SANDRINGHAM AND OTHER
TOWNS ALONG COAST OBJECT
OF RAID.

ONE ZEPPELIN IS BROUGHT TO EARTH BY BRITISH GUNS

Bombs Are Aimed at King's Palace
But Missed Do Not Hit—
Citizens Reported Killed
in Attack.

LONDON, Jan. 20, 12:50 A. M.—
Bombs were dropped last night by hostile
air craft on Sandringham, Yarmouth,
King's Lynn, Sheeringham, Cromer and
Beeston.

Sandringham is a royal residence. A
bomb is said to have fallen near the
palace, but to have done no damage to
the palace itself. The attack on Sandringham
occurred at 10:45 P. M., the others earlier.

A Zeppelin has been brought down
at Hunstanton, a few miles north of
Sandringham, according to a dispatch
from King's Lynn to the Central News.
It is said a warship brought the air-
craft down.

A Yarmouth dispatch to the Ex-
change Telegraph Company says it is
believed it was an aeroplane and not a
Zeppelin which visited Sheeringham,
five miles from Cromer, and dropped
two bombs. No damage was done at
that place.

According to accounts of the air raid
reaching Norfolk air craft dropped
bombs on Yarmouth, Sheeringham,
Cromer and Beeston, in Norfolk coun-
ty. At Sheeringham a bomb dropped in
Wyndham street, cut through a
house, but did not explode, apparently
because the fuse became detached in
the descent.

The bomb dropped at Beeston did
no damage. The bombs measured near-
ly four inches in diameter.

YARMOUTH, via London, Jan. 19.—
A hostile air craft passed over Yar-
mouth at 8:30 o'clock tonight and
dropped several bombs. Considerable
damage to property resulted and it is
feared there was some loss of life.
One man is reported to have had his
head blown off.

One bomb fell in Norfolk square
close to the waterfront, and another on
the south quay. A third struck the
York road drill hall, fragments of the
ceiling of the shell crashing through
the glass roof of the billiard-room of
the headquarters of the National Re-
serve. A fourth missile fell near the
Trinity depot.

HOUSE PASSES BILL FOR WATER LINE

SALEM, Ore., Jan. 14.—Not content
with being merely the father of the
largest family of bills so far intro-
duced into the house, Representative
Schubel of Clackamas achieved the
distinction of seeing one of his meas-
ures passed—the first of the session.

This is his bill to allow Oregon City
and West Linn to construct a joint
waterworks system. It allows any ad-
jacent cities the same right if they
wish, but the situation at Oregon City
was deemed an emergency, because
the plan is to hold an election at an
early date and it is necessary to re-
move legal obstacles in advance.

COUNTY WINS EIGHT COMMITTEE PLACES

SALEM, Ore., Jan. 14.—(Special).—
Clackamas county legislators secured
eight places on committees, including
two chairmanships, when Speaker Sel-
ling today announced his appointments.

C. Schubel was given a place on the
fisheries, judiciary, and manufac-
turing committees. The first of these
is considered important for a Clack-
amas county man because of the usual
struggle to close the Willamette river
to net fishing. Each of these commit-
tees, however, are important.

Guy T. Hunt and C. W. Risley are
given chairmanships. The former is
the head of the horticulture commit-
tee and the latter of the livestock, but
each man is a member of the other
body. Mr. Risley, a firm believer in
good roads, is on the roads and high-
ways committee.

FARMER WINS \$50 IN SUIT AGAINST ERVIN

JESSE STRUCKEN WINS SMALL
JUDGMENT IN SUIT FOR
\$5000.

A judgment for \$50 was returned by
a jury in the circuit court late Satur-
day afternoon for Jesse Sherman in
his suit against Deputy Game Warden
Frank Ervin for alleged false arrest.

The original suit was for \$5000.
Sherman is a farmer living on the
Sandy river near Cherryville. He
testified on the witness stand that
Deputy Warden Ervin and Davies on
February 2, 1912, arrested him near
his farm on a charge of killing deer
off season. He said that the officers
threatened to shoot him at two
different times.

Ervin was defended by District At-
torney Gilbert Hedges and John N.
Stevens. The defense denied that Sher-
man was even arrested and Ervin on
the stand testified that he arrested
John Vanderhoff, a neighbor of Sher-
man, on February 2, 1912, and that he
took Sherman's name whom he in-
tended to use in Vanderhoff's trial.

