FUNERAL SERVICES OF ROY MITCHELL ARE HELD IN PORTLAND

The funeral services of the late Roy Mitchell, son of Mr. and Mrs. Stephen Mitchell of Sandy, who lost his life while fighting fire with forest rangers during a forest fire on Huckleberry Mountain Wednesday afternoon, were held from the Finley funeral parlors, Portland, Monday morning at 11 o'clock. Rev. W. T. Milliken, pastor of the Highland church, Portland, and formerly of this city, officiated. During the service Miss Naomi Armstrong of this city sang impressively "Some Day He Will Make It Plain" and "Does Jesus Care?"

Many friends of the young man and of the family attended the services from the little city of Sandy, where the young man has made his home all of his life, except for the two years spent in France. The people of that city sent a handsome wreath that stood about seven feet high, the pedestal of which was formed of snowy white water lilies. Another handsome piece was from the Bank of Oregon City, where the sister, Miss Mary Mitchell, is employed.

Following the services, the remains were taken to the Mount Scott cemetery, and interment was in the family lot, the body being laid to rest beside those of his sister, Mrs. Harvey Greenwood, formerly Miss Hazel Mitchell, who died while the brother was in France.

The pallbearers were intimate friends of the young man, five of whom have recently returned from the service. They were Cecil Puffer, of Portland, who was a comrade of Mitchell from the time of enlisting until returning from France, and who fought side by side with him during the war; Fred Alt, of Portland, who has been in the service; Walter Alt, recently returning from France, and whose home is in Portland; Fred Waepe, of Portland, who returned from France this week; Cecil Duke, of Sandy, recently returned from France, and Otto Meling, of Sandy, a life time friend of the deceased.

Mr. Mitchell was a member of Company K, Eleventh Regiment, United States Engineers. He was engaged in some of the hottest battles in France, among these being Soissons sector, from July 17 to 20, 1918; St. Mihiel salient from August 12 to 17; Champagne sector October 2 to 10, and the Meuse-Argonne sector from November 1 to 6, 1918. It was during the battle of Soissons sector that volunteers were called for to carry water to the wounded soldiers on the battle field, and it was necessary to cross a grain field that was being swept by German machine guns. Mitchell volunteered, and carrying canteens full of water to these men through a storm of shell fire, he arrived safely and gave aid. For this act of bravery he was recommended for the Croix de Guerre, although this had not arrived up to the time of his death.

Mr. Mitchell returned to his home at Sandy about two weeks ago from overseas service. After his return to Sandy, he was offered several positions, one of which was in the U. S. forestry service. Having had much experience in the forestry service, and being a valuable man for that position he accepted, taking up his duties the first of last week. He had charge of a crew of men fighting a fire on Huckleberry mountain, when a tree fell and killed him instantly.

CLARENCE JOHNSON INDICTED FOR MURDER OF BENEFACTRESS

PORTLAND, Aug. 26.—An indictment charging second degree murder was returned against Clarence Johnson, aged 31, ex-convict, by the Multnomah grand jury this morning. Johnson is charged in the indictment with the murder of Mrs. Eunice W. Freeman, prominent W. C. T. U. worker, his benefactor, at her home, 424 Fourth street, on the morning of August 15.

Mrs. Freeman, who worked for Johnson's parole, and in whose home Johnson had lived, was found brutally murdered. A two-foot gas pipe lay near her mutilated body. No trace of Johnson has been found.

EXECUTOR OF WILL OF LATE BENJ. LINN FILES SUIT ON NOTE

Susan C. Linn, executrix of the estate of Benjamin F. Linn, has begun a suit to recover \$200 and interest upon a note and mortgage given by Oscar P. Skoog and F. L. Hastings in payment for a donkey engine, donkey blocks and chockers. The Buckner Timber company, O. D. Eby, W. A. Huntley and B. T. McBain, and Frank Beers are named as co-defendants, the plaintiff alleging that they agreed to complete the payments.

