PAY AND FILE INCOME TAX BEFORE MAR. 15

U. S. Internal Revenue Bureau Gives Warning That Severe Penalties Will Be Enforced.

WOMEN WITHIN LAW'S SCOPE; HOW THEY REPORT INCOME

The Income Tax drive comes to a close on Saturday night, March 15. The payments and returns due on that date under the provisions of the new Revenue Law must be in the hands of local Internal Revenue Collectors before their offices close that night.

The Income Tax is being collected to meet the war expenses. Every person who should and is not doing so, is a delinquent. The Internal Revenue Bureau announces that its officers will check up all up to see that every person who comes within the scope of the Income Tax law did his share.

Where to Pay and File.
Residents of Oregon are required to make their returns and pay their taxes to Milton A. Miller, Collector of Internal Revenue, Portland, Ore., or to any of his deputy collectors who are now doing free advisory work on Income Tax.

Payments sent by mail should be attached to the returns and should be in the form of check, money order or draft. Cash payments by mail are sent at the taxpayer's risk of loss. If you are unable to make your return personally because of illness, absence or incapacity an agent or legal representative may make your return. If there are any doubtful points as to your items of income or allowable deductions you should get in touch at once with a Revenue officer or a banker for advice.

Women Pay Tax.
Women are subject to all the requirements of the Income Tax. Whether single or married, a woman's income from all sources must be considered. If unmarried or if living apart from her husband she must make her return for 1918 if her net income was \$1,000 or over.

If married and living with her husband her income must be considered with the husband's in determining the liability for a return. Their joint income, less the credits allowed by law, is subject to normal tax. The wife's net income is considered separately in computing any surtax that may be due. Husband and wife file jointly, as a rule. If the husband does not include his wife's income in his return the wife must file a separate return.

Severe Penalties.
The new Revenue Law places severe penalties on a person who fails to make return on time, refuses to make return or renders a fraudulent return. For failure to make return and pay tax on time a fine of not more than \$1,000 is imposed and 25 per cent of the tax due is added to the assessment. For refusing willfully to make return or for making a false or fraudulent return there is a fine of not exceeding \$10,000 and imprisonment of not exceeding one year, or both.

Farmers' Income Taxable.
Every farmer and ranchman who had a fair or a good year in 1918 must heed the Income Tax this year. He must consider all his income as taxable. He is entitled to deduct from his gross income all amounts expended in carrying on his farm. The cost of farm machinery, farm buildings and improvements cannot be deducted. The cost of live stock, either for resale or for breeding purposes, is also regarded as investment.

Overtime and Bonuses Taxed.
Salary and wage earners must consider as taxable every item received from employers and from other sources. Bonuses and overtime pay are to be reported as well as the regular payments.

Allowances for Losses.
Losses sustained in 1918 and not covered by insurance are deductible items if incurred in the taxpayer's business or trade, in any transaction undertaken for profit or arising from fire, storm, shipwreck or other casualty or from theft.

Square Deal for Every Income Tax Payer.
Washington, D. C. — "The rights of all persons now filing Income Tax returns are amply protected by provisions for abatements, refunds and appeals," says Commissioner Daniel C. Roper.

"Every person can be sure of a square deal. No person is expected to pay more than his share of tax. His share is determined solely by the amount and nature of his net income for 1918, as defined in the law. 'Abatement' petitions are dealt with open-mindedly. Refunds will be made in every case where too much tax is erroneously collected."

"The Income Tax is 'on the level' all the way through."

Notice to Creditors
Notice is hereby given that the County Court of the State of Oregon, for the County of Clackamas, has appointed the undersigned administrator of the Estate of Henrietta J. Hathaway, deceased. All persons having claims against the said decedent, or her estate, are hereby given notice that they shall present them to the undersigned administrator at the office of Jos. E. Hedges, Esq., in the Weinhard Building, in Oregon City, Oregon, within six months from the date of this notice, with

EVERYBODY IS NOW FIGURING INCOME TAX

In Order to Be Helpful to Public, Internal Revenue Bureau Has Every Available Officer in Field.

SEVERE PENALTIES IF YOU DELAY BEYOND MARCH 15

With the due date for Income Taxes only a few weeks away, the collection of this far-reaching tax on 1918 incomes has started off with a bang. Everybody is figuring income tax. Payments and sworn statements of income must reach Internal Revenue offices on or before March 15, and there are severe penalties for delinquency.

Residents of Oregon are required to make their returns and pay their taxes to Milton A. Miller, Collector of Internal Revenue, Portland, Ore., or to any of his deputy collectors who are now doing free advisory work on Income Tax.

"Pay your Income Tax by March 15," is the slogan of the Internal Revenue Bureau, which has sent every available officer into the field to help the public to understand the requirements and to prepare the returns.

Who Must Make Return.
It is estimated that many thousands of single and married persons in this section of the United States who have never before made annual returns are required to do so this year.

Income tax returns must be made between now and March 15 by persons who come under the following classifications:

Any unmarried person whose 1918 net income was \$1,000 or over. Widows and widowers, divorcees and married persons who are living apart from their husbands or wives, are for the purposes of the Income Tax classed as unmarried.

Any married person living with wife or husband whose 1918 net income was \$2,000 or over. The income of both husband and wife must be considered, together with the earnings of minor children, if any.

Revenue Bureau Offers Aid.
Each person in the United States who is in either of these classifications must get busy at once if penalties are to be avoided. He should secure a blank Form 1040 A for reporting net income up to \$5,000, or Form 1040 if his net income exceeded that amount. Forms are being distributed by Collectors and their Deputies, also by banks. By following the instructions on the forms a correct return can be prepared at home. If a person needs advice or aid, the Deputy Collectors in the field will furnish this without charge.

The new Revenue law places the Income Tax duty on citizens and residents. The Internal Revenue Bureau is sending its men to work right with the public to get the tax and the returns in. With active co-operation every tax due March 15 will be paid and every return required by law will be in the Revenue offices on time.

Exemptions Allowed.
A single person is allowed a personal exemption of \$1,000. If he is supporting in his household relatives who are dependent upon him he may claim the status of the head of a family who has the same exemption as if married.

A married person who lives with wife or husband is allowed a personal exemption of \$2,000. The head of a family is entitled to claim a similar personal exemption.

An additional exemption of \$200 is allowed for each person under eighteen or incapable of self support who was dependent upon and received his chief support from the taxpayer.

A husband and wife living together are entitled to but one personal exemption of \$2,000. If they make separate returns the exemption may be claimed by either or divided.

Accuracy Required.
Absolute accuracy is necessary in making up income figures. Any person who is working for wages should find out exactly how much he received during the whole year 1918. Fees, bank interest, bond interest, dividends, rents received and all other items must be reported correctly. Mere guesses are not accepted, for they are unjust alike to the taxpayer and the Government and defeat the proper administration of the law.

INCOME TAX IS
TRULY POPULAR.

"The payment of Income taxes takes on a new significance which should be understood by every citizen. The taxation system of this country is truly popular, of the people, by the people and for the people. Every citizen is liable to tax, and the amount of the tax is graduated according to the success and fortune attained by each individual in availing himself of the opportunities created and preserved by our free institutions. The method and degree of the tax is determined by no favored class, but by the representatives of the people. The proceeds of the tax should be regarded as a national investment."—Daniel C. Roper, Commissioner of Internal Revenue.