The testimony introduced by the
defendant through Edgar Brooks of
Sandy proved to be the most startling
development of the case. He testi-
fied that Sherman offered him \$100
if he would swear that he saw Sher-
man in Sandy with Ervin. Brooks
said that he refused to accept the
money.

Ervin said Saturday night that he
would file a motion for a new trial
and characterized the verdict of the
jury as an "outrage."

ILLNESS OF ONLY FEW HOURS FATAL TO GIRL

After an illness of only a few hours,
Ethel May Wieland, the five-year-old
daughter of Mr. and Mrs. John Wie-
land, living at the Portland house, died
late Wednesday night.

Wednesday morning the girl was
playing about her home as usual, but
in the afternoon she became ill. Her
condition became serious and Dr. Hunt
was called. She died at 10:30 o'clock.
The girl was born in Wisconsin but
has lived in Oregon City for some time.
The body is being held at the Holman
funeral parlors until funeral arrange-
ments are completed.

110 ATTEND DINNER IN PARKPLACE HALL

At the close of a campaign which
increased the attendance of the Park-
place Congregational Sunday school
almost 200 per cent, the Parkplace
grange hall was filled Friday night,
with 110 members of the school.

The campaign was conducted in the
form of a contest. The school was di-
vided into two teams; the reds under
the leadership of Miss Marie Holmes,
and the whites under Fred Butts. The
reds won and the losers gave a dinner
to their successful competitors.

F. C. Lucas was toastmaster and
toasts were given by Rev. H. N. Smith,
Rev. George Nelson Edwards, Fred
Butts, Miss Marie Holmes, Clarence
Bruner, Rev. E. C. Murphy and Super-
intendent Bentley.

HOPGROWERS MEET AND ELECT OFFICERS

What was declared to have been
one of the largest meetings of hop-
growers which has been held in the
valley occurred at Aurora the latter
part of last week under the auspices
of the Oregon Hopgrowers association.
There were fully ninety growers pre-
sent and every one subscribed for stock
in that organization to the full amount
of his acreage so that nearly \$6000
was raised to assist in financing the
organization. Opposition had been ex-
pected by the association men but in-
stead all were enthusiastic for the new
organization.

Dave Kell was chosen chairman of
the local committee and Frank Krax-
berger of Mackburg, secretary. Other
members chosen were: Bryan Grimm,
George Yergen and Jake Ritter. This
committee will complete the work of
organizing the hop men of the section
in the state wide association.

WOMAN IN BAD CONDITION

Restored To Health by Lydia
E. Pinkham's Vegeta-
ble Compound.

Montpelier, Vt.—"We have great
faith in your remedies. I was very ir-
regular and was tired and sleepy all
the time, would have cold chills, and my
hands and feet would blot. My stomach
bothered me, I had
pain in my side and
a bad headache most
of the time. Lydia
E. Pinkham's Vegeta-
ble Compound has
done me lots of good
and I now feel fine. I am regular, my
stomach is better and my pains have all
left me. You can use my name if you
like. I am proud of what your remedies
have done for me."—Mrs. MARY
GAUTHIER, 21 Ridge St., Montpelier, Vt.

An Honored Dependable Medicine
It must be admitted by every fair-
minded, intelligent person, that a medi-
cine could not live and grow in popularity
for nearly forty years, and to-day hold
a record for thousands upon thousands
of actual cures, as has Lydia E. Pink-
ham's Vegetable Compound, without
possessing great virtue and actual
worth. Such medicines must be looked
upon and termed both standard and
dependable by every thinking person.

If you have the slightest doubt
that Lydia E. Pinkham's Vegeta-
ble Compound will help you, write to
Lydia E. Pinkham Medicine Co.
(Confidential) Lynn, Mass., for ad-
vice. Your letter will be opened,
read and answered by a woman,
and held in strict confidence.

FRESH EGGS DOWN AGAIN IN OREGON

The market for eggs showed further
weakness and price Thursday with
sales of case count down to 25c a do-
zen. Practically all of the sales are
made at this time case count be-
cause of the very limited loss in can-
dled. A few cases of stock that had
been candled especially for very par-
ticular customers are reported sold
at 29 to 30c a dozen in Portland.

Priests losses in California continue
severe and this is having a very bad
effect upon the northwest trade. While
the surplus here is not really heavy,
the fear of importations from the south
is forcing receivers to clean up from
day to day, if possible, at lower prices.

