Prompt Action Averts Trouble.

Sluggish bowels indirectly cause much sickness. A constipated condition not only poisons the blood stream but quickly affects the liver and other organs, causing biliousness, sick headache, sour stomach, bloating, etc. Foley Cathartic Tablets are mild in action, yet cleanse thoroughly, with no nausea, and no costive after effects. They keep the bowels regulated, stomach sweet and liver active. Stout persons welcome the comfortable, light, free feeling they bring.—Jones Drug Co.

A BUSINESS CHAT

The secret of successful advertising is consistency. The big fellow—the chap who long ago found out the value of well-written advertising, and who is profiting now from the returns on his investment in printer's ink—is the fellow who advertises in every issue of the paper. He knows that one ad. won't flood his stores with trade forever. He knows that to win business consistently he must want it consistently and the essence of that want is found in the frequency and quality of his advertising. Advertising is like the highway to success—you have to keep hitting her up along the road at a pretty good rate if you expect to arrive at your goal. We don't care what you do when you have arrived so long as you enjoy yourself, but THE COURIER does care how you travel toward the goal. Your journey will be easier, surer, and more profitable—your arrival will be more pleasant—if you pave the way with well-written and CONSISTENT advertising. Consistency thou art a jewel! Jewels are valuable, better try a frequent investment in the brightest jewel in the business world—ADVERTISING.