ATTEMPT TO CONSERVE ROILS SPOUSE; WIFE SUES FOR DIVORCE

Cordelia Carter has filed a divorce suit against E. D. Carter, whom she married in Oregon City May 5, 1918. In her complaint the plaintiff accuses Carter of being cruel and inhuman towards her, and says that during their married life he has purchased her one pair of stockings and one dress, and that while she was trying her best to fulfill the orders of the government to use substitutes during the war and was unsuccessful at first in preparing the food, Carter became angered and told her that he was tired of trying to eat her "scraps."

She also claims that she had earned money and he had deposited it in a bank in his own name, also money earned by a daughter of hers by a former marriage.

Mrs. Carter is represented by E. J. Noble, of this city.

SCHOOL BOARD TO CALL SPECIAL BOND ELECTION

At a special meeting of the Oregon City school board held Tuesday afternoon it was decided to call a special school election for the purpose of determining whether the people of the school district will sanction a bond issue of \$35,000 for the construction of a gymnasium and manual training building and the equipping of the same. It is expected that the special election will be held on or about September 25.

The need of more commodious and efficient manual training quarters for this course in the work of the city schools has been felt for several years, in fact ever since the temporary quarters which were erected on the high school grounds to handle the excess enrollment until the high school building was increased in size, were adopted for this course. The present quarters are far too small and the equipment is altogether too inferior to insure an efficient administration of the manual training course of instruction and the present indications for an enrollment during the approaching school season which will exceed that of any year previous makes the need of larger and better quarters imperative.

Oregon City is one of the largest of the very few cities in Oregon whose high school is without a gymnasium, with adequate housing facilities. Its need has been emphasized in the past due to this lack, and this year the need of a gymnasium is of still greater importance due to the fact that the last session of the State legislature enacted a law which makes it compulsory for students to take at least 30 minutes of a prescribed physical training course each day of the school term. To teach this course efficiently a building and equipment of adequate size and completeness are essential, that the students may profit to the full from the time expended in the work of the course, the benefits of which are incontestable.

Sentiment toward the two courses, manual training and physical training, in the light of the experiences of the past few years, has undergone a radical change, and where a score of years ago the public in general frowned on these two studies as a useless waste of time and endeavor, it is now conceded that their bearing on the development of children of school age is of untold value.

At the meeting of the school board three grade teachers were elected for the city school for the coming term. They are: Mrs. Echo Spence Wilson, of Oregon City, Miss Gladys Carpenter, of Gladstone, and Miss Bertha Fletcher, of Portland.

DIPHTHERIA CLAIMS YOUNGEST DAUGHTER OF MRS. DENNIS BYRNES

The funeral services of little Gladys June Byrnes, youngest daughter of Mr. and Mrs. Dennis Byrnes, of 1602 Sixteenth street, Oregon City, were held Saturday afternoon at 2:30 o'clock from the chapel of Holman & Pace. The interment of the little girl was in the Mountain View cemetery. Many beautiful flowers covered the casket.

Gladys June Byrnes died at the family residence Friday afternoon at 2:48 o'clock, after a brief illness of diphtheria. Her age was 2 years, 2 months and 5 days.

Gladys June Byrnes was the only child of Mr. and Mrs. Byrnes, and was born in Oregon City. She was an unusually bright child, and had been ill since last Sunday. She was an unusually bright child and had been in the best of health until last Sunday, when she was suddenly taken ill. She is the granddaughter of Mr. and Mrs. A. D. Mayo of this city and grandniece of Mr. and Mrs. J. W. Jones, also of this city.

The mother of the little child is in a critical condition with the same dread disease that was fatal to her daughter.

Thirty Years Ago Today

Taken From Oregon City Enterprise, Aug. 22, 1889.

Jack Humphrys is building a cottage opposite John Gleason's.

Mrs. W. C. Johnson returned to Oregon City to remain a few days.

