How to Get Rid of a Cold

Summer colds are serious. Read how C. E. Summers, Holdrege, Neb., got rid of his: "I contracted a severe cough and cold and could hardly sleep. I got a bottle of Foley's Honey and Tar and the very first dose relieved me. I took a second dose before going to bed and can truthfully say I did not cough all night. By using as directed the next two days my cough was entirely cured and I give Foley's Honey and Tar full credit for my speedy recovery." Foley's always soothes and heals. Children love it.—Jones' Drug Co.
