

Newsy Briefs From All Over the County

MACKSBURG.

MACKSBURG, Ore., Sept. 28.—(Special)—According to our post, "The melancholy days have come, the saddest of the year," but what melancholy can be found in an atmosphere redolent of newly plowed earth, fragrant with the scent of autumn flowers and vocal with the song of birds, who are bestowing upon us their sweetest notes before departing for the south. There can be no gloom in the laden fruit trees, bending under their luscious store, in the profusion of roses and chrysanthemums and there is nothing depressing surely in the sight of barns crowded to overflowing with the winter's supply of grain and hay, or of store rooms, their long shelves filled with tempting provisions for the long rainy season which we call winter in this Pacific climate. Results of the summer's toil are to be seen not only in the full supply from nature's store, but also in the new buildings that have gone up in our vicinity during the past summer and spring.

Many of the well stored barns are entirely new. Henry Kistler's ranch shows three fine new structures. A garage for his new auto, a large poultry house, and a woodshed that has the appearance of a neat little dwelling.

Geo. Zimmer is putting the finishing touches on a cold storage building and Herman Lieb's new barn was ready to receive the summer's crop. These three ranches are within close range of each other, but other portions of the town have not been backward in the march of improvement.

Geo. Welsh is completing the inside finish of his home and is making it a handsome residence. His new fences, too, add greatly to the improved appearance of the place.

The Mothers' club is to hold its 20th session of the year on the afternoon of September 28th at the home of Mrs. Roberts.

Mrs. Nellie Vogel, of Portland, accompanied by her two small children, have been visiting her mother, Mrs. J. Gibson, who has gone to their home. Ed Gibson and his brother-in-law, Ed Burgess, have about finished their summer's work east of the mountains and are soon expected home.

The county fair has been the most absorbing topic for the past fortnight. Scarcely a household in our community having been unrepresented there. The Minonite congregation is to hold a mission meeting at the Bethel chapel on Saturday, October 14th. As it is to be an all-day service, lunch will be served on the chapel grounds. The Eby school opened on Monday, September 25th, with a full attendance.

The Macksburg school begins October 2nd. Mr. Thomas, the principal, is to occupy the new vacant home of Mr. Schwanzara. We are all glad to learn that Mr. Schwanzara has secured a good position in Los Angeles, where he has taken his family with the exception of his eldest son, Henry, who is working in Idaho.

MACKSBURG OAT YIELD 138 BUSHELS AN ACRE

BIG CROPS ARE REPORTED IN SOUTHERN PART OF THIS COUNTY.

MACKSBURG, Ore., Sept. 28.—(Special)—The harvest is about over, and, despite all fears, the weather has continued favorable throughout. Some fine grain has been threshed. James Smith's oats yielded 123; George Scramlin's, 126 1/2, and H. H. Hepler's, 130 bushels to the acre.

Hop-picking is nearing its finish and the campers are coming home with their well-earned gains.

Not without regret that it comes but once in the year does the hop season close. Besides being a fairly profitable occupation, a large amount of social enjoyment is found here. The work is not hindered by conversation. Friends meet friends, who have but little time to spend with each other throughout the year. Many a hidden arrow from Cupid's bow speeds on its course in the hop field, and, altogether, the last day of the hop-picking is not passed without a sigh.

Ralph Whittiers, who is occupying the former Bradbury place, has been so seriously injured by a kick from his horse, that grave fears for its results are felt.

Miss Ella Miller returned from a long stay at Canby on Monday night.

Mrs. Chris Christner, of Bear Creek, and Mrs. Sol Strubahr, of Woodburn, were visiting Mrs. G. M. Baldwin on Tuesday.

John Nofzger, with his family, had a narrow escape from losing their house by fire, while absent in the hop field. No one can give any clue to the origin of the flame, which was first discovered by a passing stranger, who went quickly to the rescue. Single handed, however, he could make but little progress against the fire, and the house would, without doubt, have been burned to the ground but for the timely aid of Henry Kester and George Zimmer, who were promptly on the ground and who succeeded in extinguishing the blaze before any serious damage had been done, except to the roof.

The Macksburg school is to open October 2. In most of the other schools work begins on September 25.

Miss Rachel Miller enters the Woodburn high school this year.

The next meeting is to be held September 28 at the home of Mrs. Roberts.