The cold storage interests are fight-
ing with their backs against the wall
in Portland. Sales of cold storage
stock are decreasing from day to day
as the price of fresh ranch is reduced,
and with very heavy stocks of cold
house goods still being held by specu-
lators, the outlook is seem-
ingly for the greatest losses in many
years.

TOP PRICES RULE IN STOCK YARD MARKETS

Receipts for the week at the Port-
land Union Stock Yards have been:
Cattle, 1633; calves 31; hogs, 3021;
sheep, 5026.

The cattle market has not been char-
acterized this week by quality and as
a result top prices have ruled less than
last week. Top steers brought \$8.10
per hundred, but have ruled less since.
Best cows brought \$6.75.

Hogs have steadily declined since
Monday, although the Portland market
has maintained its supremacy over all
other American markets all week. The
depression seems general and is not by
any means a local affair. Top prices
around \$7.

Sheep market continues strong with
light receipts. There is still a shortage
of good quality stuff coming forward,
but all offerings are being taken
readily.

tive:

WILSONVILLE

Mrs. Aubrey Wood, principal of the
Wilsonville public school, was granted
a life diploma, at the recent teacher's
examination.

W. W. Graham and Mr. Gregory, of
Portland, visited at the Graham farm,
on Sunday.

The Misses Angus spent the week-
end in Portland, visiting relatives and
friends.

Mrs. Cora Hasselthorn passed a
splendid examination at the recent test
and her many friends will be glad to
learn that she will probably resume
teaching next year, having taken a
much needed rest, on account of her
health.

Robt. Graham attended the Masonic
gathering at the Rose City last week.
Little Audrey Wood entertained a
few friends at a birthday party, on Sat-
urday afternoon.

Ether Nendel, who formerly resided
on a farm near our village was mar-
ried recently to Mr. Baker, a young
farmer near Eugene, where the happy
couple will now reside.

Mr. and Mrs. Dorris Young are re-
ceiving congratulations from their
hosts of friends, having been married
quietly in Oregon City, last week, on
Saturday evening. Dorris is one of
our prominent young farmers, having
graduated from the Oregon Agricul-
tural College, and has the happy fac-
ulty of making friends wherever he goes,
and his wife is a great favorite in our
village, where she has been teaching
in the public schools. May happiness
and continued prosperity attend this
popular young couple, in the sincere
wish of their admiring friends.

Misses Gladys and Leah Wagner en-
tertained their many friends of the
younger set in a delightful manner on
Friday evening, at their home near our
village. Games and music were the
pleasures of the evening, and a dainty
collation was served by the capable
and popular hostesses.

Professor Stafford, from the depart-
ment of chemistry, of the Oregon Uni-
versity, will lecture in the school-
house, on Friday evening, at eight
o'clock, upon the subject "Worlds in
the Making." The lecture will be il-
lustrated, and will probably be one of
the best ever given here, and it is to
be hoped that all who can do so, will
avail themselves of the privilege of at-
tendance. There is no admission fee,
these splendid lectures being free.

The Odd Fellows and Rebekah
lodges held a joint installation and
banquet on last Saturday evening in
the M. B. A. hall. Mrs. Croning was
installed as Noble Grand; Mrs. Elder-
broff, Vice-Grand; J. L. Seely, Treasur-
er and Tom Muller, Secretary of the
Rebekah lodge and for the Odd Fel-
lows the officers installed were as fol-
lows: J. L. Seely, N. G.; Clifford Mur-
ray, V. G.; T. Mulloy, Treasurer; Al-
bert Campbell, Secretary. Mr. Walter
Sharp was the installing officer for the
Odd Fellows and the Rebekah officers
were installed by W. F. Stangel. A
splendid banquet was enjoyed at the
close of the installation services.
These lodges have both finished a very
successful term, under the direction of
the retiring officers.

KEEPING IN GOOD CONDITION

Many people suffer from indigestion
and constipation and do not know it.
A feeling of dullness and languidness,
bitter taste in the mouth, headache,
bilious fever—most of the conditions
when you "are not sick but don't feel
right"—can be traced to sluggish bow-
els and torpid liver. Foley Cathartic
Tablets cleanse the system, arouse the
liver, banish indigestion and make you
"feel good all over"—light, energetic
and ambitious. Sold by Jones Drug
