

OREGON CITY DEFEATS HILLSBORO HIGH BY BIG SCORE OF 19-6

Oregon City high school defeated the Hillsboro high school on Canemah field by a score of 19 to 6 Friday. Hillsboro's score was made early in the first quarter when an O. C. man blocked a Hillsboro kick which was recovered by a Hillsboro player, who went over for a touchdown.

O. C. scored a touchdown in each of the second, third and fourth quarters. McDonald went over for the first touchdown, but the O. C. team was penalized for pushing.

On the next play G. Cason went eight yards around right end, carrying the ball directly behind the goal post. Califf missed the goal kick.

The next touchdown was made by McDonald after a steady march down the field by all the O. C. backfielders. Califf kicked goal from a bad angle.

The last touchdown came in the middle of the last quarter on a 30 yard run by McDonald, headed by perfect interference.

Califf missed goal from a bad angle. Shannon and Mass played an excellent game on the line. Wilson at center outplayed his opponent. McDonald was the star of the backfield, while Gleason made much yardage through the line.

Harbison, playing for the first time behind the line, gives promise of becoming an excellent backfield man. The work of Califf at running interference was a feature of the game.

No substitution was made on either team during the game. O. C.'s backfield were out of the game, but Cook King hopes to have them in the game against Vancouver, November 7.

The lineup for O. C. was as follows: R. end, Howard Mass; r. tackle, Louis Vierbus; r. guard, Leslie Kellogg; center, Gordon Wilson; l. guard, Sidney Warner; l. tackle, Jesse Shannon; l. end, Wm. Rutherford; r. half, Hugh Harbison; l. half, Raymond Califf; fullback, Melvin Gleason; quarterback, Arthur McDonald.

ONE MAN IS KILLED AS CAR HITS AUTO TRUCK

One man was killed and another seriously injured when the automobile in which the men were riding was struck by a Portland bound electric car at Glen Echo crossing.

The dead man is L. C. Smith, of Portland. Morris Fox, of Portland, the other occupant of the car, is now at the Oregon City hospital in a serious condition.

The accident occurred Monday morning at 10 o'clock. The two men were returning to Portland in a Ford truck belonging to the Hexter Hardware company of that city. Although it is said they saw the car approaching, they increased the speed of the machine in an attempt to make the crossing.

The car struck the truck with full force, knocking it up against the waiting station. Charles Moran, who was in the station at the time, was bruised by a flying board when the automobile hit the station.

BABY CONFERENCE FOR OREGON CITY PLANNED FOR NOVEMBER 17-18

Miss Lassie Lane, recently appointed home demonstrator by the state, has given a number of excellent talks in Portland during the past week. Among the subjects Miss Lane discussed were "The Present Food Prices and How Expenses Could Be Eliminated by the Housewife." Her addresses were given at the Portland Food show.

Miss Lane, who is a graduate of the Oregon Agricultural college, is making her headquarters with Miss Marie Anthony McMillan, county home demonstrator. These two young women are working together in Clackamas county, and have arranged for holding a baby conference November 18.

Mothers will be invited to bring their babies to the Oregon City library, where the children will be given a eugenics test, at which some of the leading physicians and dentists will be present. If the children are underfed and show improper nourishment, these children will be given special attention, and Miss Lane and Miss McMillan will call personally at the homes and advise the mothers.

It is also the plan of these women to arrange for a baby week. Dry-goods stores are to arrange their windows with children's clothing, while the drug and grocery stores will offer suggestions in food.

Children have been appointed to assist in the various precincts of the city, and are as follows:

Precinct 1—Mrs. Nettie Lawler.
Precinct 2—Mrs. O. D. Eby.
Precinct 3—Mrs. S. F. Scripture.
Precinct 4—Mrs. James China.
Precinct 5—Mrs. Walter Bennett.
Precinct 6—Mrs. Guy Reddick.
Precinct 7—Mrs. Frank Alldredge.
Precinct 8—Mrs. James Shannon.
Precinct 9—Mrs. N. H. Alldredge.
Precinct 10—Mrs. Helen Swan.
Precinct 11—Mrs. George Eberly.

