Spring Fever?

This is the time of year to look out for trouble! We feel weak—our blood seems hot—no appetite. It's time to clean house! This is when the blood is clogged and we suffer from what is commonly called a cold.

Doctor Pierce's Golden Medical Discovery (in liquid or tablets) purifies the blood and entirely eradicates the poisons that breed and feed disease. Pure blood is essential to good health. The weak, run-down, debilitated condition which so many people experience is commonly the effect of impure blood. Dr. Pierce's Golden Medical Discovery not only cleanses the blood of impurities, but it increases the activity of the blood-making glands, and it enriches the body with an abundant supply of pure, rich blood. For sale by druggists. Take it as directed and it will search out impure and poisonous matter in the stomach, liver, bowels and kidneys and drive it from the system through the natural channels.

ASK YOUR NEIGHBOR!

Portland, Oregon. — "Dr. Pierce's remedies have been used in my family for years, and with good results. I always gave my children the 'Golden Medical Discovery' as a tonic in the spring. My husband took it for poor blood, torpid liver and indigestion. My daughter found it especially good for bloating caused from indigestion. I am glad to recommend Dr. Pierce's Golden Medical Discovery." — Mrs. M. Cunningham, 509 Ross Street.
