MILWAUKIE SERVICE MEN RECEIVE GREAT WELCOME ON RETURN

Milwaukee gave a rousing entertainment in honor of the returned service men last Wednesday at Crystal Lake Park. Mayor J. M. Snyder declared a holiday and all business closed at noon and about 1000 people assisted in the flag raising and dedication of the service board then marched to the park.

The committee of mothers who erected the board raised an American flag above them. They were Mrs. W. E. Morand, Mrs. J. J. Miller, Mrs. R. H. Intyre and Mrs. M. A. Johnson, who gave the dedicating address. Mayor Snyder gave the address of welcome.

Capt. E. J. Elvers gave the principal address at the park and the 7th and 8th grade girls sang several selections. Band selections were given.

A good baseball game was played between the home team and the soldiers, resulting in favor of the home team. In the games and races, the race for the boys under 14 was won by John Arrighi.

Girls under 14, Margarette Bretten, Pat Man Race, B. Haggman.

Ladies free for all, Laura Spring.

Married Ladies, Mrs. C. H. Crawford.

Service Men, 1st Billy Moon, 2nd Dewey Bristol.

3-legged Race, 1st Noah Toates; 2nd Willard Roalson.

Service men, Arthur Taylor, Louis Shindler.

A splendid dinner, consisting of roast veal, sandwiches, salad, beans, pie, cake, ice cream and coffee was served to all, after which dancing was enjoyed until midnight.

The City of Milwaukee gave its returned soldiers, marines and sailors a royal reception Wednesday afternoon and evening, and was largely attended. The affair was in the form of a picnic, when a barbecue was one of the main features, and also dancing enjoyed during the afternoon and evening.

The affair was largely attended, and the service men were largely represented. Many boys of that place responded to the call of Uncle Sam when the United States first became involved in the world war.

Among those forming a party in Oregon City attending the picnic were Mr. and Mrs. Benjamin Grossenbacher and son, Carl Richard, Mrs. D. A. Hamilton, Carl Hamilton, Miss Mary Hamilton, Mrs. A. D. Bowers, of Walla Walla, Wash., Miss Lillian Grossenbacher, Miss Gladys Brotherton, of Walla Walla, Wash., Mrs. Kiser, of Walla Walla; Captain Leo Johnson, of Milwaukee; Walter Grossenbacher.

Those forming this party had a delightful time.

Mrs. R. L. Large and children, of Hoquiam, Wash., are visiting at the home of her parents, Mr. and Mrs. J. I. Johnson. They expect to remain a month.

ENGINEERS ARE GIVEN WELCOME IN PORTLAND

PORTLAND, June 23.—Stepping in to a welcome that almost took them off their feet, 205 members of the 21st and 23rd Engineers arrived at the Union station shortly after 8 o'clock this morning. An avalanche of friends and relatives of the Portland boys were on hand to welcome them after their 18 months or more in France, during which time they were often and for long periods under shellfire, besides taking part in at least two major operations.

After the first squall of the reception was over, the boys marched to the Liberty Temple, accompanied by the American Red Cross Canteen band, which had participated in the greetings with some lively airs. Mayor Baker told them how the Oregon country had waited and watched for them and backed them in every drive of any sort.

From the Liberty Temple the boys went to breakfast, part going to the Portland and others going to the Imperial. Walter Jenkins and Walter Hardwick, accompanied by Mrs. Walter Hardwick, enlivened the breakfast with some familiar songs.

STATEMENT ON FOOD PRICES SHOWS MANY ARTICLES GOING UP

WASHINGTON, June 24.—The cost of living is still going up, according to a statement on food prices issued today by the department of labor.

The retail price of 22 articles of food combined for the United States was 2 per cent higher on May 15 than on April 15, 1919, according to the statement, and out of 41 articles for which prices are received by the bureau of labor statistics each month from retail dealers, 28 advanced in May.

Butter advanced 7 per cent in April, but decreased 5 per cent in May. Bacon increased 4 per cent in April, but decreased 1 per cent in May. Lard increased 6 per cent in April and 10 per cent in May.

Meal increased 2 per cent in April and 17 per cent in May, which brings it up to the price of May, 1918. Flour increased 6 per cent in April and 6 per cent in May; eggs, 2 per cent in April and 8 per cent in May; coffee, 2 per cent in April and 5 per cent in May.

MANY INJURED IN RIOTING OF BRASS WORKERS

WATERBURY, CONN., June 20.—Five policemen were hurt, probably fatally, and more than 200 striking brass workers were removed to hospitals last night in a riot which extended throughout Brooklyn, a suburb of this city, following a walkout of employees of five large manufacturing plants.

A panic developed throughout the city as fusillades of shots were fired in the Brooklyn section after all apparatus of the fire department had been called and the home guard hurriedly mobilized.

Not until the city guard had put its machine guns in position at the entrance of all the factories involved in the strike were the police able to halt destruction of property and get the situation in hand. At least half of the injured strikers are suffering from bullet wounds.

Soon after 4 o'clock the whistles throughout Waterbury sounded a riot call and within half an hour traffic in all the central streets had halted as the fire apparatus and the police reserves started for Brooklyn. They were confronted by more than 10,000 men upon arriving at the factory section and scores of the firemen and policemen were injured in a hail of missiles.

ALIENS TO LEAVE U. S.

WASHINGTON, June 19.—That 1,300,000 aliens are planning to return to their native countries as soon as they can secure their passage, was shown by an investigation.

STATE PIONEERS ENJOYS REUNION IN PORTLAND

PORTLAND, June 19.—Coming from all corners of the Oregon country that was opened to the world through their vision, their fortitude and their faith, the men and women who are the fathers and mothers of Oregon are assembled today nearly 500 strong.