Baby week will commence November 18 and close November 15.

West Linn will have its baby day on November 14 and Shubel on November 13.

Infant Daughter of Prof. Arant Dies

Mildred Winnifred, little daughter of Prof. and Mrs. W. L. Arant, died at the family home this morning, after a brief illness. She was four months old.

There will be a private funeral from the family residence on Sunday afternoon at 3:30 o'clock for relatives and invited friends. Interment will be in Mountain View cemetery.

Holman & Pace have charge of the funeral arrangements.

Ministers of City Form Organization

The ministers of Oregon City have organized an association. All the Protestant churches in the city will be represented. Rev. C. H. L. Chandler has been elected president, while Rev. H. S. Crocker is secretary. Meetings will be held the first Tuesday of each month.

Arrangements have been made to hold a special Thanksgiving service at the Methodist church on Thanksgiving night when Rev. Mr. Crocker will be the speaker.

Heads of Mission Sent to International Trade Conference

This photograph shows the heads of several of the foreign commissions sent to the United States to attend the International Trade Conference at Atlantic City. They were photographed on their arrival in New York.

They are, left to right: Signor Ferrando, head of the Italian delegation; M. Eugen Schneider, head of the French mission; M. Florimond Hankar, leader of the Belgian delegation; and the Hon. J. G. Jenkins of the British delegation.

MINER'S STRIKE IS NOW FIRMLY AT DEADLOCK

INDIANAPOLIS, Ind., Nov. 3.—The situation on the third day of the coal strike is reported practically unchanged from what it was Friday night, when all union coal miners are said to have quit work in obedience to the walkout order. Some mines, where the workers have not been thoroughly organized are reported to be working with non-union help, but the majority of the coal fields are idle.

Illinois, an important coal center, is closed to production entirely. Michigan and Ohio are said to be similarly affected. Pennsylvania is out almost entirely. All union hands have quit in West Virginia, but the operators assert they are being enabled to produce almost normally with nonunion workers. Indiana, a pivotal state of the strike because the miners have their headquarters at Indianapolis, is virtually paralyzed so far as coal output is concerned.

Kansas is out almost to a man, with no likelihood of disaffection in the ranks of the strikers. Pittsburgh, an important town in the Kansas fields, reports that plans are being made to defy the federal injunction by paying a strike benefit "as long as union funds hold out. This will mean payment of \$7 a week to 13,000 strikers. Federal troops are being concentrated at Camp Funston, Fort Leavenworth and Fort Riley as a precautionary measure, it was said. Fort Russell, Wyo., reports the movement of 500 federal troops to the coal fields of that state.

BOND PLAN FOR ROADS SUPPORTED BY FARMERS

With the withdrawal of the millage plan from consideration, the farmers of Clackamas have settled down to a study of the road bond measure that comes before the people Monday, November 24, at a special election, and interest is indicated in the meeting of the 33 committees from the several road districts which has been called for tomorrow night at the Commercial club. At this meeting detailed plans for a comprehensive campaign will be carefully worked out and meetings in the various sections of the county will be arranged, and speakers assigned.

Several such meetings have been held during the past week, and at Willamette Thursday George C. Brownell and L. L. Porter were the speakers at a well attended gathering. Mr. Brownell made a forceful talk on road bonds and indorsed the road bond measure as being the only practicable plan to secure a system of hard surfaced highways within a few years. He gave a personal illustration of the benefit of a permanent road to property he purchased a number of years ago at Milwaukie, where, after the road had been completed, he had sold a small portion of the tract for more than he paid for all of the property originally.

C. Schuebel and Rev. Mr. Renhard, of Colton, addressed an enthusiastic meeting at George Friday night, and Mr. Schuebel is satisfied that the sentiment in that section is practically unanimous in favor of the bond measure. On Tuesday evening of this week at the West Linn high school house, L. L. Porter and Grant Dimick will discuss the road bill.

