PERSONALITIES

It is unfortunate that so worthy a citizen of Clackamas county and the state of Oregon as is C. E. Spence, state grange master, should be accused of stooping to more or less questionable tactics in his fight against the proposed bond issue.

Mr. Spence's motives are not subject to the slightest criticism from any reputable source, and it is regrettable that his methods should be worthy of the scoring they are generally receiving.

There isn't a question about the sincerity with which Mr. Spence attacks or supports any measure. He puts his best effort and his whole heart into the fray; but the trouble seems to be that he sometimes injects personalities into his arguments.

Whether we support or attack the proposed bond issue is ordinarily a matter of our own opinion and the view we take of the facts that are presented. Mr. Spence has seen fit to fight the proposal and as a free citizen in a free country he is at perfect liberty to go as far as he likes and to accomplish what he can for his side of the question without subjecting himself to the denunciation of the bond issue supporters.

It is probable that Mr. Spence and the few who are with him in fighting the bonds are just as good citizens as the best of the bond issue sponsors; a difference of opinion does not make a difference in men.

Mr. Spence has unfortunately brought upon himself many unkind remarks and allusions, and the only way that he can avoid a repetition of these things is to steer clear of personalities himself. The bond issue must be decided entirely upon its merits and both sides will enjoy greater success for their efforts if they abide by honorable methods in their fight.

Miss Wallace and Miss Holmes entertained the guests with music, both vocal and instrumental.

LOGAN

One day of sunshine and then the old rain program again. We are beginning to think that maybe the almanacs that have bad weather set down for every spring and summer week, may have received their information from reliable sources.

Had Terrible Pains in Kidneys and Back.

Dear Mr. Editor—I want to write you about "Anurie." I was very sick, could hardly be up; I was in bed most of the time. Had terrible pains in my kidneys and back, so much so that I had to scream sometimes when I was sitting down and wanted to get up, the pain was so great. I had tried a well-known kidney medicine but it didn't help me. I heard of Dr. Pierce's Anurie Tablets, at Buffalo, N. Y., have thoroughly tested this prescription and have been with one accord successful in eradicating these troubles, and in most cases absolutely curing the diseased kidneys. Patients having once used "Anurie" at Dr. Pierce's Invalids' Hotel, have repeatedly sent back for more. Such a demand has been created that Dr. Pierce has decided to put "Anurie" in the drug stores of this country, in a ready-to-use form. If not obtainable send one dime by mail to Dr. Pierce for trial package or 50 cents for full treatment.

NOTE: This "Anurie" is adapted especially for kidney complaints and diseases arising from disorders of the kidneys and bladder, such as backache, weak back, rheumatism, dropsy, congestion of the kidneys, inflammation of the bladder, scalding urine and urinary troubles. The physicians and specialists at Dr. Pierce's great Institution, at Buffalo, N. Y., have thoroughly tested this prescription and have been with one accord successful in eradicating these troubles, and in most cases absolutely curing the diseased kidneys.
