plateau.

These are the choices of the American doughboy, according to reports brought in by 52 offenders against military laws who recently arrived here under guard from Vladivostok.

AMERICAN ARMY FOOD STORES IN FRANCE BOUGHT BY FRENCH

PARIS, Aug. 8.—The whole American stock of foodstuffs in France has been sold to the French government for \$400,000,000, according to a statement by Marcel Muth, famous French economic expert, in the Echo de Paris today. Payment has been deferred to avoid losses through the exchange market, M. Muth said.

"All I has to say is this, Judge: If you hangs me, you hangs the best bass singer in Tennessee."

STOCK MARKET SUFFERS SLUMP; HEAVY SELLING

CHICAGO, Aug. 8.—A general strike of 33,000 employees at the packing plants in the stockyards began at 9 o'clock this morning. The action followed the decision of the stockyard labor council last night to call a general strike unless the state troops and police guards were immediately withdrawn from the plants. The strike was precipitated by the return of 5000 negroes to work yesterday.

The dispute, according to labor leaders, is over the employment of non-union negroes rather than race hatred. Many of the negroes, it is said, have refused to join the union and labor leaders are taking advantage of the present situation to compel the packers to employ none but union labor.

STOCKYARD MEN IN CHICAGO ARE OUT ON STRIKE

NEW YORK, Aug. 7.—The stock market suffered its greatest reversal of the year in the final hour of today's trading. Prices of leading shares showed extreme declines of 5 to 10 points from their early and intermediate quotation. There were no news developments to account for the break other than rumors to the effect that the administration contemplated drastic action against profiteers, together with other developments before the interstate commerce committee today.

All classes of stocks fell in the tremendous selling of the last hour, which exceeded 700,000 shares. Steels, equipments and many of the industrial shares regarded as peace shares suffered most in the setback, the extent of which took trade so completely by surprise.

ELK MEAT WILL FORM PIECE DE RESISTANCE AT ANTLERED FEAST

PORTLAND, Aug. 12.—Three big elk from Oregon forests will be served members of the Oregon association of the Benevolent and Protective Order of Elks when they gather at Klamath Falls Thursday, Friday and Saturday for the annual state convention. The barbecue at Pelican bay Friday evening, when the elk will be served to the lodgesmen, will be the feature of the entertainment program which the Klamath Falls Elks have planned.

The animals are being secured through the courtesy of State Game Warden Carl D. Shoemaker, and a chef is coming up from California to superintend their preparation.

Headed by their 34-piece band Elks of Portland will march Wednesday morning at 10 o'clock to the Union station, there to board a special train for Klamath Falls. The delegation to go from here is estimated at 150, and many more will go by automobiles. A number have already left with their families, and Tuesday Exalted Ruler J. J. Berg will leave by automobile with his family for Klamath Falls.

The special train Wednesday will bear the delegations from Portland, Astoria, Oregon City, Salem, Eugene, Roseburg, Marshfield and Medford, and these members, together with those who will make the trip by automobile, will swell the total number of Elks in attendance at the Klamath Falls convention to over 5000, it is estimated.
