Mrs. Bertha Kelland entertained the Ladies' Aid society last week.

The Basques do not allow their clergy or lawyers to become members of the Junta. Would not American government be benefitted by the emulation of their doctrine?

Is there a reasonable explanation of the rapid decline in cream and egg prices? Feed shows no corresponding fluctuation; it took place during a winter month and statistics further show an extreme shortage in storage. Either the extreme prices prevailing during November, December and January were unreasonable, else the abnormal decline was unnatural. There are good reasons for questioning both, and the speculator can come nearer a correct solution than any one else.

D. F. Skene has erected a hog house on his newly acquired ranch.

The county court, when approached on the subject of road repairs for this district, gave out the information that it was not their intention to neglect improved highways in need of attention, and that in all probability the south end road would be smoothed up this coming season.

The gathering of news in a country district is more difficult than fighting the Aphid in August.

Mr. and Mrs. Curtis Dadds entertained Portland friends over Sunday.

Suffered for Eight Years

Rheumatic pains, lame back, sore muscles and stiff joints most frequently can be traced to overworked weak or disordered kidneys. Daisy Bell, R. F. D. 3, Box 234, Savannah, Ga., writes: "I was suffering for eight years from pain in the back and could not do any of my work, but since I have taken Foley Kidney Pills I can do all my work." Foley Kidney Pills have given relief to thousands who suffered from kidney or bladder trouble. Try them.—Jones Drug Co.

The association contemplates putting up quite a large building the lower part to be used as a store and the upper for a hall. As soon as completed the McMurry Bros. will occupy the lower part, putting in a

Water Systems

will be found on hundreds of farms and suburban places in Oregon and the Northwest. They have been sold here by us for years. They give satisfaction. WHY? Because they are made up of good units such as

Stover Gasoline Engines

Myers Pumps and Cylinders and Tanks that are made right and thoroughly tested

and we make proper installation, using men for this purpose who have had years of experience. Besides all this, if anything isn't right we try to make it right. When you install a water system you put in something that is to serve you for many years. Better get a good system made up of good units, put in by a responsible concern with experienced men and in the right way.

Mr. and Mrs. Carl Dallas are the proud parents of a baby girl, which arrived March 3rd.

J. G. Mumpower and Lester Sprague spent the week-end at Molalla, going by auto. Having spent considerable time fishing their machine out of side roads and mud holes, they decided to spend their time on

more solid roads nearer home in the future.

Our postmaster, J. Cool, made a trip around on route 2 a few days past on one of Oregon's rainy days. The Ford got balky, refusing to pull up hill, but with Mr. Cook's knowledge of running a Ford and his kindly assistance with a push now and then and a soft exclamation of encouragement, Oregon City was reached in due time. Nevertheless, our mail carrier was released from a few miles of almost impassable roads.

Baker's Bridge Grange will meet Saturday, March 8, at 11 a. m., the

usual hour being 8 p. m. A welcome is extended to all Granges.