It was reported Saturday that efforts are being made on the part of the opponents of the measure to prejudice the people of district No. 1, between Gladstone and Milwaukie against the bonding bill, on the ground that none of the roads in that district is designated for improvement. Supporters of the \$1,700,000 bond measure say that it has been planned all along to use the paving fund, which will still be levied for the next year or two, to complete the hard surfaced roads in that district, including the road connecting the pavement now laid with Stanley station, the unpaved portion of the Lake road out from Milwaukie, leading from the Rusk hill to 82d street, the Island hill section, and the new cut off around Gladstone park.

BODY IS IDENTIFIED
ASTORIA, Oct. 31.—The body which came ashore near Seaside yesterday has been identified as that of the late George J. Leubben, who with Olaf Hedlund, drowned when the trolling launch Sailor Boy was wrecked off Tillamook Head October 4.

Leubben was about 19 years of age and his parents reside at Aurora, Or.

NEW DIGGER PEST IN CLACKAMAS ORCHARDS TO BE EXTERMINATED

At a meeting of the Farm Bureau of Clackamas county held last Saturday in the county court rooms, an active campaign against the gray digger squirrels was outlined, and a revolving fund of \$500 was asked by the organization from the county court to wage the fight against the pests in this county.

County Agent Scott, who has been instrumental in helping wage the campaign here, claims that the squirrels in Clackamas county do more damage to the crops and fruit trees of the farmers than any other pest, and has organized a strong movement to fight the danger. Poison in large quantities will be bought by the county court, and sold to the farmers at cost, so that the farmers may be able to distribute the poison on their farms at a small expense, thus eliminating the squirrels during the coming winter months.

SCHOOL BOARD CUTS DOWN EXPENDITURES FOR YEAR OF 1920

With ruthless hand the school board has pruned its contemplated expenditures for 1920 to come within the estimated income of the district, eliminating prospective salary increases, a new roof on the Eastham building and making inroads on many other items.

The school board originally provided for increases in salaries and other items of expense, but when it found that the estimated income was short more than \$3000 of the budget expenditures, the board concluded to use the pruning knife. The 61 per cent tax limitation amendment appears to be a distinct bar against proper operation of the schools, as costs have advanced faster than the tax limitation permits.

OLCOTT ENTITLED TO SERVE OUT UNEXPIRED TERM, RULES BROWN

SALEM, Nov. 1.—Ben W. Olcott, who, upon the death of the late Governor Withycombe, last March, succeeded to the governorship of Oregon, is governor in fact and is entitled to serve out the full unexpired term of the former executive, according to an opinion rendered today by Attorney General Brown.

The secretary of state is a ministerial officer and has no alternative in administering the affairs of his department other than in accordance with the laws as found on the statute books, and as construed by the supreme court.

The secretary of state is advised not to make any provision for the office of governor in the notices to be prepared for the primary election in 1920.

Candidates for governor may institute mandamus proceedings in the supreme court against the secretary of state upon the refusal of such official to file the said candidates petition for nomination, in the light of the opinion.

DANCING IS SCORED BY METHODIST MINISTER

With dances taking place almost nightly in Oregon City, with the hall given in honor of the ex-service men Saturday night at Moose hall still fresh in the memories of the young folks of the town, Rev. Melville T. Wire, who arrived here three weeks ago as minister of the First Methodist church, took a fling at the devotees of the terepsichorean art Sunday night in the first of the revival sermons at the church.

"I do not mean to say that dancing is a great moral sin, for it isn't," he declared. "But I do say that it is a great factor in undermining a person spiritually. It is up to the church people, if the church they attend stands for true religion in the community to do away with the dance hall."

In some dance halls in certain towns in Washington state there were no windows to the places, he said. He then quoted the results of an investigation of a Sunday school field worker who attributed a great deal of the present day evils to dancing.

"Just watch a dance," he said, "and when the music suddenly stops, how foolish the people look holding on to each other."

"Everybody is entitled to his individual opinion, and I have mine regarding dancing. As pastor of this church, I shall do everything in my power to fight it."

He then spoke of the problems that confronted the church, in combating the dance. He said there is plenty of good wholesome amusement in which the young people can engage under the direction of the church.

