

ROSE GARDENS IN THIS CITY ATTRACT VISITORS' ATTENTION

Oregon City can well be proud of her rose gardens, for the roses have never looked more beautiful nor have they been more plentiful than at the present time. The Caroline Testouts have done more than they usually do in bursting forth the handsome pink roses, and almost everywhere in the residence sections you will find hedges of these handsome flowers. They are in great profusion everywhere. The Harding hedge, which always attracts attention of the Oregon City visitors heavily laden with blossoms.

A rose bush in the garden of Mrs. Grant B. Dimick on Thirteenth and Main streets, is a marvel, and there are thousands of pink blossoms there. Another rare variety of pink roses is found in the rose garden of Mrs. J. J. Cooke. This the Juliete, and a number of these blossoms were brought to the local post office by Postmaster J. J. Cooke. Here it attracted unusual attention, and E. C. Clement, postoffice inspector, who is a lover of flowers as well as his old time friend, Postmaster Cooke, was the lucky one who secured the rose.

Heretofore Oregon City has had rose shows, but this year and last these were omitted, but the visitors to the city can see the roses growing in the gardens, which are much more attractive than removed from the bushes and which soon die after being picked.

Catarhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflammation of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrhal Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrhal Medicine. Circulars free. All Druggists.

JOSEPH E. HEDGES ELECTED DIRECTOR WITHOUT A CONTEST

Joseph E. Hedges was on Monday elected school director for a three-year term without opposition, receiving all but three scattering votes. As there was no opposition to Mr. Hedges' candidacy, the vote was very light, only 61 people going to the polls, which were open from 2 to 7 P. M. The board will elect its own chairman for the new school year.

You can't cover blackheads, pimples, red spots on the face with powder; they're bound to be seen—don't worry or spoil your temper, take Hollister's Rocky Mountain Tea each week—twice daily banish them thru the blood, the only sure way. 35c. Huntley Drug Co.—Adv.
