BOY RIDES WAVES IN WAKE OF THE POMONA; DROWNS

CANOE CAPSIZES WHEN SWELLS FROM STEAMER HITS IT BROADSIDES.

SECOND OCCUPANT OF CRAFT IS RESCUED BY RIVERMEN

Victim of Accident Was Portlander and Was Camping on Cedar Island With His Widowed Mother.

The attempt of W. B. Schaefer, of Portland, to ride the waves in the wake of the steamer Pomona proved fatal early Monday afternoon when the canoe capsized. Jack Horn Sr., who was in the canoe with Schaefer, was rescued by a boat sent out from the Pomona.

Schaefer, his mother, Mrs. S. E. Schaefer, and Jack Horn were spending a vacation of a week on Cedar island near Jennings Lodge. They came out from their home in Portland only a few days before the tragedy.

Horn and Schaefer, who is 21 years old, were on the bank of the river when they saw the Pomona approaching. The two men climbed into the canoe and as the boat passed paddled out into the river. They worked their way too close to the boat, however, and the canoe threw both men into the water.

The entire incident was watched from the Pomona and a boat was sent out to pick up the men. Horn was pulled out but up to late Monday night the body of Schaefer was not found. Grappler Brady, of Portland, was notified and spent some time on the river, dragging for the body.

The drowned man was employed by Miller, Swinerton & Calhoun, a Portland wholesale firm, and lived with his mother, a widow.

G. A. Harding Given High State Office of G. A. R.

OREGON CITY PIONEER RECEIVES HIGH HONOR AT M' MINNVILLE ENCAMPMENT.

George A. Harding was elected Tuesday commander of the Department of Oregon, Grand Army of the Republic, by the Grand Encampment at McMinnville. He has for many years been quartermaster of Meade Post No. 2, of Oregon City.

He was a member of the Oregon Volunteers during the Civil war, and has a son who was a member of the Oregon Oregon during the Spanish-American war. His wife was formerly president of the Woman's Relief Corps for the Department of Oregon.

Mr. Harding is a heavy property owner and has been associated with many movements looking to the upbuilding of Oregon City. He was the first president of the Willamette Valley Southern Railway. He has been a resident of Oregon City about 50 years.

His election as department commander for Oregon was unanimous.

M' MINNVILLE, Ore., June 15.—The crowning event of the annual state G. A. R. encampment was the presentation of a fine flag by the State Women's Relief Corps to the McMinnville junior high school. When the flag was hoisted and unfurled 2000 people joined the uncovered veterans in giving three cheers for the Stars and Stripes. At a given signal all the flags carried in the procession were unfurled and grouped about the high pole, and the sight was inspiring.

The presentation speech was made by Mrs. Jennie B. Higgins of Eugene, past national secretary of the W. R. C. Her remarks were loudly applauded during their delivery. In behalf of

Mary Huff Found At Eugene With Her Grandmother

11-YEAR-OLD RUNAWAY GIRL IS LOCATED BY SHERIFF—SHE TAKES LONG WALK.

The mystery surrounding the disappearance of Mary Huff, 11, from the home of her adopted parents, Mr. and Mrs. R. W. Huff at Oak Grove, was cleared up Saturday when Sheriff Wilson received a telegram from the girl's relatives in Eugene that she had arrived in that city Thursday.

Sheriff Wilson has learned that she took a Thursday afternoon train from Portland. She was seen here by Mr. Huff Thursday morning when the girl was near the Southern Pacific depot. She walked toward Portland as far as Rupert before taking a car. The police matron at Portland put her on a train bound for Eugene.

The girl's act is attributed to homesickness. Mr. Huff said that his adopted daughter often said that she was homesick in her new home and expressed a wish that she was in Eugene with her grandmother, Mrs. Ellen Blatten, and her aunt, Miss Addie Blatten. Thursday morning the girl arose before Mr. and Mrs. Huff got up, packed her clothing in a grip and helped herself to \$18.25 in Mr. Huff's purse. When the family discovered her absence, word was sent to the Oregon City police and Sheriff Wilson and Mr. Huff spent all day Thursday and Friday hunting the girl.