WAVE OF SPIRITUALISM

CHICAGO, Nov. 3.—The world will stand in danger of madness if the wave of spiritualism now sweeping the earth is not controlled or directed, the Rev. George Craig Stewart told his congregation at St. Luke's Episcopal church in Evanston. His subject was "Christianity and Spiritualism."

OREGON CITY DEFEATS ARLETA ELEVEN WITH BIG SCORE OF 20-0

The Oregon City American Legion football team added another scalp to its collection of victories by beating the Arleta club of Portland on Canemah field Sunday afternoon by a 20 to 0 score.

In spite of the all day drizzle both teams played with a vim that would have done credit to ideal football weather. They smashed and splashed up and down the west field, each team trying to protect its unbroken line of victories.

But the ex-soldiers had the advantage of some weight and much experience in fighting on muddy fields in France, and held the advantage throughout the game.

The first quarter ended scoreless, but with the ball in Oregon City's possession on Arleta's two-yard line. In the first play in the second quarter, Willard Montgomery called the signal for one of the team's trick plays, which were kept stored up for emergencies, and the ball was carried over the line. Kendall kicked goal and the score stood 7 to 0.

The second score came in the same quarter when after a series of hard line plunging Stomich went over for a second touchdown. The third addition to the victory was negotiated in the last quarter by a brilliant forward pass from Willard Montgomery to right half, Earnest Moss.

Left End Clyde Montgomery and Left End Kendall are deserving of honorable mention for stellar playing. Kendall's punting would do credit to any team in the state and Clyde played the game in the good old "go get 'em" way from start to finish. The Legion, however, has an all round team. Each man played the whole game, and teamwork was the heart of the contest.

Earl Berry, of Arleta's team, suffered a broken ankle during the game and was taken to Oregon City hospital. This was the only accident but Berry was a serious loss to the visiting team.

Arleta's long suit is the forward pass and the wet grounds gave them small change to get down the field for their passes. The two teams meet again in Portland next Sunday. The local eleven is confident of the result. Oregon City issues a challenge to any team in the state. M. L. nomah club not barred.

The line up is as follows:
R. end, H. Selter; l. end, Kendall; l. tackle, G. Storey; r. tackle, J. Montgomery; r. guard, J. Meyers; l. guard, Stomich; center, W. Hampton; quarter, Willard Montgomery; r. half, Earnest Moss; l. half, Clyde Montgomery; fullback, Wallace Moss.

Captain Henderson, War Hero, Returns

Captain P. A. Henderson, of Seattle, who returned from overseas service three months ago and who has been stationed in New Mexico since that time, was in Oregon City Monday, where he visited friends. Captain Henderson has been in the flying corps, and has had many exciting experiences.

While making a flight during a big battle, the pilot of his aeroplane was killed by a German barrage. The airship fell to the ground, and Captain Henderson was severely injured and was confined in the hospital for eight weeks. Captain Henderson has been decorated for bravery, receiving the distinguished United States service congressional medal and also the Croix de Guerre with palms. Henderson received his discharge from the service three days ago at San Francisco. After visiting his brother in Portland, he will go to his home in Seattle.

Give the world the once over

LISTEN, fellows, to some straight talk. Many a man when he gets to be 40, misses something. He may have lots of money, and a fine family but—

He never "got out and saw things". After he gets settled down, it's too late.

Every man wants to see the world. No man likes to stand still all his life. The best time to TRAVEL is when you're young and lively—right NOW!

Right NOW your Uncle Sam is calling. "Shove off!" He wants men for his Navy. He's inviting you! It's the biggest chance you'll ever get to give the world the once over!

The Navy goes all over the world—sails the Seven Seas—spunks at the six continents—that's its business. You stand to see more odd sights, wonderful scenery and strange people than you ever dreamed of.

You'll work hard while you work. You'll play hard while you play. You'll earn and learn. You'll get, in addition to "shore leave", a 30-day straight vacation—which is more than the average bank president can count on.

You can join for two years. When you get through you'll be physically and mentally "tuned up" for the rest of your life. You'll be ready through and through for SUCCESS.

There's a Recruiting Station right near you. If you don't know where it is, your Postmaster will be glad to tell you.

Shove off!—Join the