Mrs. W. Whitlock is able to be about on her feet again, but is still very weak.

Mrs. Joe Ganong, Sr., Mrs. Thos. Miller, Misses Etta Fouts and Annie Ganong returned from Soda Springs this week after a week's outing.

Charles Kelly and John Trembath are greatly missed at Wilhoit since returning to Oregon City. While there they got up two very successful dances, also two barbecues, at which time they were chief cooks and waiters for the hungry campers.

Houston Carico and mother have moved into one of the Kelly cottages on the hill.

Peaches have been selling for 30 cents a box.

J. E. Hodges leaves for Yale College next week to complete his course.

George Ely, Sr., sold half an acre of land just beyond his house on the hill for \$200. The man buying intends to put up two houses this fall.

Mt. Crose and family returned from Neustuca Friday highly pleased with their trip.

Company F has ordered new uniforms from the Oregon City Manufacturing company.

The Saturday night dances at Wilhoit have been pleasant occasions. Among the gentlemen who have come out from Oregon City to attend them have been Messrs. Tom and Ment Randall, Henry Stevens, Fred Painter, Thomas Ryan, Eugene Hodges, A. Howard, James Partlow, Joseph Ganong, Fielding Kelly, Malcolm McCown, Harry Jones, Sol Garde, Olney Chase, Henry Salisbury, Gilbert Potter, Joe Myers, Duane Ely, Alf Beatie, Ralph Miller and Everett Hickman.

Died—In Salem, August 12, of consumption, C. C. Strickler, aged 35 years. The remains were brought down to this city and laid to rest under the auspices of the I. O. O. F., of which lodge he was a member. The firemen also participated in the ceremonies. He was a former highly respected resident of Oregon City.

Grange Incorporated.—The Oswego grange has been incorporated with a capital stock of \$200. The Oswego Grange association has also been incorporated with a capital stock of \$600, object to deal in real and personal property. The incorporators are P. Carter, L. M. Davidson and A. M. Shipley.

Progressing Finely.—T. W. Sullivan informs us that work on the pulp and sulphite mills is progressing finely. The breakwater is all completed but 40 feet, the most difficult part being done. The work of raising the pulp mill building is now well under way. The walls of the boiler room are all completed and the force is now busy on the walls for the sulphite mill.

County Road Work Throughout County Progressing Rapidly

COUNTY ROAD WORK THROUGHOUT COUNTY PROGRESSING RAPIDLY

Reports of the progress which is being made by the County Court Road crew received during the past several weeks have been proving exceedingly gratifying to the officials in charge of the work, and indicate that the close of the present season will see the major part of the season's paving program completed.

Among the different pieces of work that have recently been taken under construction and are now reported as progressing rapidly is that of Holmes Lane, which connects Mount Pleasant with Molalla avenue. This stretch of roadway is to be improved with funds raised by the county, city and the property owners adjacent and will be shared equally. It will be laid with macadam surface 16 feet in width and when complete will form the connecting link between Mount Pleasant from a point near the Mount Pleasant school house through to the South End road.

On the stretch of road between the Clackamas river and the Rock Creek bridge paving is completed from Clackamas station to Rock creek with the exception of a stretch three-quarters of a mile in length.

Pavement connecting the river road with Portland avenue at Steele avenue is reported to be complete.

One-half mile of pavement east from the river road connecting that road with the P. R. L. & P. station at Oak Grove is also reported to be finished.

The work of the paving plant is reported to be increasing to a considerable degree in efficiency and the total amount of asphalt being laid daily at present is almost double the amount which was laid earlier in the summer.

It is the expressed desire of Roadmaster Compton to complete all projected work laid out for the present season to a degree that will see the greater part of the trunk roads and connecting links in the road system of the county surfaced and in good shape before the beginning of the fall rainy season.

