ATTENTION! Sick Women

To do your duty during these trying times your health should be your first consideration. These two women tell how they found health.

Hellam, Pa.—"I took Lydia E. Pinkham's Vegetable Compound for female troubles and a displacement. I felt all run down and was very weak. I had been treated by a physician without results, so decided to give Lydia E. Pinkham's Vegetable Compound a trial, and felt better right away. I am keeping house since last April, and doing all my housework, where before I was unable to do any work. Lydia E. Pinkham's Vegetable Compound is certainly the best medicine a woman can take when in this condition. I give you permission to publish this letter."—Mrs. E. B. CRUMBLING, R. No. 1, Hellam, Pa.

Lowell, Mich.—"I suffered from cramps and dragging down pains, was irregular and had female weakness and displacement. I began to take Lydia E. Pinkham's Vegetable Compound which gave me relief at once and restored my health. I should like to recommend Lydia E. Pinkham's remedies to all suffering women who are troubled in a similar way."—Mrs. ELISE HEIM, R. No. 6, Box 88, Lowell, Mich.

**Happy New Year
1919**

Better, braver, kindlier and more true, the new year comes to us more new than any new year ever came before. New maps, new peoples, new ways—a new world? Yes—but look at it closely and you will see it is the same old world still. The same old folks, the same old things—but with a new resolve to better ways, kindlier ways, fairer and squarer ways of dealing and doing.

And so in the Spirit of 1919 we come to you heartened with the victory of right, the power of true service, to wish you one and all, as we wish ourselves, the fullest enjoyment of every opportunity to benefit one another.

Here, at our store, our plans for the new year will mean still more to those who seek and have here found their requirements best served.
