

AVOID ALUM

AN UNSEEN DANGER IN FOOD

TO GUARD SHIPS against the unseen dangers at sea, the United States Government maintains lighthouses.

To guard your home against the unseen dangers of food products, the Government has enacted a pure food law. The law compels the manufacturers of baking powder to print the ingredients on the label of each can.

The Government has made the label your protection—so that you can avoid alum—read it carefully, if it does not say pure cream of tartar hand it back and

Say plainly—

ROYAL BAKING POWDER

ROYAL is a pure, cream of tartar baking powder—a pure product of grapes—adds the digestion—adds to the healthfulness of food.

THE CLOSING OUT SALE OF THE C. P. BISHOP STOCK

is drawing to an end.

NEVER in our history have we been able to offer you such GENUINE BARGAINS.

The reasons are obvious.

We bought out Mr. BISHOP to secure much-needed room for our increasing business; we do not wish to sell goods bearing the label of any other merchant, preferring to give you our own guarantee.

We therefore are going to CLOSE OUT every garment bearing Mr. BISHOP'S name; and it is a good one, even if it means a loss to us.
