

NATIONAL INDUSTRIAL CONFERENCE VOTES FOR 4-DAY RECESS

WASHINGTON, Oct. 16.—The national industrial conference voted a recess until 9:30 a. m. next Tuesday at its meeting today for the purpose of giving the central committee of 15 time to study and report on the proposal of the labor group that the conference name a board of six to arbitrate the steel strike.

The proposals of the employers' group are divided into 12 clauses, all of which are in the form of enunciation of general principles. One declares that "there should be no interference with the open shop, that is, the shop in which the membership and non-membership in any association is not made a condition of employment."

REPUBLICAN PARTY MOVING TO CONTROL SAYS WILL H. HAYS

Trenton, N. J., Oct. 14.—Will H. Hays, chairman of the Republican national committee, in a letter to William Stokes, Republican state chairman, appealed for a "reassuring victory" in the New Jersey state election next month, "showing in most emphatic tones that the Republican party is moving into that complete control the people want and the country needs so much."

Hays said the outcome of the Jersey elections will have a "salutary effect on the national campaign," and with a Republican victory will come the necessary forward stepping program for labor, business, soldier and all.

CAR STOLEN FROM NASH LOCATED IN PORTLAND AFTER TWO WEEKS

PORTLAND, Oct. 14.—Arrested in connection with the alleged larceny of an automobile owned by Dr. J. G. Nash of Oregon City, Hal McCracken, 17, and Neil Murray, 15, were turned over to the juvenile court Sunday. The arrest was made by Inspectors B. F. Smith and Mallet at East Ninth and Prescott streets Saturday night.

Cleverly altering the numbers on the license plate, the identity of the machine has been concealed for almost two weeks. The original number was 46297. By hammering part of the 4 and beating flat and painting over the 6, the number was changed to 19297. Mrs. Nash stated she left the machine parked at Park and Salmon streets about two weeks ago. She said the automobile had been driven over 1000 miles since its disappearance.

Shirey to become its pastor, beginning his service next Sunday. He succeeds the Rev. Bruce J. Giffin, who has gone to Vernon church, Portland.

Seattle Woman Drowned, Husband Is Under Arrest

SEATTLE, Wash., Oct. 14.—While policemen and deputy sheriffs dragged Lake Washington this morning for the body of Mrs. Bertha Elmer Miller, wife of Walter P. Miller, former deputy sheriff and official photographer with Explorer Dr. Frederick Cook on the Mount McKinley expedition in 1906, the husband is held a prisoner at the county jail.

Mrs. Miller was drowned about 1 o'clock Monday afternoon while she and her husband were crossing the lake.

Miller told the police that Mrs. Miller fell from the stern of the launch. Miller put the launch about and in trying to run alongside Mrs. Miller he ran into her and she caught under the bow. She passed under the launch he said, and the propeller caught in her clothing. In his efforts to liberate her, her coat pulled off, he said, and she sank from sight.

The propeller, the police found, was fouled with clothing, rendering the launch unmanageable and causing Miller to signal to the Atlantic.

Miller formerly was a deputy sheriff. He is a photographer and recently returned to Seattle from San Francisco, where he worked for a newspaper.

Mrs. Miller was a former wife of Mayor L. Baker of Portland.

Pete Herman Still Bantam Champion

NEWARK, N. J., Oct. 14.—Pete Herman still holds the bantamweight crown. He won an eight round bout here last night with the Newark boy, Harold Faresse, but failed to win back any of his waning prestige. He was given but a feeble hand at the conclusion of a listless bout. For a champion the New Orleans boy made a poor showing against a scrapper over whom the king of the class should have won with one hand.

Oregon to Play Idaho Saturday

EUGENE, Oct. 14.—The game between the University of Oregon and Multnomah club, which was won by the Oregon eleven by the score of 23 to 0, gave the followers of the varsity their first chance to see their team in action. The game showed that a great deal of improvement must be forthcoming before the lemon-yellow aggregation starts the conference season next Saturday at Moscow, where they are slated to tangle with the University of Idaho.

MORAN GETS HUGE BONUS

Cincinnati, Oct. 14.—Manager Pat Moran has been presented with a \$5000 bonus by the Cincinnati baseball club. Along with his share of exhibition game receipts and his regular salary he is the highest paid baseball man of the year with the exception of John McGraw. Players Chance, See and Hank Schreiber also were given extra money in addition to what the players' allotment gave them.

MAIL AIR PILOT DIES. BALTIMORE, Oct. 14.—Lyman W. Doty, pilot of one of the New York Washington mail airplanes, was burned to death at the Rolling Road Golf club, Catonsville, a suburb, when his plane crashed nose first into the ground and the gasoline tank exploded. Doty's home was in Biggs, Cal.

Talk about adventures!

Men in the Navy come home with the kind of experiences that most chaps read of only in the books.

Here's your chance!

Uncle Sam has, as you know, a big Navy and gives red-blooded young fellows like you an opportunity to step aboard and "shove off."

What will you get out of it?

Just this: A chance to rub elbows with foreign folks in strange parts of the world.

The chance for good honest work on shipboard—the kind of work that teaches you something real: the kind of work that puts

beef on your shoulders and hair on your chest.

You will get 30 care-free vacation days a year, not counting shore leave in home or foreign ports.

You will have the kind of comradeship in travel that sailors know.

You will have regular pay, over and above your meals, lodging and your first uniform outfit—good stuff all of it.

You can join for two years. When you get through you'll be physically and mentally "tuned up" for the rest of your life. You'll be ready through and through for SUCCESS.

There's a Recruiting Station right near you. If you don't know where it is, your Postmaster will be glad to tell you.

To any Father and Mother:— In the Navy your boy's food, health, work and play, and moral welfare are looked after by responsible experts.

Shove off!—Join the U. S. Navy

CRUISERS OF ALLIES AID RIGA'S DEFENSE AGAINST HUN ATTACKS

COPENHAGEN, Oct. 13.—Allied cruisers are aiding in the defense of Riga against German attacks, which for five days have been incessant and stubborn, according to a communication issued by the Lettish foreign office Sunday. Riga is being bombarded by the enemy.

The situation of the Lettish troops in Riga is desperate, according to dispatches from Helsinki. The German and Russian troops at any moment are expected to force the passage of the Duna river, which separates the main body of Colonel Aavlo-Bernhardt's troops from the main position of Riga.

The old town of Riga and the port have been greatly damaged, it is said. Many civilians have been killed or wounded.
