NO SCARCITY OF CANDIDATES FOR NEXT ELECTION

County politics in Clackamas is beginning to warm up and aspirants for a number of offices are bobbing up for the May primary. Present incumbents of the offices of clerk, recorder, treasurer, assessor and surveyor will be candidates for second terms, and are not likely to encounter opposition. School Superintendent Calavan will probably be a candidate to succeed himself, and rumor has it that Supervisor Vedde has his eyes on the position. Sheriff Wilson is expected to be a candidate for a fourth term, and E. L. Johnson, H. E. Meads, A. J. Bell and a number of others are regarded as possibilities for the Republican nomination, while report has it that Ex-Sheriff Mass will seek the place again through the Democratic primary.

Interest generally, however, centers in the election of members of the legislature and of the county court. The death of W. A. Dimick has created a vacancy in the state senate, and C. Schuebel, a member of the lower house, is an avowed candidate. Grant B. Dimick, a cousin of the late senator, is mentioned as a possible candidate, as is George C. Brownell. If all three should run, the race would be a pretty one. For the lower house there is a possibility of a new line up, with Schuebel in the senatorial race, and Representative Cross aspiring to a place on the county court. Representative Dedman has served two terms, but may be a candidate for a third. John R. Cole, of Molalla; W. H. Bair, of Canby; E. W. Bartlett, of Estacada, and several others have been proposed by their friends as prospective candidates.

County Judge Anderson will not be a candidate for another term according to his close friends. He has worked hard and will be ready to lay aside the burdens of his office at the expiration of his term. L. L. Forter, of West Linn, will be a candidate for the Republican nomination for judge, and Harvey E. Cross is expected to be a candidate. E. L. Pope, of Parkplace, has also been mentioned as has Thomas A. Roots, former county roadmaster. It is expected that good road-enthusiasts who labored early and late for the passage of the road bond measure will oppose any candidate for a place on the county court who did not support the bond plan.

DEED IS FILED CONVEYS LAND TO UNCLE SAM

William E. Goodfellow filed for record in this county on Thursday a deed in which he conveys 220 acres of land lying within the Bullrun forest reserve to the United States government.

This land lies in sections 2, 4, 6, 8, 10, 14, 15 and 20 of township 2 south, range 7 east of the Willamette Meridian. It lies within the watershed of the territory from which Portland draws its water supply.

This action undoubtedly comes as a result of the recent agitation in congress for laws to protect the watersheds of various Oregon cities, Portland and this city among them.

The deed as filed states that the government is to convey to Goodfellow an equal amount of land of equal value in another locality outside the forest reserve.

HIT IN FACE; ASKS DIVORCE.
William H. Baker filed suit for divorce in Circuit Court here Monday against Hannah Baker. The couple were married on April 7, 1897, at Boise, Idaho. Baker claims in his complaint that on December 20th, 1918, he was laying down for a nap and his wife struck him in the face with her fist as he was sleeping.

She had a ring on her hand and this lacerated his flesh. When he asked her why she did it she replied that he was snoring. He claims that she has repeatedly nagged at him and has made his life miserable. There is a 19 year old boy who is in Idaho and who is self supporting.

LARGE SUM ASKED IN SUIT FOR DIVORCE

The attorneys for Mrs. Marjorie Hawley in her suit for divorce from her husband, Willard P. Hawley, Jr., filed a motion in the case Friday afternoon asking for \$5000 for attorneys' fees and \$1000 for additional suit money.

Accompanying the motion is an affidavit by the plaintiff's attorneys setting out that the defendant was extremely active in preparing to fight the case and that it was necessary to have the additional money in order to properly prepare their case.

It was further set out that the witnesses in five different Oregon counties had been examined for evidence and that day before yesterday C. Schuebel had left this city for Los Angeles to take the deposition of a material witness in the suit and that all of this work entailed large expenses for hotel bills and traveling expenses. The motion also stated that it was necessary for a portion of the money to be used for detective hire, to meet the defense of the defense.

Also accompanying this motion was a notice to the attorneys for the defense notifying them to appear in court here on next Tuesday, December 23 to argue this motion, or as soon thereafter as a hearing could be arranged with Judge George R. Bagley of Hillsboro who is to hear the case.

The answer to the complaint in this case is to be filed Saturday, December 20. This week the attorneys in the case filed a stipulation wherein in the time of filing this answer was extended until today.

It is expected that the answer will give some intimation as to the line of defense that will be taken by Mr. Hawley's attorneys.

FOOD PRICES DUE TO DROP JANUARY FIRST

Washington, Dec. 22.—Expectation of a decline in retail food prices beginning between January 1st and March 1st was expressed tonight by Attorney General Palmer in a statement summing up the efforts of the government to date in forcing down the cost of living.

"The cost of living, already under control," said the attorney-general, "can be reduced if everyone who produces will produce his utmost, if those who buy and consume will save and eliminate extravagance and if all honest people will join with the department of justice in stamping out profiteering and hoarding."

Explaining that a downward trend in retail food prices ordinarily was shown during the first two months of a year, Mr. Palmer said it was the trend of the government "that this trend would be accelerated this year by the campaign initiated by the government which is just now getting well under way."

SOLDIERS DINE IN EUROPE.

Washington, Dec. 25.—One year ago today 2,000,000 American soldiers "celebrated" Christmas in France. President Wilson was the guest of the A. E. F.

Today but 18,751 men of the army are having their Christmas dinner in Europe. There are 3387 men in Siberia.

TEACHERS ARE GIVEN RAISE
Pendleton, Ore., Dec. 25.—High school and grade teachers here have been given a raise of \$100 on their yearly salaries.

Our Simple Tastes

Peace nath her victories, but scanning the items of expense submitted for the president, its nearly as expensive as war. Up to July last the peace commission's expense account totaled \$1,250,629. President Wilson asks for an additional \$825,000 to care for the expenses until January 1st, when it is expected the commission will be ready to return home. It cost the United States government \$18,721 to care for the wives of the party. Tips for the servants at the Hotel Crillon amounted to \$53,345.33. Considering our representatives at the Paris conference were from the country that made the world safe for Democracy, they lived in a style that would impress the representatives from other countries with our simple tastes.

S.P.O.R.T.S Misses - Hits - Bullseyes

By C. W. ROBEY

Probably one of the biggest boxing cards ever pulled off on the coast will take place on New Year's night at the Milwaukee arena. There will be only four ten round fights, but all four will be on the all-star order. Charlie White has been secured from Chicago to put on a go with Muff Bronson, and this ought to be good. Charlie White is considered one of the best on the coast and Clackamas county fans have been wild to see this wonder on the coast. Roy McCormick comes back to Milwaukee on this night to fight Tommy Gibbons, the latter the same boy who had such a mix up with D'Arcy a couple of weeks ago.

Every go on the bill will be the best that can be secured in the country, and it is rumored that the Milwaukee commission has spent around \$9,000 on this card alone.