DE HAVILAND PLANES ARRIVE IN SALEM FOR FOREST PATROL DUTY

SALEM, Aug. 26.—Five De Haviland airplanes, which will displace the Curtiss training planes on forest patrol duty in Oregon, arrived here at 7 o'clock Sunday evening, making the 110 mile flight from Roseburg in 81 minutes actual flying time.

GREAT COUNCIL MEET OF RED MEN IS BEST EVER HELD ON COAST

The Great Council of Oregon, of the Improved Order of Red Men, which has been in session for two days in this city, concluded its business at Knapp hall Wednesday evening.

There were about 55 delegates from various sections of the state in attendance, and it was one of the most interesting sessions ever held. Many of the members were taken by automobiles to different sections of the county during the last day, and a number visited the manufacturing plants.

The Great Incumbence of the Improved Order of Red Men, J. T. Rogers, of New York, was in attendance, and raised the chiefs to higher officers, and also raised the officers of the Wacheco Council, Degree of Pocahontas.

The chiefs of the Red Men Lodge who were honored by the Great Incumbence are as follows: D. E. Frost, of Oregon City, great junior sagamore; E. M. Wells of Portland, great senior sagamore; L. R. Smith, of Portland, great sachem; T. C. Reichle, Portland, great prophet; Leonard Hallinan, Oswego, great senap; F. O. Lehman, Portland, great Mishinewa; J. Huffman, LaPine, great guard of wigwag; R. C. Lawrence, Pendleton, great guard of the forest; O. L. Dickel, Portland, great keeper of records; A. J. Rossiter, Oswego, great keeper of wampum; Louis A. Henig, Portland, great representative.

The next great council will be held at Portland in August, 1920.

The Great Council to be held at Washington, D. C., was among the subjects discussed during the session. This will be held in September, and Oregon is to be well represented.

OVER MILLION PEOPLE
AFFECTED BY STRIKES
THROUGHOUT COUNTRY

New York, Aug. 26.—Reports obtained from 20 states indicate that in those commonwealths some 300,000 persons are on strike. In all, 65 strikes have been tabulated.

Allowing for three or four dependents to each wage-earner, this means that more than 1,000,000 persons are affected by these industrial disputes.

We Are Americans

The army of young men who freely offered their lives that the institutions, near and dear to the heart of every American might be perpetuated, did not have in mind, when the roar of the cannon had ceased, and their faces were turned homeward, any idea of returning to a hyphenated America.

It is a wonderful privilege to be able to claim American citizenship, and the temper of the average mind is such now as to have little sympathy with any nationality, seeking to promote selfish interests, by parading a hyphenated America. The hour has struck for the United States to demand her birthright and insist that those who enjoy citizenship under the stars and stripes live and proclaim their Americanism in no uncertain voice.

It is an opportune time to place the hyphen in the discard, and with it all those who place their former allegiance before their present duty. French, English, German, Spanish, Irish, Scotch, Finnish and Scandinavian nations have each had their part in furnishing material for the melting pot of American citizenship. Their coming to these shores has been voluntary. Their achievements have been noteworthy; but in these days of reconstruction, when new and delicate questions are confronting those who must bear the brunt of industrial reorganization, the temper of the American will not counteract the divided allegiance indicated by the hyphen. Let us write a new declaration of independence barring from school and business and social life any token that would place other nations before America. We stand for those things emblematic of the stars and stripes. Let us insist that all others enjoying our institutions, outwardly, at least, conform to our customs and henceforth abolish the hyphen and those things for which it stands.

WILLAMETTE FALLS POST SEEKING NAMES OF ALL EX-SERVICE MEN

In an effort to secure the names of all ex-service men in Clackamas county who saw service in any branch of the military organization of the United States army during the world war J. C. Spagle, secretary of the Willamette Falls Post No. 5, American Legion, has asked that all ex-service men mail to him at their earliest opportunity their name, address and the branch of the service in which they served.