UNCLE SAM WANTS A MAIL CARRIER ON RIVER

The novel route will run out of Milwaukie on the Willamette river as far south as Gladstone. The aim of the new route will be to serve the families living near the river and the colonies of houseboats.

The United States civil service commission will hold an examination here at the Barclay school building, 12th and Jefferson streets, July 19 to select a carrier for this route. Applicants must file with their applications a certificate showing the size, capacity and power of their boats.

BARLOW BOY PULLS KNIFE ON CONDUCTOR

Walter Smith, aged 17 years, of Barlow, was arrested Saturday by Deputy Sheriff Miles after he drew a knife on Herbert Graybell, a conductor on the Oregon City line.

Smith was bound for home after attending the Portland Rose Festival. The conductor cautioned him to behave himself and a heated discussion followed in which Smith pulled a knife on the streetcar man.

The boy was taken before County Judge Anderson and is being held until his mother, Mrs. Gorthor, of Barlow, arrives.

THREE LICENSES ISSUED
Three marriage licenses were issued Wednesday by County Clerk Harrington. They are: Mrs. M. L. Evans to Faxon Hayford, of Gladstone; Dixie Jean Caffall to Harry Avery, of Milwaukie; and Lulu M. Congdon to Edward Benedict, of Gervais.

The junior high school, the only one in the state of Oregon, Professor F. A. Scofield received the flag.

More cheering as occasioned by the presentation by the ladies of the G. A. R. circles of a large framed portrait of Abraham Lincoln.

Immediately there followed the ritualistic "Flag day" exercises, conducted under the auspices of the local lodge of Elks. Mrs. Thomas J. Warren sang "Columbia, the Gem of the Ocean," and the Elks' band played patriotic selections. Senator W. T. Vinton read the history of the adoption of the flag, and Governor James Withycombe delivered a short address, in which he paid a tribute to the heroic sacrifice made by the soldiers of the Civil war, who fought to retain the Union indivisible, to the pioneers, who made it possible for us to enjoy the princely heritage, and to the Elks, who by their example, endeavored to inculcate a spirit of reverence for the flag.

UNION HIGH SCHOOL ELECTION SATURDAY

TENTATIVE PLANS MADE FOR MODERN ONE-STORY SCHOOL BUILDING.

The union high school district, composed of Gladstone, Jennings Lodge, Clackamas and Parkplace, will hold an election Saturday to vote on a \$12,500 bond issue to build the proposed school building.

As the voters at the election several weeks ago returned a decided majority for the consolidation of the districts, promoters of the school expect that the bond issue will carry with a large majority Saturday. Although it is generally understood that certain residents of Jennings Lodge are preparing to fight the consolidation of the districts, up to Wednesday night no step had been taken toward instituting legal action in the circuit court here.

A modern one-story school will be built on the three-acre site in Gladstone park which was donated by Harvey E. Cross, in case the bond issue is approved. Plans for the building are only tentative as definite arrangements will not be made until after Saturday's election. The union high school board proposes to build a structure which will include two recitation rooms, an office, a library, an auditorium, heating plant, and laboratories. A gymnasium will probably be erected in the rear of the school building. The building with a stucco finish is favored as a building material.

John N. Solvers, of Gladstone, is clerk of the union high school district; E. L. Pope, of Parkplace, chairman, and E. P. Dedman, of Clackamas; Hugh Hall, of Gladstone; and William Jacobs, of Jennings Lodge, the directors.

PLANS MADE FOR CELEBRATION OF FOURTH OF JULY

CITIZENS OF GLADSTONE AND LOCAL MOOSE UNITE FOR BIG PROGRAM.

W. C. HAWLEY WILL DELIVER INDEPENDENCE DAY ADDRESS

Thousands Expected Here from Portland—July 5 Is Selected for Exercises Instead of Sunday, July 4.

Every man, woman and child in the whole United States of America, and all those Europeans who feel they can steal away from the trenches for a day, will be invited to Gladstone Park on July 5, to participate in a big Fourth of July celebration, to be given by the citizens of Gladstone and the Moose lodge of Oregon City.