Their eyes still bright with the faith that has been abiding and justified their step ringing sound upon the pavements that cover the water-edged trails of another day, the pioneers of the Oregon country have found supreme happiness in the result of their conquering invasion of a territory hostile by nature and circumstance.

The past was the present throughout the day. The morning hours of the forty-seventh annual reunion were marked by informal review of the days of hardy men and great women. At 2 o'clock the first formal meeting of the reunion assembled at the Auditorium, with Nathan H. Bird, a pioneer of '46 acting as president.

An address of welcome by Mayor Baker was followed by the response by W. H. H. Dufur, 1859. The annual address was delivered by George W. Riddle, '52. An entertainment program was followed by the annual banquet at 4:30, when the pioneers, guided by Grand Marshals T. C. Belcher and John Dixon entered the banquet hall to be served dinner by the Women's Auxiliary.

LABOR ADOPTS NEW PROGRAM FOR BETTER DAY

ATLANTIC CITY, N. J., June 19.—A comprehensive reconstruction program designed to bring to all people greater hope for a better day, a brighter life, greater liberty and a larger degree of happiness, was adopted by the American Federation of Labor at today's session of its annual convention.

The suggestion that American organized labor form a political party was rejected unanimously by the convention.

Radicals and conservatives united in approving a report embodying reconstruction recommendations devised by the federation's executive council. The report tonight was termed by labor leaders "a new declaration of independence for the workers of America."

Plans for the ceremony attending the signature of the treaty were considered by the supreme council today. It is known that President Wilson favors making it as simple as is consistent with the nature of the event, and the original plans for the conclusion of "the second peace of Versailles" have been materially modified at his suggestion.

VERSAILLES, June 24.—Premier Clemenceau, President Wilson and Premier Lloyd George visited the palace this afternoon to inspect the arrangements for the ceremony of signing the peace treaty.

LARGE ARMY AUTHORIZED TO SERVE ON BORDER

WASHINGTON, June 20.—Recruiting of 25,000 men for special service on the Mexican border was authorized by Secretary of War Baker today. The men will be assigned to units now on border service, it was explained, to permit the release of men whose enlistments were only for the duration of the war. The number of men to be recruited are:

Infantry, 8000 white and 2000 colored; cavalry, 10,000 white and 2000 colored; field artillery, 2000; engineers, 800; medical corps, 1200; ordnance, 150; signal corps, 300; air service, 500, and quartermaster corps, 1500.

GERMANS MAY SIGN ON FRIDAY AFTERNOON

PARIS, June 24.—Friday afternoon probably will witness, at Versailles, the signing by Germany of the peace treaty.

The German plenipotentiaries, armed with authority to fix their signatures to the document, are due at Versailles Friday morning.

Herr Mueller, foreign minister in the new cabinet of Herr Bauer, is expected to be the chief German plenipotentiary. Dr. Haniel von Haimhausen, who was to have signed the treaty for Germany, having resigned from the peace delegation, not desiring to have the onus of sealing the compact fall on his shoulders.

Even the new premier in Germany continues to express indignation over Germany being compelled to meet the allied terms. In his latest address before the national assembly at Weimar, Bauer is quoted as saying:

"Let us sign, but it is our hope that to the last breath this attempt against our honor may one day recoil against its authors."

The new Italian delegation to the peace conference, made necessary by the resignation of the cabinet of Signor Orlando, also is expected to reach Versailles Friday. It will be headed by Signor Tittoni, foreign minister.

DELEGATES CONSIDER
CEREMONY OF SIGNING

PARIS, June 24.—Hermann Mueller, the new German foreign secretary, will head the German delegation to sign the peace treaty, La Liberté says. The Germans probably will arrive at Versailles Wednesday morning.

No official word has been received from Weimar relative to the new German plenipotentiaries at Versailles. The date of the ceremony of signing the treaty has not as yet been fixed, but the belief is gaining ground that it will occur Thursday or possibly Friday.

Plans for the ceremony attending the signature of the treaty were considered by the supreme council today. It is known that President Wilson favors making it as simple as is consistent with the nature of the event, and the original plans for the conclusion of "the second peace of Versailles" have been materially modified at his suggestion.

WELCOME GIVEN TROOP "D" BOYS IN PENDLETON

PENDLETON, Ore., June 25.—Pendleton took the boys of old "Troop D" to her arms this evening with even more of a demonstration than when she sent them away two long years ago. Bronzed and vigorous, the 38 members of the troop who are with the 148th Field Artillery landed here shortly after 6 o'clock this evening. It seemed that the entire county was at the train to meet them.

Tomorrow morning another detachment of old Troop D will reach Pendleton on the train carrying the members of the 148th Field Artillery. The men were about equally divided between these two organizations. The exact time of arrival of this train has not yet been made known, but it is expected some time around 6 o'clock.

WILSON COMING HOME

WASHINGTON, June 23.—President Wilson cabled Secretary Tumult today that he expected to leave Brest on his homeward journey Wednesday or Thursday.

The president should make the return trip within a week and immediately after his arrival here he personally will present the peace treaty to the senate for ratification. After he clears his desk of accumulated work he will make a "swing around the circuit," speaking in support of the treaty and the league of nations covenant.

You can't cover blackheads, pimples, red spots on the face with powder; they're bound to be seen—don't worry or spoil your temper, take Hollister's Rocky Mountain Tea each week—twice banish them thru the blood, the only sure way. 35c. Huntley Drug Co.—Adv.