LIEUTENANT TOOZE TO LECTURE SATURDAY FOR WOMEN'S CLUB

The Women's Club has secured Lieutenant Lamar Tooze for a lecture to be given at the Congregational church on Saturday evening. Lieutenant Tooze is giving a number of lectures and the members of the Woman's Club feel they are very fortunate in securing his services for the evening. There will be several musical numbers during the evening.

REAL ESTATE TRANSFERS

Arthur A. and Carrie Cone to Wm. and Eleanor Hichen, part of Joseph Geer D. L. C.; \$10.

Wm. T. and E. R. Houser to Helen Short, part of lot Whitcomb D. L. C., township 1 south, range 1 east; \$200.

Fernia A. Todd to Walter Hoffman, land in section 12, township 5 south, range 1 east; \$10.

There have been a limited number of women admitted to the order of the Garter, though for nearly four hundred years no English sovereign conferred this honor upon a woman.

Ten Points To Settle Before You Buy Any Auto Truck

The motor truck is established. Its utility is no longer questioned. As a means of transportation it is definitely established that a motor truck is incomparably economical, convenient, etc. So it is not a question of whether or not you need a motor truck.

Your decision must be WHICH TRUCK to select. It is a big question not to be decided until you have every fact and every data of cost before you. On that basis ONLY can you make a selection that will justify the required expenditure.

GARY, "THE TEN TEST TRUCK," invites every investigation, every test or question that any owner may advance. The GARY MOTOR TRUCK has been selected by some of the largest truck users in America. They buy on a basis of FACT ONLY, and the Gary has satisfied these owners in every one of these following ten vitally important points.

Test "1" REASONABLE INVESTMENT. Don't buy a truck that will depreciate too rapidly to be economical. You really rent a motor truck when you buy it. At the end of its period of use it should have substantial "chase or trade-in" value. Investigate the actual "after use" worth of any truck before you make your selection.

Test "2" ECONOMICAL SELECTION. Trucks are means of economy. It is not an investment to buy a truck that will increase your transportation costs. Find out what it will actually cost you to transport your merchandise.

Test "3" SIMPLICITY. Skilled experienced labor costs money. You don't want to increase your labor hire because of your trucks investment. Before making your choice, take any worker in your delivery department, give him a few simple instructions, see whether or not the truck is simple enough for his unskilled abilities.

Test "4" EQUALIZED BALANCE. From front to rear lamp bracket maximum efficiency of operating requires even distribution of weight, work and wear. The motor must not be too light for its load the frame must not be heavier than is necessary. Consider whether or not there is proper correlation of size and parts.

Test "5" OVER CARRIAGE. Do not buy a one ton truck and expect it to do a 3 1/2 ton duty. But the trucks you do buy should be built to allow for reasonable margin of overload. Buy the size truck that your business needs but do not invest in a 5-ton truck for a 1-ton truck labor. Nor should you buy a 3 1/2-ton truck for a 5-ton labor.

Test "6" CONTINUED OPERATION. Accidents will happen, and some repairs are inevitable. Select the truck of a design so standardized that repairs will never keep your truck out of service.

Test "7" ESTABLISHED MANUFACTURE. A truck made by a maker having a limited resources is a questionable investment. Be sure that the maker of your truck will be able to continue in business as long as you do.

Test "8" DEALER DEPENDABILITY. The dealer is the agency that is directly responsible to you. Be sure that the dealer from whom you buy your truck is as reliable as your own banker. Do not buy a truck from a dealer that has a reputation of shifting responsibility.

Test "9" NON RADICAL DESIGN. Radical changes and principles are experimental. Do not buy an experimental truck. Keep within approved designs and principle.

Test "10" SPEED, POWER. An emergency will arise where you will have to run your fully loaded truck at its maximum speed. Power should provide for speed to allow for speed when it is necessary.

GARY, "THE TEN TEST TRUCK," has measured up to every test. Let us give you the facts to prove it.