The eagle will scream as she has never screamed before on this date, according to the statement made Wednesday night following a meeting of representatives from Gladstone and the local order. It was agreed that the gates of old Gladstone park would be thrown wide open, and that everybody who wished to attend would be given a royal welcome.

Committees were chosen to arrange the big gala day program, and it was decided to spare no expense in making the day the biggest event of its kind in history. Not only will all Oregon City and Clackamas county in general be entertained but it is highly probable that several thousand Portlanders will be on hand when the program starts.

Congressman W. C. Hawley has been asked to deliver the Fourth of July address and has already accepted. Judge Hayes will read the Declaration of Independence, and an elaborate musical program is now well under way.

The well known Moose band will be out in full regalia and a rattling good baseball game will be played in the afternoon, in which the undefeated Moose team will take on some real classy baseball nine of Portland or Clackamas county. A big program of sports is scheduled, including a wide variety of races, the big dancing pavilion will be in working order and an orchestra will be at the service of the dancers during the afternoon hours.

The following committees were chosen Wednesday night, and were given instructions to proceed at once.

Ball teams—Manager McGeehey, H. Striebig, J. N. Sievers and F. T. Barlow.

Sports—Henry Striebig, H. A. Shandy and Al Price.

Advertising—T. A. Burke, J. N. Sievers and Wm. Schooley.

Transportation committee—Frank Barlow, Chambers Howell.

Cars will be run directly into the park all day long. An effort will be made at once by the transportation committee to secure excursion rates for the day. Already a crowd of over 300 has signified its intention to come from Portland on July 5, and word was received Wednesday that several hundred Welchmen from the Beaver Creek country would participate in the celebration. Molalla will in all probability join the gay whirl and all points along the Willamette Valley Southern will probably send delegations. The affair will undoubtedly be the biggest Fourth of July celebration ever held in the county.

PAPER COMPANY SUED BY PROPERTY OWNERS

The Hawley Pulp & Paper company is made defendant in a suit filed Tuesday by A. H. Morrill, Alden B. Graham, Arthur W. Graham and William Anderson, trustees of the Graham estate.

The suit asks for an injunction to stop the construction of a paper warehouse on Fourth street between Main and Water streets. Property belonging to the Graham estate is situated in the same block and the plaintiffs claim that an alley running from the center of the block to Fourth street will be covered by the building. They allege that the paper company has already excavated a basement where the alley is situated.

TWO NOMINATIONS MADE FOR PLACES ON SCHOOL BOARD

NAMES OF J. O. STAATS AND H. A. RANDS WILL BE ON BALLOT JUNE 21.

81 TAXPAYERS SIGN PETITIONS CIRCULATED THURSDAY AFTERNOON

Voters Will Select Two Directors This Year Owing to Resignation of W. A. Huntley—Both Men Held Capable.

Petitions for the nomination of J. O. Staats and Hal A. Rands for school directors were filed in the office of the school clerk Thursday afternoon, each petition having the names of 81 taxpayers attached. Their names will appear on the ballot for the annual school election to be held Monday, June 21.

Mr. Staats will be a candidate for the five-year term, while Mr. Rands' petition covers the short term of three years, due to the resignation of W. A. Huntley last year. The board filled the vacancy occasioned by his resignation by the election of C. G. Huntley, who holds office only until the next regular election, and who declined to become a candidate.

Both Mr. Staats and Mr. Rands are both well known citizens. The former has occupied a number of official positions in the courthouse, and is considered an authority on matters of civic interest and municipal government. He has made an exhaustive study of city affairs, and served on a charter committee that was appointed last year. He is a firm believer in the business manager form of conducting city affairs, and, if elected, will prove a valuable acquisition to the school board, because of his knowledge of handling municipal finances.

Mr. Rands has been a resident of Oregon City for many years. He is a civil engineer by profession, and is now serving in that capacity for the South Fork Water commission on the construction of the pipeline that will bring pure water to Oregon City and West Linn.

The petitions that were circulated Thursday met with a hearty response from the taxpayers approached and it is believed that both men will be formidable candidates in the event that opposition develops.
